## Chapter 1

### ISSUING AND USING ID CARDS--GENERAL GUIDANCE

**1.1. Distinct ID Cards.** The Department of Defense (DoD) provides members of the Uniformed Services with a distinct ID card identifying them as RegAF, Guard, Reserve, or retired members and authorizing them to receive Uniformed Services' benefits and privileges. DoD also authorizes a distinct ID card to eligible family members, including issuance to same-sex marriage spouses and their children (see paragraph 1.1.3), and other qualifying individuals entitled to receive Uniformed Services' benefits and privileges.

1.1.1. Eligible Uniformed Services civilian, appropriated fund and non-appropriated fund (NAF) civilians, contractor, foreign military and foreign national (military and civilian affiliate) categories, the CAC with the Integrate Circuit Chip (ICC) replaces the respective ID card types listed in Table 1.1. See AFI 36-3026, Volume 2, CAC.

1.1.2. Effective September 3, 2013, ID cards are issued to qualifying same-sex married spouses and their eligible children per OSD Memorandum, "*Extending Benefits to the Same-Sex Spouses of Military Members*," August 13, 2013. ID card entitlements are retroactive to the date of the Supreme Court's decision, June 26, 2013. Any claims to entitlements before June 26, 2013 are not granted per Under Secretary of Defense, Personnel and Readiness (USD [P&R]) Memorandum, "*Further Guidance on Extending Benefits to Same-Sex Spouses of Military Members*," August 13, 2013. **Note:** See Attachment 2 for Entitlement Tables and Attachment 5 for Basic Documentation Required Determining DEERS Eligibility.

**1.2. Types of ID Cards.** Table 1.1 lists the types of ID cards authorized by DoD. **Note:** Per Defense Human Resources Activity (DHRA) Memorandum, October 29, 2010, "Cancellation of Manually Produced Identification (ID) Cards," the following manually produced ID cards are cancelled: DD Form 2 (Reserve), DD Form 2 (Retired), DD Form 2 (Active), DD Form 1173, DD Form 1173-1, DD Form 2764, DD Form 2765, including the DD Form 489. For administration and control of Uniformed Services specific/unique manual ID cards, see Services Chapters 19-23.

1.2.1. Existing inventory stocks of the following Uniformed Services Identification (USID) cards (formerly Teslin cards), reflecting a machine readable bar code remain in effect: DD Form 2 (Reserve), DD Form 2 (Retired), DD Form 2 (Active), DD Form 2 (Reserve Retired), DD Form 1173, DD Form 1173-1, DD Form 2764, and DD Form 2765. Refer to Table 1.1.

See Attachment 1, Terms for Volunteer Access Card and AFI 36-3026 IP, Volume 2.		

1.2.2. Number of ID cards issued. Individuals may be issued only one ID card as listed in Table 1.1 with the following exceptions:

1.2.2.1. DD Form 2 (Retired) and DD Form 1173 to members retired with pay who also meets the criteria of an AD family member. **Note:** An AD member who also meets the criteria of a dependent under the sponsorship of a retired member is not authorized issuance of a DD Form 1173.

1.2.2.2. DD Form 2 (Retired) and DD Form 1173 to members retired with pay who also meets the criteria of a family member; including same-sex marriage spouse and their children. **Note:** Issue DD Form 2 (Retired) and CAC (formerly DD Form 2765) to members retired with pay when the U.S. Government employs them as a civilian.

1.2.2.3. DD Form 2 (Reserve) and DD Form 1173 to National Guard and Reserve members not on AD who are also family members of AD or retired members.

1.2.2.4. DD Form 2765 and DD Form 2 (Reserve) to qualifying members who are separating under Transition Assistance (TA) programs and have a National Guard or Reserve commitment. **Note:** Member's eligible family members are authorized one DD Form 1173 and one DD Form 1173-1.

1.2.2.5. CAC (formerly DD Form 2765) and CAC (formerly DD Form 2765) to qualifying members who are affiliated with the Selected Reserve and the DoD employs them as a civilian.

1.2.2.6. DD Form (Reserve) and CAC (formerly DD Form 2765) to qualifying members who are affiliated with a reserve component and the DoD employs them as a civilian.

**1.3. Cross-Servicing Agreement.** The Uniformed Services have agreed to assist each other in verifying ID card eligibility. ID card operations and customer services are not inclusive; Uniformed Service components may not randomly provide selected services for certain populations, e.g., AD only, reserve only, National Guard only, etc. Furthermore, the Uniformed Services assist each other in verifying certain categories of eligible persons, even if they belong to another service (see paragraph 1.3.4 for non-cross-servicing populations). The verification process is accomplished via an on-line network communication to the DEERS database, using the Real Time Automated Personnel Identification System (RAPIDS). Issuing activities (see Attachment 1, Terms) shall:

1.3.1. Issue ID cards upon presentation of proper identity documentation. **(T-0).** Any eligible population for a USID form ID card, i.e., DD Form 2 Retired, DD Form 1173 with the exception of non-cross-servicing populations as reflected in paragraph 1.3.4. ID card beneficiaries will have the same requirements for providing identity documentation as for those individuals eligible for a CAC or VoLAC with the exception of children, under age 18. **(T-0). Note:** Children under the age of 18, applying for a dependent ID card, are only required to provide documentation for the initial verification of eligibility or proof of relationship to the sponsor. Identity documentation requirements are derived from the FIPS 201-2 (formerly I-9), and should not be confused with Title 10 benefits eligibility age limits. See Attachment 5 for children eligibility documents.

1.3.2. Ensure cross-servicing is authorized for members and family members reflected in Table 1.2. **(T-0).**

**Table 1.2. Categories of Personnel Who Can Be Cross-Serviced.**

1.3.4. Cross-servicing is not authorized for members and family members reflected in Table 1.3.

**Table 1.3. Categories of Personnel Who Can Not Be Cross-Serviced.**

ITEM	CATEGORIES

2	Individuals who require an initial dependency determination (requiring verification and approval of over 50 percent support is met by the sponsor), e.g., legal custody wards, temporary and permanently incapacitated children, parent, step-parent, parent in-law. <b>Exception:</b> ID card issuance renewals are permitted, providing an approved dependency determination is presented. See <b>Table 1.2</b> . Refer to Uniformed Service DEERS Project Office for temporary enrollment and ID card issuance when the initial dependency for finance or medical or both determinations are not completed.
3	Military and civilian retirees, former members of the military, and DoD contractors not enrolled in DEERS without a verified record. See Term Verified Record. (See Table 1.2).

5	Family members of Navy and Marine Corps residing in the Philippines (see Table 11.5).

**1.4. RAPIDS Issuing Facilities.** All RAPIDS facilities with on-line access to DEERS will issue CACs with and without the chip, Volunteer Logical Access Card (VoLAC), and DD Forms authorized by this instruction for eligible sponsors and beneficiaries when they are not otherwise restricted by the system, and they: (1) are enrolled in DEERS, or; (2) are not enrolled in DEERS but provide legal documentation to establish eligibility; or (3) provide a properly verified DD Form 1172-2, *Application for Identification Card/DEERS Enrollment*, (formerly DD Form 1172, *Application for Uniformed Services Identification Card-DEERS Enrollment*, decommissioned October 16, 2012) from the sponsor's parent uniformed Service or DoD agency RAPIDS facility. **(T-0)**. Refer to Attachment 3. **Exceptions:** See Table 1.3.

1.4.1. RAPIDS facilities may operate on an appointment schedule at their discretion. Customer walk-in service should be accommodated whenever possible, provided customer service is within the RAPIDS facility's work schedule. If there is no customer service availability within the work schedule, the RAPIDS facility may advise sponsor and family member of wait time or recommend returning at a later date or time. See Term Customer Service.

## 1.5. Verifying Official (VO) Responsibilities:

1.5.1. Refer applicants listed in Table 1.3 to the sponsor's parent Service Military Personnel Office for verification of entitlement. **Exception:** See paragraphs 25.1.2 for Navy and 25.1.4 for Marine Corps approval authority.

1.5.2. Verify identity using documents listed in Attachments 5 and DoD List of Acceptable Documents at [www.cac.mil](http://www.cac.mil).

1.5.2.1. Verify documents reflecting name changes for sponsors and family members. **Note:** Name changes may occur at any time and not as a result of an event such as marriage or divorce. Sponsor name changes are established and reported from the uniformed Service or Agency to DEERS as a verified record. See Term Verified Record. The name change occurs within the human resource personnel system; an electronic data exchange to DEERS as an authoritative data feed, creating a verified record. Family member name changes are updated directly by the VO in RAPIDS to DEERS. Refer to paragraph 1.29 and Table 1.23.

1.5.3. All paragraph numbers must end with a period. Use the eligibility data in DEERS or appropriate documents to verify eligibility, and issue ID cards to eligible family members.

1.5.3.1. Review and scan the Social Security card when prompted by the RAPIDS software when entering a person's Social Security Number (SSN) in the RAPIDS application to the DEERS database, scan court order document, or scan other official government document that specifically states the number is a SSN when entering family member's SSN in the RAPIDS application to the DEERS database.

1.5.3.1.1. Do not enter or scan into RAPIDS an undocumented or incorrect SSN if the true SSN is not available. Select the "none" box next to the identifier in RAPIDS to generate an appropriate ID Number as defined in paragraphs 1.5.3.1 and 1.22.

1.5.4. Applicants enrolled in DEERS or applicants not enrolled in DEERS. If the applicant is enrolled in DEERS and unable to obtain the sponsor's signature on the DD Form 1172-2 (formerly DD Form 1172), and does not have a valid general or special power of attorney (POA), issue a temporary card for 30 days and cross reference paragraphs 2.4, 8.2, and Table 8.2. If the applicant is not enrolled in DEERS, contact the sponsor's parent uniformed Service for further instructions. **Exception:** Verify and issue IDs for family members of deployed sponsors as listed in Table 1.18. See paragraph 25.1.5 for U.S. Coast Guard approval.

1.5.4.1. The ID card is normally not reissued outside 30 days of the expiration date if the information on the ID card is otherwise correct and serviceable. See Chapters 12-18 for card issuance. **Note:** ID card reissuance is at the SSM or VO discretion.

1.5.5. Upon presentation of appropriate documentation (for example, divorce decree, child's marriage certificate, less than 50 percent support, etc.), the SSM or VO will terminate DEERS eligibility for dependents no longer eligible for benefits and privileges. (T-0).

1.5.6. Regardless of the individual's age or incapacitation, the SSM or VO shall determine if the individual is entitled to hospital insurance benefits under Medicare Part A, Title 42 U.S.C., Chapter 7, Subchapter XVIII. If entitled to insurance benefits under Title 42 U.S.C., Chapter 7, Subchapter XVIII, the individual is ineligible for MC under TRICARE unless the military sponsor is on AD except as provided in paragraph 7.1. (T-0). Spouses or children of AD sponsors do not lose their entitlement to the TRICARE because of the entitlement to insurance

benefits under Title 42 U.S.C., Chapter 7, Subchapter XVIII. To determine TRICARE eligibility for permanently incapacitated children over the age 21, a formal determination of eligibility for Medicare Part A benefits is obtained from the SSA and presented to the SSM or VO. Individuals receiving Social Security disability compensation for 24 consecutive months are automatically entitled to Medicare Part A hospital insurance benefits under Title 42 U.S.C., Chapter 7, Subchapter XVIII, effective with the twenty-fifth month of compensation. All ID card applicants are asked if they are receiving Social Security disability benefits and when the benefits began to determine TRICARE eligibility. If Social Security disability benefits have been received for more than 24 months, TRICARE benefits are disallowed, unless purchasing Part B (supplemental insurance). Individuals are not authorized TRICARE beyond attainment of age 65, unless the sponsor is on AD or the applicant presents a statement from the SSA certifying that the individual is not entitled to Medicare Part A hospital insurance benefits under Title 42 U.S.C., Chapter 7, Subchapter XVIII. Exception: Individuals who are enrolled in Medicare Parts A and B are eligible for TRICARE For Life (TFL). Refer to Chapter 24, paragraph 24.4.2. The SSM or VO shall cite the documentation presented in DD Form 1172-2, block 21 (formerly DD Form 1172, section III, item 89), in addition to all other required documentation. **(T-0)**.

1.5.7. The SSM or VO should refer the applicant to the Social Security Administration (SSA) at 800-772-1213 or <http://www.ssa.gov> for general information and eligibility, if appropriate.

1.5.8. VOs should review weekly the Verifying Official Information System (VOIS) at <https://www.dmdc.osd.mil/appj/vois/index.jsp>. Refer to Service specific chapters 19-23 for additional information.

1.5.9. The VO enrolls eligible children (adoptive and pre-adoptive), step-children, and legal custody wards in DEERS even if no ID card is issued (refer to Attachments 5 and 20).

1.5.10. DoD Self-Service. VOs can initiate a DoD Self-Service (DS) logon account for non-CAC holders. The DS Logon is a logon credential that can be used across the Department of Defense and the Department of Veterans Affairs for access to Self-Service applications such as the milConnect portal (<http://milconnect.dmdc.mil>), the VA/DoD's eBenefits website, some TRICARE Regional Contractor websites, TRICARE Online, and more. The DS logon account request occurs at the time of ID card issuance to family members. The beneficiary is asked by the RAPIDS software application if he/she would like an account established. Beneficiaries over the age of 18 are eligible. Additionally, a CAC holding sponsor may request a DS logon for his/herself and / or for his/her eligible family members by accessing DS Access website at <http://myaccess.dmdc.osd.mil/appj/dsaccess/>. Refer to the "Frequently Asked Questions" for more details about the DS logon. The DS Logon is associated to the identities of members/sponsors and their family members who are linked to the medical, pay and human resource systems as part of a global DoD managed identity program.

1.5.10.1. DoD Surrogate. Surrogate is a person appointed to act on behalf of another individual; DoD Surrogacy allows an individual who may not be affiliated with the DoD and who may not be related to the DS Logon credential holder or eligible individual by a DoD-recognized family relationship to be granted access to a DS Logon credential holder's or an eligible individual's information. Refer to AFI 36-3026, Volume 2, CAC, paragraph A12.8 milConnect for managing personal data and benefits for the DEERS program.

1.5.11. ID Card Office Online Portal. The ID Card Office Online (formerly, RAPIDS Self-Service (RSS) Portal allows eligible populations to self-service on certain actions such as update information in DEERS; add/change E-mail address to receive initial or new E-mail and E-mail certificates, add a Personnel Category Code (PCC) to the User Principle Name of the E-mail Signature Certificate, Activate the Personal Identity Verification (PIV) Authentication Certificate, download applications, and view/update contact information at [https://www.dmdc.osd.mil/self\\_service](https://www.dmdc.osd.mil/self_service).

1.5.12. The ID Card Office Online Portal allows CAC recipients verify a family member's relationship and eligibility by digitally signing the DD Form 1172-2 for ID card reissuance. When a DD Form 1172-2 is digitally-signed through Online Portal, the information is stored in DEERS and is a viewable document within RAPIDS. Once verified using Online Portal, sponsors no longer need to accompany their family members in obtaining the ID card. **Note:** Eligible family members may present a paper copy of the digitally signed DD Form 1172-2. When the digitally signed DD Form 1172-2 is presented, the Online Portal may reflect a red "X" or question mark "?" displayed in block 22 (Sponsor/Employee Signature). This is considered a valid form for issuing an ID card. The DD Form 1172-2 digitally signed by a DoD Certificate Authority (CA) can serve as an electronic equivalent of a wet signature for DEERS purposes.

1.5.13. ID Card Office Online. Includes a new feature by allowing CAC-carrying sponsors to request the addition of a new family member to their DEERS record. Requires the sponsor to enter new family member's demographic and relationship information as a conditional sponsorship until verified by the RAPIDS VO. The Online Portal allows creation of the DD Form 1172-2 and stores it in DEERS. This action allows the family member to visit a RAPIDS site without the sponsor to complete the verification process and receive an ID card if eligible.

1.5.14. Document Requests. Documents scanned by a RAPIDS facility for the purposes of establishing identity and eligibility within DEERS may be requested by contacting DMDC at 1-800-361-2508 or by applying on-line with the DMDC Data Request System (DRS) at <https://www.dmdc.osd.mil/>.

**1.6. Types of ID Cards and Who Can Carry Them.** The following tables provide eligibility information concerning issuance of each type of ID card. **Note:** CAC recipients are not issued or reissued any of the following ID cards that were replaced by the CAC without an approved waiver from OSD (P&R).

1.6.1. NAF employees are eligible to receive a DoD/Uniformed Services Civilian Retiree ID card (plastic with no chip). The VO is not able to add the Civilian Retiree personnel status to RAPIDS. This personnel status is automatically generated from the Defense Civilian Personnel Advisory Services upon termination of a NAF employee category due to retirement. **Note:** When an eligible DoD/Uniformed Service civilian qualify for retirement and the retiree record is not listed in DEERS, contact the Benefits Workforce & Life Program Division (formerly the Civilian Personnel Management System, Field Advisory Services Division (FAS), Benefits & Entitlements Branch at (703) 882-5197 for verification of member's federal retirement. See the Term Retired Civilian Member of a DoD/uniformed Services.

1.6.2. Other Federal agency retirees are not eligible for the DoD/Uniformed Services Civilian Retiree ID card, and must contact their agency for availability of a credential reflecting their retired status, if available.

These purposes may include law enforcement training and counterfeit detection. The requests are made in writing or E-mailed and clearly specify all intended use(s) and the duration of the use(s). See Chapter 25 for appropriate office addresses and telephone numbers.

**1.10. Over-stamping.** Three over-stamps - **TA, OVERSEAS ONLY** and **DUAL STATUS** are applied to the ID card, DD Form 1173 and DD Form 2765, automatically by the RAPIDS application. No other over-stamp is authorized and no exceptions or waivers are granted for ID cards. See Chapter 15, DD Form 1173, *Uniformed Services Identification and Privilege Card*.

1.10.1. Nothing is placed on the ID card.

Individuals whose eligibility for privileges is based on TDY are not issued the DD Form 2764, except emergency essential personnel or individuals required to accompany the Uniformed Services in support of a Congressional decree or Presidential commitment and essential contractor personnel and civilian noncombatant personnel who are deployed in conjunction with military operations overseas. **Note:** Presentation of travel orders and a picture ID constitutes acceptable ID. Refer to paragraph 17.11 and table 17.5.

**1.13. Disposition of DD Form 1172-2.** Effective 21 Sep 2011, issuing activities scanned the former DD Form 1172 on-site using the RAPIDS software. Issuing offices may maintain DD Form 172-2 in a suspense file for tracking temporary ID cards issued, pending final action is taken to reissue or retrieve the card. See Table 9.3 Uniformed Service Representatives for Retrieving and Disposing of ID Cards for Members Assigned to DoD Regional Correctional Facilities and Table 21.4 Air Force and Civilian Affiliate Categories for additional disposition instructions.

**1.14. Confiscating ID Cards.** ID cards are government property. When a cardholder's employment or affiliation is terminated, or the ID card is expired, fraudulently used or mutilated,

or presented by a person not entitled to its use, the individuals listed in Table 1.20 may confiscate ID cards under the following conditions:

**Table 1.20. Individuals Who May Confiscate ID Cards.**

WHO CONFISCATES ID Cards	CONDITION
VOs (military, civilian, & contractor personnel), commissioned or noncommissioned officers (NCOs), military police, security personnel, base entry controllers, including Trusted Associate Sponsorship System (TASS) Trusted Agents. See paragraph 1.14.1.	ID card is:  Expired (includes affiliation to employment, contract, or service separation, discharge, or termination).  Being fraudulently used.  Presented by a person not entitled to its use.  Mutilated or illegible.
Senior Installation Officials.	Shoplifting is involved. The Senior installation official determines when to confiscate ID cards.  Senior installation officials, installation security authorities and installation legal staffs establish written base policy for confiscating ID cards when shoplifting has occurred. (See Attachment 1, Definitions.)
Civilian employees (appropriated and non-appropriated fund) of benefits and privileges activities. <b>Note:</b> Includes Commissary, Exchange, and MWR representatives, clinic providers and customer service representatives, etc., individuals who work in facilities providing benefits and privileges. See paragraph 1.14.1.	ID card is:  Expired.  Obviously altered.  Presented by a person not entitled to its use.  Mutilated or illegible.

1.14.1. The cardholder who is told that they are in possession of an ID card that is questionable because the card is mutilated, expired, being used fraudulently, altered, etc., are advised that they may request a supervisor review the confiscation decision.

1.14.2. The individual confiscating the card, notifies the installation security authorities immediately after confiscating the ID card or if involved in a situation requiring confiscation.

1.14.3. Installation security authorities investigate confiscation cases or refer these cases to the appropriate Service Special Agent (SA) or investigative office (see Attachment 1, Definitions) when it is warranted by circumstances or according to local procedures.

1.14.3.1. Installation security authorities provide the parent Service the required information pertaining to the situation and unresolved report when the confiscated card belongs to a member of another Service.

1.14.3.2. The individual confiscating the ID card gives the cardholder a letter or receipt when confiscating an ID card.

1.14.3.3. For cases involving fraud, misuse, or abuse of an ID card, the individual confiscating the ID card prepares a DD Form 1569, Incident/Complaint Report or local form/report (refer to Service specific Chapters 19-23 or contact respective Uniformed Service DEERS Project Office in Chapter 25).

**1.15. Reissuing Confiscated ID Cards.** The installation commander or authorized representative notifies the ID card issuing activity to reissue the ID card with appropriate benefits and suspended shopping privileges, if any. The issuing activity will issue the ID card until the suspension end date as reflected in RAPIDS. **(T-3)**.

1.15.1. Reissue CAC per Chapter 9 for members being processed for administrative or judicial action, members court-martialed, placed in civilian or military confinement or placed on appellate review leave.

**1.16. Destroying Confiscated ID Cards, and Documenting Surrendered Cards, Receipts, and Destruction Certificates.** The ID card issuing activity will destroy all confiscated and surrendered ID cards (with the exception of CACs), unless, they immediately return the card to the cardholder or the card is required pursuant to an investigation: **(T-3)**.

1.16.1. The ID card issuing activity documents on the DD Form 1172-2 information regarding cards that are not recovered (for example, when dependents are no longer eligible for benefits) on DD Form 1172-2 (formerly DD Form 1172) (see Attachment 3). Instruct the sponsor to mail or turn in the dependent's cards that are not recovered to the separation activity. Give a pre-addressed envelope to the sponsor.

1.16.2. The ID card issuing activity returns confiscated ID cards and CACs to the nearest RAPIDS facility or ID card issuing facility with the reason for confiscation.

**1.17. Administrative Record Lock.** If a DEERS record is administratively locked, the ID card issuing activity can only update the sponsor or family member address element. The issuing activity contacts the appropriate Uniformed Service DEERS Project Office (Active, Guard, Reserve, or DoD agency as appropriate) or the DMDC Support Centers (DSCs) Helpdesks for further assistance.

**1.18. Invalid Entry in DEERS.** The DSC helpdesk resolves Invalid Entry Transactions (IET) in DEERS database for sponsors and family members when the conditions in Table 1.21.

**Table 1.21. When DSC Resolves Invalid Entries in DEERS.**

ITEM	CONDITION
1	A duplicate DEERS record exists.
2	A collision between the RAPIDS personnel category and or condition exists that prevents issue of an ID card.
3	Invalid data appears in a DEERS record that cannot be changed using the RAPIDS update capability (e.g., when a stepchild is inappropriately listed as a child.)
4	A beneficiary has never been eligible for ID card benefits and privileges. The issuing

	activity forwards a DD Form 1172-2 (formerly DD Form 1172), signed by the sponsor or VO (if sponsor is unable or unwilling to sign) with supporting documentation to the respective Service DEERS Project Office listed in Chapter 25.
--	--

**1.19. ID Cardholders Responsibilities.** The issuing activity advises ID cardholders to:

- 1.19.1. Carry their ID card at all times.
- 1.19.2. Surrender the card when a military or civilian authority requires it for ID, investigation, when in confinement, upon discharge, or card expiration.
- 1.19.3. Attempt to retain ID card, if captured as a prisoner of war.
- 1.19.4. Notify the ID card issuing activity when there is any change in their status which may affect their eligibility to ID card benefits and privileges or logical/physical access. **Note:** Example of changes such as name, date of birth, and SSN, refer to Chapters 11-18).

**1.20. Pre-Deployment – National Guard/Reserve Alert Notification Period.** National Guard or Reserve sponsor notification of activation in support of a special operation, mobilization orders generated, and entered into service-specific systems for update to the DEERS database. The notification date determines the start date of the Alert Notification Period and the effective date determines the start date of the AD condition. The Alert Notification Period condition can last from 90 days up to 180 days, and ends the day before the AD condition starts in DEERS. This Alert Notification Period condition enables the sponsor and family members to obtain TRICARE benefits for up to 180 days prior to the start of the service member's mobilization orders.

1.20.1. The Guard/Reserve Alert Notification Period is not generated from the RAPIDS application to the DEERS database, thus, RAPIDS users are not authorized to manually update contingency orders to the DEERS database. Manually updating contingency orders in DEERS does not allow for automatic update of the Contingency Operation title and prohibits the automatic update of 180 days of TAMP benefits at the time of the sponsor's demobilization.

1.20.2. RAPIDS users should not attempt to add the Guard/Reserve Alert Notification Period themselves, instead they should review the mobilizing member's DEERS record to determine if it has been updated by the service-specific systems. If the member's DEERS record does not reflect the Guard/Reserve Alert Notification Period in 3 business days after mobilization orders have been created by their respective service-specific system, users should contact the sponsor's Uniformed Service DEERS Project Office in Chapter 25.

**1.21. Period of Deployment-National Guard/Reserve Alert Notification Period.** Once the sponsor's AD assignment begins, the National Guard/Reserve Alert Notification Period automatically terminates and the AD condition is automatically generated within the sponsor's DEERS record.

1.21.1. Once the sponsor's AD assignment ends (post-deployment), the TA-180 condition is automatically generated in the DEERS record. The sponsor and eligible family members receive the same benefits that they received under the Reserve Alert Notification Period, as mentioned above; 180 days Medical Care (MC) benefits, including 2-years shopping privileges at the commissary, exchange, and MWR facilities. See chapter 6 for TA-180 details.

1.21.2. In the event that the TA-180 condition was not automatically generated in DEERS, the RAPIDS VO should verify the member's eligibility and contact the appropriate Uniformed Service DEERS Project Office.

**1.22. Sponsors and Dependents During Mobilization or Wartime.** If the sponsor is deployed or mobilized for 31 or more days and is unavailable to sign a DD Form 1172-2 (formerly DD Form 1172), take the actions reflected in Table 1.22. **Note:** Reserve and National Guard family members are issued ID cards up to 14-days prior to sponsor's AD reporting date. If the AD 31 days or more condition is not listed in DEERS, update RAPIDS to reflect this condition based on the sponsor's orders.

**Table 1.22. Processing Sponsors and Dependents During Mobilization or Wartime.**

STEP	ACTION
1	Verify dependent's eligibility from the DEERS database or legal documentation.
2	Verify sponsor's status and duration of deployment, or recall the information from one of the following sources: DEERS database; Personnel Data System; Special order; A letter from personnel office; Official E-mail notification; or a telephone call to the sponsor's servicing Personnel office. <b>Note:</b> Do not reissue ID cards to sponsors or family members when their current cards have not expired during simulated mobility exercises.
3	Use Attachment 2 for benefits authorized and Attachment 4 for DD Form 1173 expiration and Medical TRICARE (MC) effective dates.
4	Print DD Form 1172-2 and in block 21, list documentation used to verify the sponsor and dependent status. If the sponsor is unable to sign due to deployment or mobilization, state "Sponsor not available—deployed in support of (list operation).
5	Update dependents in the DEERS database.

**1.23. 90-day Temporary ID Card Issuance for Dependents.** Uniformed Service DEERS Project Office may authorize issuance of a DD Form 1173 for a 90-day period to dependents under extenuating circumstances. See Chapter 2, paragraph 2.5, Service specific Chapters 19-23 for additional information, and Chapter 25 for Service DEERS Project Offices for assistance.

1.23.1. Undocumented Dependent Family Members. Undocumented dependent family member is enrolled in DEERS, and is not eligible for an ID card until two valid and unexpired identity documents are provided. At least one of the two identity documents shall be a State or Federal Government issued picture ID.

1.23.2. DD Form 1172-2 Undocumented Dependent Family Member. VO inserts the following sponsor statement into block 21, "I am requesting enrollment of this dependent for benefit eligibility only. I acknowledge an ID card will not be issued until two valid and unexpired identity documents are provided as required."

1.23.3. Sponsor signs DD Form 1172-2, block 21, and VO scans the form in RAPIDS to the undocumented dependent family member's record to DEERS. Refer to paragraph 1.26, Temporary Identification Number (TIN) for DEERS beneficiaries awaiting an SSN.

**1.24. Mandatory Disclosure of Social Security Numbers for DEERS.** Congress has authorized DoD to require mandatory disclosure of SSN of all beneficiaries of the Uniformed Services' health care system (32 CFR part 220, Section 220.9). Failure to disclose a SSN when enrolling in or updating DEERS results in loss of MC benefits in Military Treatment Facilities (MTF) (See paragraph 15.9). However, emergency health care services are provided to the extent furnished members of the general public.

1.24.1. Effective 1 June 2011, ID cards issued from RAPIDS no longer prints SSNs. In lieu of the 9-digit SSN, a 10-digit DoD ID number is the identifier for all ID card population categories and is printed on all IDs, including the CAC. In addition, a 11-digit DoD Benefits number is printed on any ID when an individual is eligible to receive DoD benefits as authorized in DEERS/RAPIDS for medical benefits and shopping privileges e.g., MWR, Commissary, Exchange. See Terms for DoD ID Number and DoD Benefit Number.

**1.25. Individual Taxpayer Identification Number (ITIN)** An ITIN is used when a foreign national family member is not eligible for a SSN but is required to have a U.S. taxpayer ID number. This number is issued by the Internal Revenue Service (IRS). The ITIN permits continued medical eligibility in the MTF.

**1.26. Temporary Identification Number (TIN)** A TIN is a system-generated number automatically generated and assigned by the DEERS database for categories of beneficiaries who are awaiting an SSN, such as newborns and foreign spouses and foreign same-sex marriage spouse or for those who do not have a SSN. **Note:** A TIN cannot be used to add a record from RAPIDS to the DEERS database for convenience of family members who have failed to provide SSN documentation or have misplaced it.

1.26.1. A foreign national who is a spouse, same-sex marriage spouse, , child, or child of same-sex marriage or same-sex partner of a U.S. citizen, and does not have a SSN or ITIN is issued a TIN while waiting for a SSN or ITIN. **Note:** A foreign national who is not eligible for a SSN or ITIN a FIN is generated from RAPIDS. (Refer to paragraph 1.28).

1.26.2. TINs are a temporary means of identifying a beneficiary as a potential MTF patient in DEERS until receipt of a SSN, ITIN or a letter from the SSA or IRS, respectively, stating the family member is not eligible for either. **Note:** An individual with a TIN has three 90-day grace periods to acquire an SSN or ITIN, or to receive a letter from the SSA or the IRS stating non-eligibility to qualify.

1.26.3. Failure to acquire a SSN or ITIN renders the family member ineligible for continued MC within the MTFs. **Note:** The TIN is not designed to be used as permanent identifier; however, if an eligible individual declines to apply for the SSN or acquire an ITIN, then, the TIN remains on the beneficiary record, and no direct MC is authorized from a MTF.

**1.27. Foreign Identification Number (FIN).** A FIN (a system-generated number assigned as F900-00-0000 and up) is automatically generated and assigned by DEERS to allow enrollment of eligible foreign military, foreign nationals and respective family members. If sponsor or family members possess a SSN or ITIN, it is used in lieu of a FIN. **Note:** A FIN is not issued to a U.S. citizen spouse who is married to a foreign military or foreign national sponsor. This also applies to same-sex marriage spouse. In this instance, the U.S. citizen spouse uses their existing SSN or ITIN, if otherwise eligible for an identifier.

1.27.1. In the absence of a SSN, a FIN is assigned to categories of NATO and non-NATO foreign military members and their family members, and to foreign nationals employed in positions overseas that result in DoD benefits and entitlements.

1.27.2. A FIN is assigned permanently for the term of the individual's enrollment in DEERS unless they later acquire a SSN. If the individual assigned the FIN later acquires an SSN, the DEERS record is updated using the SSN. **Note:** RAPIDS prevents the VO from updating a FIN to SSN in DEERS. The VO forwards a copy of the SSN card to the DMDC Support Office, Research and Analysis for DEERS update. See paragraph 25.2.

**1.28. Mandatory Collection of Fingerprints.** The 1997 Under Secretary of Defense (USD) Capture Fingerprint Policy Memorandum made it mandatory to capture electronically and store in DEERS, fingerprints of all eligible individuals in a pay or annuity status. This includes Active and Reserve military personnel, retirees, survivors receiving annuity payments derived from the Service of a deceased person, and civilian employees with ID cards issued through RAPIDS. Individuals who refuse to have their fingerprint captured and stored are denied an ID card issued to them. **Note:** See paragraph 11.14 for additional information when processing a mail-in request.

1.28.1. RAPIDS Skip Verification of Fingerprint. Skip verification of the Primary and Secondary fingerprint may be necessary if the RAPIDS VO cannot successfully match an individual's fingerprint or when the beneficiary is not present. The Site Security Manager (SSM) can perform the skip fingerprint verification when a person's identity can be verified through another means or is already positively identified. See Chapter 10, paragraph 10.5.1.

**1.29. Name Change Based on Marriage Certificate.** Marriage certificate is sufficient to legally change a spouse name in order to obtain a Federal passport or State driver's license, and is an acceptable document for changing the name in DEERS. **Exception:** Military members who are married to a military member, referred to as Joint Service Marriage (JSM), the member's military personnel record needs to be updated by the respective Service's personnel data system to DEERS. Once the name change occurs in DEERS, then, RAPIDS reflects this information. See paragraph 1.5.2.1, Table 1.23, and Table A2.1.

**Table 1.23. Name Change Based on Marriage Certificate.**

ITEM	CONDITION
1	<p>Identity Vetting – Dependent spouse is required to provide two forms of ID according to FIPS 201-2 (formerly I-9), at <a href="http://www.cac.mil">www.cac.mil</a>, Department of Defense List Of Acceptable Identity Documents.</p> <p>IDs should vet the individual's identity under either the maiden name or married name as indicated on the marriage certificate.</p>
2	<p>If ID is vetted under the maiden name, marriage certificate provides:</p> <p>Progression from maiden name to married name, and            Documentation necessary to change name in DEERS, then,            Issue ID card to spouse.</p>

<b>3</b>	<p>RAPIDS defaults to enroll the dependent spouse under sponsor's last name, however, the spouse has the following options:</p> <p>Take the sponsor's last name, or  Retain maiden name, or  Take a hyphenated name.</p> <p><b>Note:</b> For initial or subsequent DEERS enrollment, the marriage certificate is the only documentation needed to support the option chosen by the spouse. For all other name change requests, refer to the Uniformed Services Records Office of Primary Responsibility (OPR) for further guidance.</p>
----------	---

**1.30. Roles and Responsibilities.** Uniformed Services DEERS Project Offices and RAPIDS issuing sites roles will implement DEERS enrollment and eligibility policy guidance and procedures relating to ID card eligibility and issuance, including benefit entitlement eligibility impacting DEERS populations.

1.30.1. Uniformed Services DEERS Project Offices responsibilities include implementing guidance and procedures to support RAPIDS issuing site tasks. Refer to paragraph 1.5, VO Responsibilities and Chapter 10 RAPIDS and DEERS Procedures.

**2.2. Where to Verify and Issue ID Cards.** Active, Guard, or Reserve ID card issuing activities are the primary verifiers and producers of ID cards. These sites are selected based on a transaction analysis conducted by the DMDC Personnel Identity Protection Solutions (formerly Access Card Office [ACO]) and recommendations of the Uniformed Service DEERS Project Officers.

2.2.1. All paragraph numbers must end with a period. Other activities may send waiver requests for ID card-issuing equipment to their Uniformed Services Personnel project office (active, Guard or Reserve, as appropriate) when unique circumstances exist (paragraph 25.1). For example, request equipment for an issuing activity located in an area with a large retirement population and no Uniformed Services ID card issuing activity is located within a reasonable distance; or, for units with large numbers of assigned personnel.

2.2.1.1. The Defense Manpower Data Center/Real Time Automated Personnel Identification System Program Office (DMDC/RAPIDS) is the final approval authority.

**2.3. What the Verifying Official (VO) Does.** Verifies a person's identity and eligibility, and scans identity and eligibility documents into RAPIDS for DEERS. VO establishes basic entitlements according to this instruction (also see paragraph 10.1), then, takes actions reflected in Table 2.2 when verifying eligibility for ID Cards:

**Table 2.2. Actions Taken by DEERS/RAPIDS Verifying Official.**

STEP	ACTION
1	Review supporting documents listed in paragraph 2.4 and Attachment 5, or query the DEERS database via RAPIDS if person is properly enrolled; or
2	Contact DMDC to retrieve a previously scanned DD Form 1172-2 (formerly DD Form 1172) if available, for enrollment verification. See paragraph 25.2.
3	Accept properly verified faxed or a RAPIDS scanned DD Form 1172-2 (formerly DD Form 1172), or scanned DD1172-2 via an encrypted or password protected E-mail from a DEERS/RAPIDS VO. If administrative action is not coordinated before receipt of DD Form 1172-2, and there are questions concerning the verification, or information listed on block 21 remarks section, contact the sending VO.
4	Contact VO to confirm eligibility if dependent brings in faxed DD Form 1172-2 (formerly DD Form 1172).
5	Use Attachment 2 to determine the benefits and privileges authorized.
6	Refer to Attachment 4 for information on how the effective and termination dates for Medical Civilian (MC) care (TRICARE) are established.
7	Manually prepared DD Form 1172-2 is completed according to Attachment 3.
8	Update the information on the DD Form 1172-2 (formerly DD Form 1172) by the RAPIDS or DEERS on-line systems.
9	Ensure appropriate remarks are included in block 21 (formerly block 89), reflecting the method of verification was accomplished, and the reason for the initial or new ID card. Refer to Attachment 3, paragraph A3.5.
10	Ensure a copy of the Privacy Act statement is prominently displayed and have applicant read before signing the DD Form 1172-2 (formerly DD Form 1172).
11	Give the original copy to the applicant and use additional copies as necessary for dependency determinations, etc.).
12	Advise the applicant that the DD Form 1172-2 (formerly DD Form 1172) are valid for only 90 days after the VO signs. Applications held longer are void.
13	Forward one copy of the DD Form 1172-2 (formerly DD Form 1172) to the parent Service when renewing ID cards for permanently incapacitated children and former spouses of Navy, Marine Corps, NOAA, and USPHS members. See paragraph 25.1 for addresses.

2.3.1. The RAPIDS application determines benefits, privileges, and Medical Civilian (MC) effective dates for TRICARE eligibility according to the DEERS database. This system automates entitlement policy specified in public law and implementing publications. Refer to Chapter 10.

2.3.2. ID card sites verify and issue ID cards following the guidance contained in this instruction and transmit DD Forms 1172 according to paragraph 1.13.

**2.4. Documentation Required.** Refer to Attachment 5 to determine the basic identity and eligibility documentation required. The VO does not need basic individual's eligibility documentation when the DEERS database can verify if the individual otherwise qualifies. However, the individual's identity is verified according to FIPS 201-2 (formerly I-9), at

[www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents. If the applicant is replacing a lost or stolen ID card and has no photo ID, his or her identity can be confirmed by the fingerprint or photo stored in DEERS. **Note:** RAPIDS biometric SSM verification over-ride function may be used for lost or stolen ID as proof of identity if a previous photograph is available in DEERS. Refer FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents for identity proofing DEERS enrollment, eligibility, and ID card issuance purposes. **(T-0)**. (See paragraphs 1.5.4, 2.4, Table 2.4, paragraph 8.2, Table 8.2 and Attachment 5, Note 8 in this instruction and AFI 36-3026, Volume 2, Attachment 10). A letter of counseling is also an acceptable document for RAPIDS scanning when a lost occurrence is reported. **Example:** Not all inclusive, when a military member loses his or her CAC in a training environment.

2.4.1. Marriage certificates, divorce decrees, and birth certificates are certified originals, court-certified copies, or certified photocopies that reflect the file or case number. VOs may request additional documents if validity of documents provided is in question. (Reference Attachment 5, Note 7)

2.4.1.1. View a Social Security card, letter from the SSA, or other official government document that specifically states the number is a SSN when entering family member's SSNs in the DEERS and RAPIDS application. Truncated SSN is not acceptable for verification or for RAPIDS data entry to create, update, or change an individual's record in the DEERS database. A complete nine-digit number (divided into three parts, separated with a hyphen) from SSA is required for DEERS purposes.

2.4.1.2. A valid general or special power of attorney is acceptable when sponsor is not present to sign for a family member's DEERS enrollment, ID card application, or ID card issuance. Contact your local legal office to determine validity of document if needed (see Attachment 3, A3.5.2.).

2.4.2. Special documentation required for common law marriages. Common law marriages are only accepted if the couple is from a state that recognizes common law marriages. Follow the instructions below to determine eligibility for common law marriages:

2.4.2.1. Common law marriages require the sponsor or spouse to prove to the satisfaction of the local legal authority that the relationship is valid (e.g., tax returns, bank statements, statements from disinterested parties attesting the couple was holding themselves out as husband and wife). **Note:** Navy and Marine Corps members must send documentation to establish a common law marriage, an Indian Tribal marriage or a marriage that is contracted subsequent to a foreign divorce to the following offices as appropriate: Navy: NPC PERS 24; Marine Corps: HQMC (MFP-1 or MMSR-6, see paragraph 25.1). A copy of the original complaint should be provided in all cases involving a final decree of annulment.

2.4.2.2. Common law marriage. In each case where the eligibility of a spouse is established on the validity of common law marriage, a review by the local legal office is required to determine legal sufficiency. The legal office can attest to the apparent legality of state court documentation, including common law affidavit, establishing the validity of a common law marriage. Common law marriages ending in divorce see Chapter 3. **Exception:** See paragraph 2.4.2.1 for Navy and Marine Corps members.

2.4.3. Passports. Do not accept a passport by itself when a person is applying for enrollment in DEERS; however, when used in conjunction with another form of ID, a passport may be

used as acceptable photo ID. **Exception:** Passports may be accepted for dependents of foreign military personnel, because such dependents need legal document in order to accompany the member to the United States. **Note:** RAPIDS biometric SSM verification over-ride function may be used as proof of identity if a previous photograph is available in DEERS.

2.4.4. Foreign Documents. The following provides instructions concerning foreign documents. English translations must accompany all foreign documents. Translation is accomplished by a neutral third party, avoiding conflict of person's self-interest, professional interest, or public trust. Sponsors or family members are prohibited from translating their own documents. For verifying foreign document authentications, refer to Attachment 5, Notes 7.1 and 7.1.1.

2.4.4.1. Foreign divorce decrees. In each case where the eligibility of a spouse or family member is based on the validity of a foreign divorce, and submitted for ID card termination in DEERS, a review by the local legal office is required for legal sufficiency. **Exception:** See paragraph 2.4.2.1 for Navy and Marine Corps members and Table 2.3 for Coast Guard members.

2.4.4.1.1. Do not accept a foreign divorce decree for such purposes until the legal staffs verify the document's validity.

2.4.4.1.2. If the validity of a foreign divorce decree is of doubtful, a U.S. court must declare the divorce valid before the sponsor uses the decree to begin or end ID card entitlements. Foreign divorce decrees are reviewed by local legal offices, if legal services are available.

2.4.4.1.3. Service installation legal authorities coordinate all foreign divorce decrees with the offices reflected in Table 2.3:

2.5.1. Do not issue temporary ID cards to individuals whose eligibility for privileges is based on TDY except as reflected in paragraph 1.11.

**Table 2.4. Procedures for Issuing Temporary DD Forms 2765, 1173, 1173-1.**

**2.6. Indefinite ID Card For Permanently Disabled Family Member.** Public Law 109-364 with the FY 2007 Defense Authorization Act (NDAA) authorize the Uniformed Services to issue ID cards without an established expiration date to those family members who are permanently disabled. The financial dependency determination at a minimum is renewed every 4-years. In the case of deceased sponsors, the approved financial dependency determination currently in effect or accomplished at the time of the member's death, may be used for subsequent renewals. **Note:** Family members who no longer qualify as a dependent under Title 10, Chapter 55, Section 1072 based on relationship changes, e.g., spouse divorce or remarriage, children, step-children, legal custody ward with a disapproved dependency determinations for incapacitation, or becoming a sponsor no longer qualify in retaining a permanent ID card. The card is returned to the nearest uniformed Services RAPIDS facility.

2.6.1. Permanently incapacitated spouses retired service members only are eligible for an indefinite Uniformed Services Identification and Privilege card (DD Form 1173) at any age as long as they are Medicare eligible due to disability or end-stage renal disease and reported by the Centers for Medicare and Medicaid to DMDC for DEERS update. **Note:** Further assistance in verifying family member enrollment status in DEERS, contact the DMDC Beneficiary Helpdesk at 1-800-538-9552 when a family member or end-stage renal disease information is not reflective in RAPIDS.

**2.7. New ID Card Expiration Dates for Retired Military Members and Their Spouses.** In late 2012, DoD changed the issuance policy and relating RAPIDS software to adjust how the expiration date is reflected on a military retiree and spouse ID cards (for more information, see Tables 12.1, 13.1, 14.1 and 15.1).

2.7.1. ID cards for spouses of retired Uniformed Service members are issued with an expiration date 5 years from the date of issuance when the cardholder turns 65 years old. ID cards for spouses of retired Uniformed Service members are issued with an indefinite expiration date when the cardholder turns 75 years. Eligible unremarried spouses, unremarried former spouses, surviving spouses are also eligible for the 5-year and indefinite ID card.

**2.8. Personnel Data Reporting to DEERS.** Personnel data reporting to the DEERS database includes automated data extracted from various uniformed Services reporting systems. Additional data reporting also includes the uniformed Services medical and finance systems, and other DoD and Federal agency reporting's. Depending on the population category, military personnel records for enlisted and officer, data submission to the Defense Manpower Data Center (DMDC) includes corrections and changes to members' enrollment in DEERS according to DoDI 1336.05, "Automated Extract of Active Duty Military Personnel Records," and DoDI 7730.54, "Reserve Component Common Personnel Data System (RCCPDS)."

2.8.1. Common personnel data corrections and changes include and not limited to: (1) Name, (2) Social Security Number (SSN), (3) Date of Birth (DOB), (4) Citizenship, and (5) Gender (Sex). **Note:** Uniformed Services transgender personnel data reporting is accomplished according to DoDI 1300.28, "In-Service Transition for Transgender Service Members for Active Duty, National Guard, and Reserve Components. Retired uniformed Services members and dependent family members

gender change requests, refer to Chapter 25, Uniformed Services DEERS/RAPIDS Project Offices for further assistance.

2.8.2. Reporting manner of death. Reporting manner of death for a DEERS beneficiary is through the RAPIDS application and scanning the document to the DEERS database.

## Chapter 3

### UNIFORMED SERVICES DOD BENEFICIAIRES (FORMER SPOUSES)

**3.1. General Information.** When a divorce occurs, the parent Uniformed Service will accomplish the initial eligibility verification for the DoD Beneficiary (ex-spouse) should they apply for a determination. A determination of eligibility for former spouse ID card benefits and privileges is not automatic, however, the request for a determination of eligibility may originate from the member (sponsor) or a divorced spouse. **(T-2).** Refer to Table 1.3, Categories of Personnel Who Can Not Be Cross-Serviced and paragraph 3.11 for Army National Guard members and spouses who are divorced. The Uniformed Services Former Spouses Protection Act (USFSPA) provides ID card benefits and privileges to several categories of DoD Beneficiaries (DBs), referred to as unremarried former spouses (see Attachment 1, Terms). **Note:** Chapter 3 information does apply to Same-Sex Marriage Spouses. When a divorced spouse does not qualify for former spouse benefits, see paragraph 3.10 for non-qualifying DB. This chapter also defines the categories of DBs and provides eligibility criteria and verification procedures for ID cards. The chapter also includes eligibility criteria for DBs who qualify for ID card benefits and privileges as abused dependents. Also see Chapter 5, Abused Dependents. When the member and his or her spouse are living apart because of a legal separation or interlocutory decree of divorce, set the ID card expiration date at 1 year from the date of issue or the date on which the divorce becomes final. Refer to Chapter 15, paragraph 15.1.4, and Chapter 16, paragraph 16.1.4.

3.1.1. Effective 1 October 2003, eligible Uniformed Service Former Spouses are enrolled in DEERS in the category designator of DoD Beneficiary (DB); and issued a DD Form 2765, *Department of Defense/Uniformed Services Identification and Privilege Card*. **Note:** A DB cannot convey, qualify, or extend eligibility of benefits or privileges for the purposes of DEERS sponsorship to family members, e.g. grandchildren or legal custody ward, etc., refer to Chapter 4, paragraph 4.1.5. The former spouse initial eligibility to DEERS benefits and privileges are originally based on their former marital relationship to the military member.

3.1.2. A DB (unremarried former spouse) of a member who retired under the Early Retirement Program with less than 20 years' service which is creditable in determining eligibility to retired pay is not entitled to an ID card. (See Attachment 1, Terms.)

3.1.3. A DB (unremarried former spouse) of a member who was placed on the disability retired list with less than 20 years which is creditable in determining eligibility to retired pay is not entitled to an ID card.

3.1.4. Common law spouse. See paragraph 2.4.2.2 for establishing common law eligibility in the event of divorce or dissolution of marriage. See Terms, *Spouse, Lawful and Common Law*.

3.1.5. TRICARE Reserve Select (TRS) and TRICARE Reserve Retired (TRR) programs are not available to spouses who divorce. Qualifying DBs (former spouses) are eligible for enrollment in TRICARE upon meeting DEERS eligibility. See paragraph 3.2 for basic eligibility criteria.

**3.2. Basic Eligibility Criteria for DoD Beneficiaries (Unremarried Former Spouses).** On the date of divorce, dissolution or annulment, the unremarried former spouse meets the eligibility criteria reflected in Table 3.1 in order to qualify for a ID card under the Uniformed Services Former Spouses Protection Act.

**Table 3.1. Basic Eligibility Criteria For DoD Beneficiaries (Unremarried Former Spouses).**

<b>BASIC ELIGIBILITY CRITERIA FOR UNREMARIED FORMER SPOUSES</b>		
<b>Years of Marriage</b>	<b>Years of Member's Creditable Service in Determining Eligibility to Retired Pay</b>	<b>Years of Overlap of Marriage and Member's Creditable Service</b>
At least 20 years	The military member has performed 20 years of creditable service in determining eligibility to retired pay.	At least 15 years, up to 20 years of the marriage has been during the period the member performed service creditable in determining eligibility to retired pay.
<b>Exception:</b> Abused Retirement Eligible "10-20-10" and Abused Transitional Compensation (See paragraphs 3.3.4 and 3.3.5 and Chapter 5 for abused former spouses).	The military member has performed 20 years of creditable service in determining eligibility to retired pay.	The amount of overlap determines the benefits and privileges the former spouse is entitled to receive. See Attachments 2 and 6 for "20/20/15" and "20/20/20" eligibility criteria to qualify.
<b>Notes:</b>		
<p>The date of divorce determines the expiration date for those former spouses with a 15-year overlap of marriage and sponsor's creditable service, but not 20 years (see Tables 3.3 and 3.4 for "20/20/15").</p> <p>The DB (former spouse) must not have remarried.</p> <p>The DB (former spouse) is not eligible for MC (Medical Service (MS) or TRICARE [MC]) if he or she is enrolled in an employer-sponsored health plan; however, RAPIDS reflects shopping privileges, if qualifying as a 20/20/20. If the former spouse disenrolls from the employer-sponsored health plan, medical benefits can be restored in DEERS, effective the date of disenrollment.</p> <p>The DB (former spouse) is not eligible for TRICARE when eligible for Medicare, Part A, unless he or she is a dependent of an AD member or is under age 65, entitled to Medicare Part A as a result of a disability or end-stage renal (kidney) disease and is enrolled in Medicare, Part B (see Chapter 7).</p> <p>A former spouse whose marriage resulted in a divorce, and subsequently remarries the same uniformed member, and then divorces (same uniformed member), the separate time periods of</p>		

marriages are combined. In this instance, the total time of marriage is used for determining eligibility to former spouse benefits. Refer to Attachment 1, Terms, *Unremarried*.

3.2.1. Active Components use AD service to compute sponsor's creditable service for retired pay. This includes an active service performed after retirement while still married.

3.2.1.1. Reserve Components use satisfactory service to compute creditable service for eligibility of former spouses of their members. This includes active service performed (activation recall from retirement), during in an inactive reserve or reserve retired status while still married. Refer to paragraph 16.1.1 for dependents of Stand-by Reserve members, dependents of Reserve retirees who are entitled to retired pay at age 60, but who have not yet attained age 60 (Table 1.9) and dependents of former members when the former member is eligible for retired pay at age 60 but not yet age 60. **Note:** Qualifying former spouses of a National Guard and Reserve member are eligible to receive the DD Form 2765 (formerly, DD Form 1173-1) ID card with the following eligibility of shopping privileges to the commissary, exchange, and MWR (and no medical) prior to the service member or former member attains age 60. When the service member or former member reaches age 60, then, the former spouse becomes eligible for medical benefits with the MTF and TRICARE, qualifying for the DD Form 2765. See paragraph 3.2.1.3 for members who are recalled to AD for 31 days or more.

3.2.1.2. Qualifying former spouses of Reserve Components members meeting the requirements as of the date of divorce are eligible for a DD Form 1173 on the date the member becomes entitled to retired pay at age 60. If the member dies prior to age 60, use the date the member would have turned age 60 to determine the eligibility date.

3.2.1.3. When Guard or Reserve members awaiting retired pay at age 60 are recalled to AD for 31 days or more, qualifying former spouses may be eligible for ID card entitlements during the sponsor's active service as a sponsor in their own right in the category designator of DoD Beneficiary (DB) (see paragraph 3.1.1). Contact the appropriate Guard or Reserve project office for further guidance (paragraph 25.1). **Exception:** For Marine Corps, contact the HQMC (MMSR-6) (paragraph 22.7).

**3.3. Categories, Eligibility Criteria, Benefits, Privileges and Expiration Dates for DoD Beneficiaries (Unremarried Former Spouses [URFS]).** Although Table 3.1 refers to basic eligibility criteria for unremarried former spouses, the following tables provide the different categories of former spouses, eligibility requirements, benefits and privileges and expiration dates for unremarried former spouse ID cards (see Attachment 1, Terms).

<b>3</b>	Annotate in block 21 on the DD Form 1172-2 (formerly DD Form 1172, block 89) that the former spouse has not remarried since the divorce from the member and does not have medical coverage under an employer-sponsored health plan. Have the former spouse initial this statement.
<b>4</b>	Have the former spouse sign block 90 on the DD Form 1172-2 (formerly DD Form 1172).
<b>5</b>	Scan the DD Form 1172-2 (formerly DD Form 1172) into RAPIDS.

### **3.6. Renewal Procedures for DB (Unremarried Former Spouses) if Enrolled in DEERS.**

Cross-servicing is authorized for renewal of (DB) former spouse ID cards if correctly enrolled in DEERS with date of divorce. **Exception:** Navy former spouses require a letter of approval from the Navy Personnel Command. If the applicant does not have a letter, contact PERS 24 (paragraph 25.1.2). Marine Corps former spouses require a letter of approval from Headquarters, U.S. Marine Corps (MMSR-6), 3280 Russell Road, Quantico, VA 22134-5103. If the applicant does not have a letter, contact HQMC (MMSR-6) (paragraph 25.1.4). Air Force DB) former spouses are verified by contacting the Total Force Service Centers (San Antonio and Denver) at 1-800-525-0102. See paragraph 21.17 for Air Force Former Spouse Determination Program.

**3.7. Renewal Procedures for DB (Unremarried Former Spouses) Whose Date Of Divorce Is Not in DEERS.** Take the steps reflected in Table 3.9 when renewing an ID card for a (DB) former spouse whose date of divorce is not in DEERS. **Exception:** Navy (DB) former spouses are verified by contacting PERS 24 (paragraph 25.1); Marine Corps (DB) former spouses date of divorce can be confirmed by calling HQMC MMRS-6, at (703) 784-9310; Air Force (DB) former spouses are verified by contacting the Total Force Service Centers (San Antonio and Denver) at 1-800-525-0102.

**3.8. Documents Required for Verification:**

3.8.1. Certified copy of a marriage certificate. A separate marriage license cannot be used but in conjunction with the marriage certificate. (See Attachment 5, **Note 7** for definition of certified copy).

3.8.2. Certified copy of a divorce decree.

3.8.3. A statement of service or a complete set of DD Forms 214.

3.8.4. A statement from former spouse has not remarried or have employer health insurance.

3.8.4.1. Uniformed Services issuing facilities follow initial former spouse verification procedures as listed in service specific Chapters 19-23.

**3.9. (DB) Unmarried Former Spouse (UMFS).** A (DB) former spouse who qualified under the 20/20/20 provision listed above, who remarries, and becomes unmarried through death or divorce of the subsequent spouse, is eligible for reinstatement of commissary, exchange, and MWR privileges only. MC reinstatement is not authorized for a (DB) unmarried former spouse. (See attachment 2, A2.4.)

**3.10. Non-Qualifying DB.** When a spouse does not qualify under the former spouse categories of 20/20/20, 20/20/15, or 10/20/10 (for abused dependent according to Chapter 5), he / she may be eligible for limited transitional healthcare through the Continue Healthcare Benefit Program (CHCBP) by contacting the TRICARE management support contracting office at 1-800-444-5445 or website <http://www.tricare.mil/mybenefit/>.

**Note:** No ID card is issued to those who qualify for CHCBP, however, DEERS reflects the termination of marriage based on divorce. Once the divorce is reported to DEERS, a Certificate of Credible Coverage (CoCC) letter is issued from the DMDC at 1-800-538-9552.

3.10.1. A court order directing the military member/sponsor to provide MC to a non-qualifying DB based on divorce is a civil matter between the spouses. DoD / uniformed Services do not have the authority to extend DEERS eligibility for TRICARE or MTF MC and is the responsibility of the military member/sponsor in providing such care.

**3.11. Army National Guard (ARNG) Former Spouse Program.** ARNG RAPIDS sites will forward all URFS cases to the Army National Guard DEERS/RAPIDS Project Office for determination of eligibility by sending a fax at (703) 607-8448 or E-mail [ng.ncr.arng.mbx.deers-rapids@mail.mil](mailto:ng.ncr.arng.mbx.deers-rapids@mail.mil), or telephone 1-866-810-9183, option 4. (**T-2**). The following documentation to qualify is:

3.11.1. Final divorce decree (includes a judge's signature and date of divorce).

3.11.2. Marriage certificate (original or state certified copy).

3.11.3. RPAM Statement (NGB Form 23).

3.11.4. 2 forms of ID (one with a photo), refer to FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents.

3.11.5. Death certification of sponsor (if applicable).

3.11.6. Copy of the applicant's social security card.

3.11.7. Notarized statement signed by the applicant stating whether or not they are covered under any employer sponsored health insurance regardless of who pays the premiums.

3.11.8. Signed DD Form 1172-2 or notarized statement from the DoD Beneficiary stating they have not remarried since the divorce of the sponsor upon whom privileges are based.

## Chapter 4

### ID CARDS FOR CHILDREN

**4.1. General Information.** The DEERS program recognizes an unmarried child, including a step-child, legal custody ward, and adopted child of a sponsor, entitled to medical care (MC) by law until age 21, unless, they marry or join the active service in the military. They are also entitled to commissary, exchange, and MWR privileges if the sponsor provides over 50 percent support and provides a household, or maintain a household for a child, including a foster child. The sponsor declares his or her dependent family member eligibility and enrollment by signing the DD Form 1172-2. Specific sponsor responsibilities refer to Chapter 8 and Attachment 2 for further details on entitlements. The sponsor is a DoD/uniformed services military, federal civilian, contractor, or military affiliate (non-U.S citizen). The DEERS eligibility is based on the sponsor's affiliation to DoD/uniformed Services; to include qualifying dependent family members. Dependent family members and their DEERS eligibility are based upon their relationship to the sponsor. In this instance, the sponsor qualifies his or her dependent child for DEERS eligibility according to this instruction, leading to medical benefits, shopping privileges, and ID card issuance. Children ID cards are issued at age 10. See paragraph 4.4 for ID card issuance under age 10, paragraph 4.20 and Table 4.15 concerning step-children eligibility. **Exception:** Effective January 1, 2011, TRICARE Young Adult (TYA) Program authorizes MC only (no shopping privileges), up to age 26. The ID card is valid for the duration of the TYA period or 4 years from the date the VO verified the record in RAPIDS, whichever comes first. For eligibility and enrollment details, visit the local TRICARE Service Center (TSC), <http://www.tricare.mil> or TRICARE regional contractors - North 1-877-874-2273, South 1-800-444-5445, West 1-888-874-9378, Eurasi-Africa +44-20-8762-8384, Latin America & Canada +1-215-942-8393, or Pacific +61-2-9273-2710.

4.1.1. Children born during the course of marriage. Uniformed Service members' children are entitled to MC as a matter established by law, including DEERS enrollment, and issuance of an ID card. Qualifying children are enrolled in DEERS if otherwise meeting eligibility requirements according to paragraph 4.1, (refer to Chapter 8 on sponsor responsibilities, unwilling and unable to verify dependent family member DEERS enrollment and eligibility). Eligibility for DEERS is determined in 10 U.S.C. 1072, DoDI 1000.13, DoDM 1000.13, Volumes 1, 2 and 3, including this instruction. If the child's DEERS eligibility status is in question of legitimacy and under the age 21, then eligibility is verified by the birth certificate according paragraph 4.1.1. **Note:** Paternity tests alone for children born out of wedlock (parents not married) are not recognized for a child's DEERS eligibility and enrollment, unless, accompanied by court order, identifying paternity to the member/sponsor (see paragraph 4.9). When a child is born during the marriage, and the legitimacy remains in question, the member (sponsor) may (1) pursue a legal paternity determination through an execution of court order, or (2) termination of marriage; e.g., divorce in court, stating no child was born during the course of marriage, or (3) the court order decrees termination of the sponsor's parental rights (refer to Attachment 5 for eligibility and required documentation, and paragraphs 4.1.3 and 4.1.6). These court order related actions terminate the parent/child relationship, ending a child DEERS eligibility and discontinues the DEERS enrollment (refer to Chapter 8 in notifying affected parties).

4.1.2. When a child continues to meet the qualifications as a sponsor's dependent family member and is in a military Reserve Component not on AD for 31 days or more, they remain eligible for an ID card as a dependent. Refer to Tables 13.1 and 15.1 (DD Form 1173, DD Form 2 Reserve, or CAC). Children who join the uniformed Service and subsequently are separated from the Service, and are under age 21, or under age 23 and attending an institution of higher learning as a full-time student, remain eligible for an ID card as a dependent. Refer to paragraphs 4.1, 4.5, Chapter 8, Tables 8.1 and 8.2 in establishing eligibility and DEERS enrollment. When a child marries and divorces or obtains a legal annulment and under age 21, or under age 23 and attending an institution of higher learning as a full-time student, remains eligible for DEERS reinstatement and ID card issuance, including eligibility to the TRICARE Young Adult (TYA) program, if otherwise meeting qualifications to the program. See paragraph 4.1, **Exception** for further information and Term, Institution of Higher Learning.

4.1.3. Adoption or Emancipation of children under age 21. If a child is adopted and the relationship is severed to the sponsor, the child's eligibility to DEERS is terminated. In general, emancipation (child turning age 18) has no effect on children's continued DEERS eligibility; or to an ID card reflecting medical benefits as established by 10 U.S.C. 1072, including shopping privileges, if meeting certain qualifying conditions within this instruction. However, should an order or appropriate document from a court of competent jurisdiction in the U.S. (or U.S. Territories or Possessions), affirm either the voluntary relinquishment or involuntary termination of parental rights and placing the child into custody of another guardian, or emancipating the child, the child's eligibility to DEERS is terminated, including eligibility to an ID card. (See Attachment 1, Terms for Adopted Child or Emancipation, and Attachment 2 for entitlements). Also see paragraph 4.1.6 for Termination of DEERS Enrollment and Eligibility when a court-order is provided, and the sponsor relinquishes their parental rights.

4.1.4. Children who become eligible for other health insurance (OHI) under provisions of the State and Federal program termed "Medicaid" remain eligible and enrolled in DEERS with eligibility to TRICARE benefits. In this instance, coordination of Medicaid health insurance and TRICARE benefits is considered for children. Also see paragraph 4.1.6 for Termination of DEERS Enrollment and Eligibility when a court-order is provided, and the sponsor relinquishes their parental rights. DMDC has a Federal Case Registry (FCR) used for matching all state child support agencies (Department of Health and Human Services) that have access to DEERS, confirming medical eligibility. This confirmation process is based on the National Medical Support Notice (NMSN) to DMDC in support of 45 CFR 303.32(a) for enforcement of health care coverage. Questions concerning the NMSN and Qualified Medical Child Support Order (QMCSO) refer to a beneficiary counselor at a MTF and for coordination of TRICARE benefits and Medicaid health insurance.

4.1.5. Children who have no relationship to the sponsor at the time of the sponsor's death, who later become adopted or a legal custody ward of the widow or widower (who are considered DoD Beneficiaries), cannot qualify a child for DEERS enrollment or for the purposes of receiving ID card benefits and privileges, including eligibility to the TRICARE Young Adult (TYA) program. **Exception:** DEERS eligibility for a child can only be established if it can be proven by a court order or to the satisfaction by the Staff Judge

Advocate (SJA) the deceased sponsor supported the adoption or legal custody ward process prior to his or her death.

4.1.6. Termination of DEERS Enrollment and Eligibility. Unmarried children are entitled to receive MC up to age 21. See paragraph 4.1. **Exception:** When a court-order is provided, reflecting parental rights are voluntary terminated, the child's DEERS enrollment ceases, including eligibility to benefits and privileges along with the ID card being terminated in DEERS. If a court order is provided and reflects involuntary parental rights termination, the local legal office is contacted for determination of terminating a child's DEERS enrollment and eligibility to benefits and privileges, including the termination of the ID card. Local legal office may refer the case of DEERS termination to their respective command headquarters for further legal review. When the parent Service's legal community is unable to make a determination for terminating a child's DEERS eligibility, then, the legal review is sent to the Defense Human Resource Activity, General Counsel for final a determination.

4.1.7. Death of child (stillborn). Enroll child in DEERS for the purposes of establishing survivorship entitlements.

**4.2. Dual Entitlement for Children.** A child (including adopted, surviving child, or step-child) of a military member who is also an eligible family member of another military member may be issued an ID card with either member as a sponsor. **Exception:** Wards cannot be an eligible dependent of any other member or a former member within the DEERS program. (Refer to Term, Ward). A child may not possess more than one ID card (DD Forms 1173 or 1173-1). A child may be enrolled in DEERS under more than one sponsor but may not actively receive dual benefits from more than one sponsor at the same time regardless if an ID card is issued. **Note:** This allows all family members to be enrolled under a single sponsorship for medical eligibility, accessibility, and a single TRICARE deductible purpose. Military and civilian members involved are to decide which one sponsors the child for DEERS enrollment, and if appropriate, ID card issuance.

4.2.1. If the members are unwilling or unable to agree on the child's sponsorship in DEERS, take the action reflected in Table 4.1:

**Table 4.1. Action Required When Military Members Can't Agree Who is going to Sponsor the Child In DEERS.**

IF THE MEMBER	THEN
Is married to a military member, Joint Service Marriage (JSM), or in a same-sex marriage, and is deployed or not available.	Do not enroll, update, or make changes to the child's DEERS record without the consent of the military spouse or same-sex marriage spouse. <b>Note:</b> The consent or presentation of Power of Attorney (POA) is documented on the DD Form 1172-2, block 21, remarks.
Has a court order identifying him or her as being responsible for providing MC for the child.	Enroll child under such member.

<p>Has no court order for MC, but a court has awarded primary physical custody to the member or to the former spouse or same-sex marriage spouse who marries another military member.</p>	<p>Enroll the child where the child resides.</p>
<p>If none of the above conditions have occurred.</p>	<p>Inform members no change in sponsorship can occur until there is a court order, designating the primary member for sponsorship, or the two sponsors can agree to the transfer of DEERS sponsorship (in the best interests of the child for receiving benefits).</p>
<p>Is unable or unwilling, or No Contact Order or Restraining Order is issued by a court.</p>	<p>Refer to Chapter 8 and paragraph 8.3, or Consult with local installation legal services or contact respective Services DEERS Project Office as listed in Chapter 25.</p>

4.2.2. Authorize all benefits and privileges and annotate the DD Form 1172-2 (formerly DD Form 1172), block 21, explaining child’s dual enrollment and sponsorship in DEERS.

4.2.3. Notify the sponsors involved when moving the family member from one sponsor’s DEERS record to another involving the transfer of benefits and privileges, including ID card issuance. See Chapter 8 and Table 8.2.

**4.3. Initial Enrollment of Newborns.** Enrollment should be accomplished as soon as practical and within 30 days of birth. Immediate enrollment should preclude delays in acquiring necessary medical appointments for the newborn. **Note:** A placeholder record is created by the Manage Care Support Contractor (MCSC) for newborn DEERS enrollment up to 60-days after a child’s birth. The 60-day period allows time for the sponsor to present a birth certificate and or SSN (if eligible) for the DEERS program. A visit by the sponsor with the appropriate document is always the encouraged method of enrollment. The sponsor should consider contacting their respective DoD/uniformed Services personnel office prior to the birth to acquire phone numbers and a mailing address to use in the event a timely visit becomes impractical. Presentation of source documents by the sponsor or requestor may be accomplished as stated in Table 4.2. **Exception:** Children born out of wedlock are processed according to enrollment instructions listed in paragraphs 4.9 and 4.10.

**4.4. ID Card Eligibility for Children Under Age 10.** Issue an ID card to a child under 10 years of age if one of the conditions reflected in Table 4.3 occurs. All eligible family members (except children under the age of 18) are required to provide two identity source document FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents during the DoD ID card issuance process. See Attachment 5 for basic documentation eligibility. **Note:** Children under the age of 18 applying for a dependent ID card are only required to provide documentation for the initial verification of eligibility or proof of relationship to the sponsor. Identity documentation requirements are derived from the I-9 and should not be confused with Title 10 benefits eligibility age limits.

4.4.1. Eligibility documentation listed in Attachment 5 is scanned into the DEERS database for all eligible family members, including children under age 10.

**Table 4.3. Conditions for Issue of ID Cards to Children Under Age 10.**

ITEM	CONDITION
1	<p>The child's temporary guardian lives away from the parent's or same-sex marriage spouse's duty station and uses a medical facility other than the one keeping the child's records; or the child resides temporarily away from the sponsor or same-sex marriage spouse or there is no eligible spouse.</p> <p>Authorize ID card benefits and privileges according to Attachment 2.</p>
2	The child is of a joint service couple (includes same-sex marriage spouses) or a single parent.
3	The child's physical appearance warrants issue (for example, appears older than 10).
4	The child does not reside in the household of an eligible adult family member.
5	The Personnel Chief or designated representative such as the RAPIDS Super Verifying Official/Site Security Manager (SVO/SSM) approves or disapproves requests based on unique circumstances. See Site Security Manager Term.

**4.5. Students Ages 21-23.** Table 4.4 defines the eligibility criteria for students over 21 but less than 23 and what documentation and procedures are required to verify eligibility:

**4.6. Incapacitated Children Over Age 21 (Initial Application).** Table 4.5 defines the eligibility criteria, required documentation for the initial application, and approved documentation required to issue ID cards to incapacitated children over age 21. This information applies for military dependent children only and does not apply to DoD civilian and contractor dependents or dependent children of a honorably discharged veterans rated 100-percent disabled by the Department of Veterans Affairs (DVA). Documentation provided from the civilian and contractor human resource or personnel offices, including the Department of Veteran Affairs, indicating verification of the child's incapacitation is provided to the member. **Note:** The incapacitation must have occurred prior to the child's 21<sup>st</sup> birthday. Also refer to paragraph 4.6.3 for redetermination of permanent incapacitation application.

4.6.1. The military sponsor's parent service must process initial and renewal dependency applications (when there is no previous dependency approval) for all incapacitated children as cross-servicing is not authorized (refer to Table 1.3 and paragraph 2.6). **(T-2).** The DD Form 137-5, Dependency Statement – Incapacitated Child Over Age 21, includes space for the second sponsor to be identified and considered for the purposes of dependency. When both sponsors are identified on this form, the child may be moved back and forth between the sponsors for the DEERS program. If the DD Form 137-5 does not include both sponsors, a new financial determination that considers either the second sponsor or both sponsors together needs to be submitted. Should an incapacitated child marry, and subsequently the marriage ends in divorce or death of the spouse, a new financial dependency determination is required to renew the child's DEERS eligibility. **Note:** See paragraph 2.6 indefinite ID card for permanently disabled family member and Chapters 19-23 for Service-specific dependency determination processing procedures to the appropriate personnel or finance agency for final approval or disapproval. The financial dependency determination at a minimum is renewed every 4-years. In the case of deceased sponsors, the approved financial dependency determination currently in effect or accomplished at the time of the member's death, may be used for subsequent renewals.

4.6.2. When issuing the ID card to an incapacitated child, the individual may sign the ID card or the RAPIDS VO may enter the letters "INCAP" when the individual cannot sign because of a mental or physical incapacity.

4.6.3. Incapacitation Redeterminations. DoD continues to make program changes to the existing incapacitation application process. Future changes incorporate new web supported applications, using the milConnect portal for processing determinations of eligibility with E-mail and U.S. postal service auto notifications to the sponsor, surviving family members, or appointed agent. Successful migration of future web applications supporting the

incapacitation dependency program requires coordination, collaboration among the uniformed Services RAPIDS facilities and DoD agencies. **Note:** Sponsors who have a current financial dependency determination recorded in their child's DEERS record, may qualify to complete their four-year redetermination requirement by answering three questions about their incapacitated dependent through: (1) milConnect, (2) visiting in person to the nearest uniformed Services ID card issuing facility, or (3) by mail. Should a child's DEERS record reflect no current approved financial dependency determination or DEERS is missing data to complete the redetermination online with milConnect or in person at a RAPIDS facility; then, the sponsor must submit a new application to the appropriate uniformed Service personnel or finance office for obtaining an approval. If the child's DEERS record is missing the incapacitation data, the three questions to satisfy the redetermination process will not appear in the milConnect portal or RAPIDS. Further information, contact the appropriate uniformed Services DEERS Project Office in Chapter 25.

4.6.4. Shopping Privileges for Incapacitated Child Over Age 21 or 23. DoD continues to improve existing programs. DoD has extended shopping privileges to children who are older than 21-23 if the incapacitation occurred after ages 21-23 and the child(ren) do not meet eligibility criteria within this instruction according to paragraphs 4.6 - 4.8. This includes the establishment of a child's eligibility when the relationship to the sponsor did not begin prior to the child reaching age 21 or 23. Shopping privileges such as access to the commissary, exchange, and Morale, Welfare, & Recreation (MWR) facilities are provided when the sponsor requests benefit eligibility for a permanently incapacitated dependent who does not meet the age requirements for Title 10 medical benefits as prescribed in this instruction and DoD Manual 1000.13, Volume 2. Access for shopping privileges is authorized based on the sponsor providing over 50 percent support to his/her child or at the time of the sponsor's death. Refer to AFI 36-3026, Chapter 25 for further assistance from the uniformed Services DEERS Project Offices.

**4.7. Renewal Processing Procedures for Children over Age 21 With a Permanent Incapacitation.** Cross-Servicing is not authorized. **Exception:** Refer to paragraphs 2.6 and 4.6.3. Follow the steps reflected in Table 4.6 when renewing an ID card for a permanently incapacitated child.

4.7.1. This information applies for military dependent children only and does not apply for DoD civilian and contractor dependents or dependent children of a honorably discharged veterans rated 100-percent disabled by the DVA. Documentation provided from the civilian and contractor human resource or personnel offices, including the Department of Veteran Affairs, indicating verification of the child’s incapacitation is provided to the member. **Note:** The incapacitation must have occurred prior to the child’s 21<sup>st</sup> birthday.

**Table 4.6. Renewal Processing Procedures for Children over Age 21 With a Permanent Incapacitation.**

STEP	ACTION
1	Advise applicant to present a current statement from the SSA certifying non-eligibility to Medicare, Part A (except AD dependents and dependents reflected in paragraph 7.1). <b>Note:</b> Renewal of the financial dependency determination application should occur no later than 90 days prior to current ID card expiration.
2	The medical sufficiency statement or physician's statement that originally established the permanent incapacitation (from the Uniformed Services Military Treatment Facility) may be used each time the ID card is reissued; however, a current financial dependency determination (over 50 percent support) is still required. <b>Note:</b> Temporary ID card issuance for 90 days is permitted for permanent incapacitated renewal applicants only (refer Chapter 2, Table 2.4); however, initial applicants are not allowed a temporary ID card for initial financial dependency determinations (see paragraph 4.8 and table 4.7). Have the applicant sign the card or enter "INCAP" when the individual cannot sign because of a mental or physical incapacity. <b>Exception:</b> If the card is lost or stolen, reissue ID card out to original expiration date.
3	<p>The financial dependency determination at a minimum is renewed every 4-years. In the case of deceased sponsors, the approved financial dependency determination currently in effect or accomplished at the time of the member's death, may be used for subsequent renewals. Refer to paragraph 4.6.3 for redetermination of permanent incapacitation application.</p> <p>The dependency determination letter from the offices listed below should include the statement that medical sufficiency was established:</p> <ol style="list-style-type: none"> <li>1. Army - DFAS-IN for Army dependents. See Table 19.9.</li> <li>2. Navy - A letter of approval from NPC PERS 24 for Navy dependents. See paragraph 20.4.</li> <li>3. Air Force - A current letter of approval from DFAS-IN. See Table 21.3 for initial and renewal processing procedures.</li> <li>4. Marine Corps - A current Dependency Determination Letter of approval from HQ MC (MFP-1 or MMSR-6, as appropriate), indicating the condition is permanent for Marine Corps dependents. See Table 22.1.</li> <li>5. Coast Guard - A letter of approval from the Coast Guard Pay and Personnel Center (PPC), (785) 339-3441. See paragraph 23.2.</li> <li>6. National Oceanic and Atmospheric Administration - A letter of approval issued by the Uniformed Service Personnel project office. See paragraph 25.1.</li> <li>7. United States Public Health Service - A letter of approval issued by the Uniformed Service Personnel project officer. See paragraph 25.1.</li> </ol>
4	Annotate the documents used to verify relationship to the sponsor in block 21 of the DD Form 1172-2 (formerly DD Form 1172) or annotate "DEERS VERIFIED".
5	Annotate date of current approved dependency determination letter or approval letter from the Bureau of Naval personnel for Navy dependents, and date of current letter

	from SSA.
<b>6</b>	The sponsor, surviving spouse or same-sex marriage spouse, or guardian certifies in block 21 that the child is unmarried, incapable of self-support, receiving over 50 percent support from the sponsor; if the sponsor is deceased, refer to the existing approved dependency determination and indicate on the DD Form 1172-2, block 21, "sponsor is deceased." If no previous approval of dependency, then, a final determination of over 50 percent support is required. Include in block 21 if the child is ineligible for Medicare Part A, or enrolled in Medicare Part A and B.
<b>7</b>	Complete DEERS verification and issue ID card. <b>Note:</b> RAPIDS biometric SSM verification over-ride function may be used for lost or stolen ID as proof of identity if a previous photograph is available in DEERS.
<b>8</b>	Forward a copy of the verified the DD Form 1172-2 (formerly DD Form 1172) to the parent Uniformed Service DEERS Project Office for dependents of Navy, Marine Corps, NOAA and USPHS sponsors, after the ID card has been issued (paragraph 25.1).

**4.8. Renewal Processing Procedures for Children over Age 21 With a Temporary Incapacitation.** Table 4.7 defines the eligibility criteria for renewal of ID cards to children over age 21 with a temporary incapacitation and what documentation is required to verify eligibility. Cross-servicing is not authorized. Also refer to paragraph 4.6.3 for redetermination of permanent incapacitation application.

4.8.1. This information applies for military dependent children only and does not apply for DoD civilian and contractor dependents or dependent children of a honorably discharged veterans rated 100-percent disabled by the DVA. Documentation provided from the civilian and contractor human resource or personnel offices, including the Department of Veteran Affairs, indicating verification of the child's incapacitation is provided to the member. **Note:** The incapacitation has occurred prior to the child's 21<sup>st</sup> birthday.

4.8.2. Inform sponsor to report any change in their incapacitated child's status (financial, residential, marital, or medical) that could affect the child's eligibility to continued ID card benefits to the Services' financial offices. **Exception:** Navy sponsors should report any change to PERS 24. Marine Corps sponsors should report to HQMC (MFP-1 or MMSR-6, as appropriate [see Table 22.1]). Coast Guard sponsors should report changes to Coast Guard Pay and Personnel Center (PPC), see paragraph 23.2.

4.8.3. Incapacitated children who marry and subsequently become unmarried through divorce, annulment, or death of spouse may be reinstated for ID card benefits and privileges as long as they meet all other requirements. Process dependency applications according to chapters 19-23.

**4.9. Illegitimate Children under Age 21.** Unmarried illegitimate children under age 21 may be entitled to ID card benefits and privileges when one of the following occurs:

4.9.1. A male sponsor presents: (1) a court order that establishes paternity and the child's birth certificate; (2) a Voluntary Acknowledgement of Paternity (VAP) per USD P&R Memorandum, 28 Jan 08, Determinations of Dependency for Health Care Benefits for Out-of-Wedlock Children. The VAP or Acknowledgment of Paternity (AOP) document is issued or

recorded by the State Health and Human Services or State Registrar Vital Records Department. Refer to paragraphs 4.9.3 and 4.9.4, and Attachment 5, Rule 18e (1) and (2); (4) Department of State, DS Form 5507, Affidavit of Physical Presence or Residence, Parentage and Support, (5) Affidavit of Parentage as determined by the base Staff Judge Advocate (SJA) when the member is assigned overseas, including an operational Area of Responsibility (AOR), including Theater of war, Theater of operations, Combat zone, or Communication zone; or (6) Affidavit of Parentage (Consent Order of Paternity), recognized by a State or U.S. court. **Note:** Paternity tests alone are not sufficient for initial DEERS enrollment and eligibility, unless, accompanied by a legal document in paragraph 4.9.1 items (1), (2), (3), (4), (5), or (6) above.

4.9.1.1. A court order establishing paternity is required at the time of sponsor's death if no previous documentation, e.g., court order, voluntary acknowledgement of paternity (VAP) were provided in establishing the parent/child relationship.

4.9.2. A birth certificate alone does not satisfy documentation requirements for an illegitimate child of a male member. See paragraphs 19.24 for Army sponsors, 20.17 for Navy sponsors, 21.14 for Air Force sponsors, 23.5 for Coast Guard sponsors, 25.1.6 for National Oceanic and Atmospheric Administration sponsors, and 25.1.7 for Public Health Service sponsors.

4.9.3. Each state maintains a procedure to allow a male parent to voluntarily acknowledge paternity of a child born out of wedlock. These state VAP forms are used to determine eligibility for dependent child status. The sponsor will present the notarized form to the nearest ID card issuance site to have the child enrolled in DEERS. **(T-3)**. The sponsor cannot authorize anyone to act on his or her behalf to perform this enrollment action. VAP enrollment questions are directed to the appropriate uniformed Services DEERS Project Office per Chapter 25. **Note:** The child may be enrolled at any time before their 21<sup>st</sup> birthday, or before their 23<sup>rd</sup> birthday, if attending an institution of higher learning as a full-time student.

4.9.3.1. The state VAP form and a birth certificate are required to add the child to DEERS. **Note:** The forms are scanned into DEERS as part of the enrollment process.

4.9.4. Once the child has been added to DEERS, the sponsor has 60 days to remove the child from DEERS per USD P&R Memorandum, 28 Jan 08, Determinations of Dependency for Health Care Benefits for Out-of-Wedlock Children. **Note:** After 60 days, the child remains in DEERS as the sponsor's child until he/she is 21 or 23 if enrolled in a full time course of study at an institution of higher learning approved by the administering Secretary, and is dependent on the member or former member for over one-half of the child's support.

4.9.5. A female sponsor presents her child's birth certificate. See Attachment 5.

4.9.6. A sponsor who is the child's natural parent presents a marriage certificate (between the sponsor and the natural mother or father) and the child's birth certificate. See Attachment 5.

**4.10. Processing Procedures for Illegitimate Children under Age 21.** If the sponsor has no court order establishing paternity or an affidavit of paternity, the parents have not married, or no voluntary acknowledgement of paternity (VAP) as referenced in paragraph 4.9.1. (See chapters 19-23 for Services unique processing procedures).

4.10.1. Refer to Attachment 2, A2.1 for entitlements and Attachment 3, for MC effective dates.

**4.11. Children Adopted After Age 21 Who Were Incapacitated Before Adoption.** Children adopted after age 21 who were incapacitated before adoption may be eligible for commissary, exchange and MWR privileges. No MC is authorized. **Note:** Have the applicant sign the ID card or enter “INCAP” when the individual cannot sign because of a mental or physical incapacity. The sponsor should submit a request to the ID card issuing activity. **Exception:** For Marine Corps sponsors, approving authority is HQMC MFP-1 or MMSR-6 as appropriate. Table 4.8 defines the eligibility criteria and what documents are required.

**Table 4.8. Eligibility Criteria and Required Documentation for Children Adopted After Age 21 Who Were Incapacitated Before Adoption.**

ELIGIBILITY CRITERIA	REQUIRED DOCUMENTATION
<p>A bona fide parent-child relationship is required to exist and is defined as follows:</p> <p>The person adopted was a close blood-relative before the adoption.</p> <p>The person adopted has lived with the member for at least 1 year before the card issue date and continues to reside with the sponsor.</p> <p>The member controls the care and support of the person adopted as well as the person’s legal, financial, and other affairs.</p>	<p>The child’s birth certificate.</p> <p>A copy of the final adoption decree.</p> <p>A physician’s statement endorsed by a Uniformed Services Medical Treatment Facility. (See Attachment 26).</p> <p>Written justification from the sponsor to justify a bona fide parent-child relationship exists.</p>

**4.12. Processing Procedures for Children Adopted after Age 21 Who Were Incapacitated Before Adoption.** Take the steps reflected in Table 4.9 to process an application for children adopted after age 21 who were incapacitated before adoption:

**Table 4.9. Processing Procedures for Children Adopted After Age 21 Who Were Incapacitated Before Adoption.**

STEP	ACTION
1	Forward the case file to the installation legal office for review to determine whether a bona fide parent-child relationship exists.
2	Forward the case file to the installation personnel office for approval. <b>Exception:</b> Navy members forward the case file to NPC PERS 24 for determination. Marine Corps members forward the case to HQMC (MFP-1 or MMSR-6, as appropriate) for determination.
3	The installation personnel office returns the case file to the initiating ID card issuing activity with the final determination.

<b>4</b>	Non-RAPIDS sites prepare the DD Form 1172-2 (formerly DD Form 1172) according to Attachment 3. <b>Note:</b> These family members are entitled to commissary, exchange and MWR only. No MC is authorized. Type or print legibly all manually prepared application forms in black ballpoint pen. Complete section IV to verify the application. Initial all corrections on the application form.
<b>5</b>	Give the original copy to the applicant and use additional copies as necessary.
<b>6</b>	Advise the applicant that the DD Form 1172-2 (formerly DD Form 1172) is valid for only 90 days after the VO signs. Applications held longer are void.
<b>7</b>	Scan DD Form 1172-2 into RAPIDS for DEERS.

**4.13. Legal Custody Wards.** (See Terms for complete definition). The following basic eligibility criteria apply:

4.13.1. An unmarried child, including a foster child or a child to whom a managing conservator has been designated, who has been placed in legal custody of a member or former member as a result of an order of a court of competent jurisdiction in the United States (or a territory or possession of the United States). The court order should indicate the child is in the care and custody of the sponsor. The care and custody of the child to the member or former member is 12 consecutive months or more, but not less than 12 months. (for no less than 12 consecutive months). The court order can designate the length of custody by age, time or permanency, stipulating temporary or permanent. If no custody time period is listed on the court order, the custody is generally considered permanent. Refer all unresolved legal custody ward court order situations to local legal office for final determination of eligibility. **Note:** Children under the age of 18 applying for a dependent ID card are only required to provide documentation for the initial verification of eligibility or proof of relationship to the sponsor. Identity documentation requirements are derived from FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents, and should not be confused with Title 10 benefits eligibility age limits. Eligibility documentation listed in Attachment 5 is scanned into the DEERS database for all eligible family members, including children under age 10.

4.13.2. The unmarried child may be eligible for ID card benefits and privileges if:

4.13.2.1. Child is dependent on the member, or former member for over one-half of his or her support, and,

4.13.2.2. Child resides with the member or former member unless separated by the necessity of military service or to receive institutional care as a result of disability or incapacitation, and,

4.13.2.3. Is not a dependent of a member or former member under any other category.

4.13.3. The following eligibility criteria and documentation requirements in table 4.10 apply. **Note:** Children born overseas to unwed dependent family members of AD members on command sponsored tours are not entitled to MC at the local MTF without first obtaining a Secretarial Designee status from their respective uniformed Service medical agency command. Refer members to the local MTF for Secretarial Designee application with the appropriate uniformed Services medical agency/command. This designation does not create an entitlement to civilian care at government expense or to an ID card, or DEERS enrollment.

Secretarial Designee status regarding continuity of care, refer to DoDI 6025.23, *Health Care Eligibility Under the Secretarial Designee (SECDES) Program and Related Special Authorities*.

1	Review court order and birth certificate and other documents as appropriate (letter from registrar, physician's statement, etc.).
2	Complete the DD Form 1172-2 (formerly DD Form 1172) or a blank computer generated application. For initial applications, do not generate a DD Form 1172-2 from a RAPIDS workstation that automatically assigns benefits and privileges to the legal custody ward. Refer to Attachment 2 for entitlements, Attachment 4 for MC effective and expiration dates, and Attachment 5 for documentation requirements.
3	Upon review of documents, list these items in block 21 of the DD Form 1172-2.
4	A dependency determination is required for initial issuance and renewal of each ID card for legal custody wards of the Uniformed Services. See Attachment 5, Rule 18g, and Service specific Chapters 19-23.
5	Complete verification process and ensure sponsor reads the Privacy Act before signing the DD Form 1172-2 (formerly DD Form 1172).
6	Give the sponsor a copy of the DD Form 1172-2 if appropriate and advise application is good for 90 days from date of verification.
7	Scan the DD Form 1172-2 (formerly DD Form 1172) into RAPIDS for DEERS.

**4.15. Foster Children.** A child placed in the custody of a military member or former member's home by a placement agency (with no intent to adopt) but not a court order, is eligible for commissary, exchange and MWR privileges only. MC is not authorized, unless the child is placed in the home as a result of a court order, with the intent to adopt as stated in paragraph 4.13 above. For Marine Corps members, see paragraph 22.6.

**4.16. Pre-adoptive Children.** Pre-adoptive children placed in the home of a member or former member home by a placement agency (recognized by the Secretary of Defense) on 5 October 1994 or later may be eligible for MC if the criteria in Table 4.12 are met. For the purpose of this policy, an authorized placement agency in the United States (US) or a US territory is licensed for the purpose of adoption by the state or territory in which the adoption procedures are completed. In all other locations, the appropriate Assistant Secretary of the Military Department concerned

or an appropriate official to whom he or she has delegated approval authority must approve a request for recognition.

<b>1</b>	Review placement agency document, child's birth certificate and other documents as appropriate (letter from registrar, physician's statement, etc.).

<b>7</b>	Scan DD Form 1172-2 (formerly DD Form 1172) into RAPIDS for DEERS.

**4.18. ID Card Processing Procedures for Pre-Adoptive Children When Placement Agency Is Outside of the United States or a United States Territory.** Children placed in the custody of a member or former member by a placement agency located outside of the U.S. or U.S. territory submit a request for recognition through the Service RAPIDS activity. Requests are forwarded through the appropriate Service channels and approved by the appropriate Assistant Secretary of the Military Department concerned or an appropriate official to whom he or she has delegated approval authority. Table 4.14 reflects information to assist in submitting a request for

recognition: see Table 20.5 for Navy processing procedures and Table 21.8 for Air Force processing procedures.

**Table 4.14. ID Card Processing Procedures for Pre-adoptive Children when Placement Agency Is Outside of the U.S. or a U.S. Territory.**

STEP	ACTION
1	If there is an approval letter, review the approval letter provided by the Assistant Service Secretary concerned or an appropriate official to whom he or she has delegated approval authority and child's birth certificate. Process in accordance with Table 4.13.
2	If there is no approval letter, forward the package through local legal office to determine legal sufficiency. For Army cases, the local Community and Family Support Center will work with the Information and Referral Service to determine if a foreign placement agency is recognized by DoD. (T-3).
3	If the local legal office finds the document legally sufficient, forward the package to the Command legal office for endorsement.
4	If the Command legal office endorsement is received, forward package to the Service DEERS Project Office.
5	The Service DEERS Project Office will notify the servicing RAPIDS office of the approval. (T-3).
6	Notify the member to return to the RAPIDS office for verification and issue of the ID card if necessary.
7	Refer to criteria in paragraph 4.16 for completion of verification and issuance of ID card. See paragraph 4.19 for adopted children.

**4.19. Adopted Children.** Refer to Attachment 5, Rule 18b and Notes 7 through 7.1.4. For information about Intercountry adoptions, refer to the Bureau of Consular Affairs, U.S. Department of State at <https://travel.state.gov/content/adoptionsabroad/en.html>. **Exception:** Children adopted after age 21 who were incapacitated before the adoption, see paragraphs 4.11 - 4.12 and Tables 4.8 and 4.9.

**4.20. Step-Children.** Step-children eligibility and enrollment for DEERS is based on the relationship between the step-child and the sponsor, established at time of marriage between the sponsor and the natural parent. See Table 4.15 below for guidelines on DEERS eligibility and enrollment.

**Table 4.15. Step-Children Eligibility and Enrollment Guidelines.**

Scenario		Step-Child Eligible	Reason
1	Natural parent and sponsor are married.	Yes	Relationship between the step-child and sponsor is established through marriage of the sponsor and natural parent (10 U.S.C. § 1072).
2	Natural parent and sponsor		The relationship between the step-child and

	divorce.	No	sponsor is severed through divorce of sponsor and natural parent: (32CFR 1999.3[f][3][i] and 32CFR 1999.3[f][3][ii]).
3	Sponsor dies; natural parent is unremarried, step-child is enrolled in DEERS.	Yes	The stepchild of the deceased member or former member continues TRICARE eligibility as other classes of dependent children, regardless of whether the widow/widower (who is the natural parent of the child) remarries following the sponsor's death. (32 CFR 199.3[f][3][v]).
4	Sponsor dies; natural parent is unremarried; step-child not enrolled in DEERS.	Yes	Natural parent is eligible as an unremarried widow/widower. Step-child remains eligible as long as natural parent remains eligible.
5	Sponsor dies; natural parent remarries: stepchild is enrolled in DEERS. New spouse of natural parent elects to enroll stepchild in new spouse's health insurance plan.	Yes	The stepchild of the deceased member or former member continues TRICARE eligibility as other classes of dependent children, regardless of whether the widow/widower (who is the natural parent of the child) remarries following the sponsor's death. (32 CFR 199.3[f][3][v]).
6	Sponsor dies, natural parent is unmarried; remarries and the subsequent marriage ends in divorce or death.	Yes	The stepchild of the deceased member or former member continues TRICARE eligibility as other classes of dependent children, regardless of whether the widow/widower (who is the natural parent of the child) remarries following the sponsor's death. (32 CFR 199.3[f][3][v]).
7	Natural parent dies; step-child continues to reside with sponsor.	Yes	The stepchild relationship between the military sponsor and the child survives the death of the spouse/natural parent and eligibility is unaffected.
8	Natural parent dies; step-child resides with someone other than the sponsor.	Yes	The stepchild relationship between the military sponsor and the child survives the death of the spouse/natural parent and eligibility is unaffected.
9	Sponsor dies; stepchild is enrolled DEERS. Natural parent subsequently dies. Remaining natural parent of stepchild receives custody of stepchild, enrolls stepchild in remaining natural parent's health insurance plan.	Yes	The stepchild of the deceased member or former member continues TRICARE eligibility as other classes of dependent children, regardless of whether the widow/widower (who is the natural parent of the child) remarries following the sponsor's death. (32 CFR 199.3[f][3][v]) In general, the other health insurance plan, if not Medicaid, will be the first payer. Charges not covered by the other health insurance may be submitted to TRICARE.

<b>10</b>	Natural parent and sponsor die.	Yes	Relationship between the step-child and sponsor is established through marriage of the sponsor and natural parent; the step-child and sponsor relationship remains intact, and is not severed by the deaths of both the natural parent and sponsor (10 U.S.C. § 1072).

## Chapter 5

### ABUSED DEPENDENTS

**5.1. Abused Dependents - General Guidance.** This chapter conveys the ID guidelines and entitlements for family members of military sponsors who were separated on or after 23 October 1992 from AD for reasons of dependent-abuse. See Terms. **Note:** Chapter 5 information does not apply to Same-Sex Marriage Spouses and their children.

5.1.1. The type of transitional compensation is contingent on whether the sponsor is either retirement eligible or discharged with less than 20 years of service. Table 5.1 defines the category of dependent, eligibility criteria and documentation required. The sponsor has been:

5.1.2. Under a court-martial sentence resulting from a dependent-abuse offense

5.1.3. Administratively separated from AD when the basis for separation includes a dependent-abuse offense.

**5.2. DoD Beneficiary (DB).** Effective 1 October 2003, certain abused dependents are enrolled in DEERS as a sponsor in their own right in the category designator of DoD Beneficiary (DB); and issued a DD Form 2765, *Department of Defense/Uniformed Services Identification and Privilege Card*.

5.2.1. Spouse.

5.2.2. Former spouse.

5.2.3. Unmarried child, including an adopted child or a stepchild who was residing with the member at the time of the dependent abuse offense. Children are only enrolled as DoD beneficiary in their own right when guardianship is granted to other than natural parent. Otherwise the child(ren) are enrolled under the natural parent's DB record and receive the DD Form 1173.

**5.3. Dependents of Retirement Eligible Members Separated Due to Dependent Abuse on or After 23 October 1992.** Eligible dependents of retirement eligible sponsors who are separated due to dependent abuse on or after 23 October 1992 are eligible for ID cards reflecting MC benefits, commissary, exchange and MWR privileges. ## Chapter 6

### SPECIAL SEPARATION PROGRAMS

**6.1. Transition Assistance for Military Personnel (TAMP) or Transition Assistance Program (TAP).** Under the National Defense Authorization Act (NDAA) for Fiscal Year 2005, effective Oct. 28, 2004, eligibility under the TAMP has been permanently extended to 180 days, formerly 120 and 60 days. See Terms.

**6.2. Qualifying Conditions Required Establishing Eligibility for Transitional Health Benefit.** The member must meet one of the qualifying conditions stated in Table 6.1.

**Table 6.1. Qualifying Conditions for TAMP or TAP.**

ITEM	QUALIFYING CONDITION
1	Involuntarily separated with an eligible Special Program Designator (SPD) code. Verify DD Form 214 or separation order. Refer to Service specific separation authority, instruction, or regulation.
2	Involuntarily retained on AD in support of a contingency operation.
3	Voluntarily retained on AD for one year or less in support of a contingency operation.
4	Reserve Component members (Guard and Reserve) who are demobilized/deactivated after being called to AD for 31 days or more in support of a contingency operation. <b>Note:</b> Members serving less than 30 days of AD are not eligible for TA-180 benefits, including entry level separation (less than 30 days) of active service.
5	Member receiving a sole survivorship discharge.
6	Member separating from Active Component, and agrees to become a member of the Selected Reserve of the Ready Reserve of a Reserve Component with no break in service.

**6.3. Duration of Transitional Health Benefits Authorized Under TAMP or TAP.** The 180 day time period for health care benefits begins on the date of member's separation from AD. **Note:** Commissary, exchange, and MWR shopping privileges are authorized for two years, per NDAA 2013, effective 1 Jan 2013 to 31 Dec 2018. See Attachment 2, Table A2.28.

6.3.1. In the event the member is recalled to active service, the transitional health benefit time period is concurrent. If the member is demobilized/deactivated, and subsequently meets one of the qualifying conditions stated in Table 6.1, a new transitional health benefit period is in effect.

**6.4. Verifying Eligibility for Benefits Under the TAMP or TAP.** Verify eligibility for TAMP or TAP as directed by Table 6.2.

**Table 6.2. Verifying Eligibility for Members Separating Under TAMP or TAP.**

STEP	ACTION
1	Verify DEERS for TA-180. If DEERS does not reflect TA-180 and member is or has separated from the service, request a current DD Form 214 to verify character of service, the SPD code, or a statement confirming the member was kept on AD for one of the reasons reflected in Table 6.1. <b>Note:</b> Members, who are de-mobilizing, refer to the remarks block when no SPD code is listed on the DD Form 214.
2	To qualify for TA-180 benefits, the member is separated with service characterized as honorable or general under honorable conditions per Table 6.1. <b>Note:</b> Enlisted members not eligible are those discharged for reasons of misconduct, discharge in-lieu of court-martial or other reasons for which service normally is characterized as under other than honorable conditions. Officers are not eligible if discharged was a as result of resignation in-lieu of trial by court-martial, or misconduct or moral or professional dereliction if the discharge could be characterized as under other than honorable conditions
3	Verify family member's status in RAPIDS for DEERS eligibility.
4	Request documentation if RAPIDS does not reflect the family member status in DEERS, or use a verified DD Form 1172-2 (formerly DD Form 1172) listing specific documentation.
5	Indicate on the DD Form 1172-2, block 21 (formerly DD Form 1172, block 89) whether this is the original issue of the TAMP or TAP ID card for the member and the family member, or whether it is a replacement for a lost card. <b>Note:</b> RAPIDS biometric SSM verification over-ride function may be used for lost or stolen ID as proof of identity if a previous photograph is available in DEERS.

6.4.1. See paragraph 18.6 for ID card preparation. Scan DD Form 1172-2 (formerly DD Form 1172) in RAPIDS for family members.

6.4.1.1. If DEERS shows the sponsor's correct status, apply the terms of the cross-servicing agreement to members and dependents (paragraph 1.3).

6.4.2. Issue DD Form 2765 to TAMP or TAP sponsors and, if eligible, DD Form 1173 to dependents before they depart on terminal leave. Advise members to use a copy of their separation orders to obtain AD benefits until their date of separation.

**6.5. Voluntary Separation Incentive (VSI).** Issue DD Form 2765 (formerly DD Form 1173) with an expiration date corresponding to the expiration of enlistment contract or VSI annuity payment end date. **Note:** RAPIDS maximum issuance time period is 10 year increments for eligible VSI members. Reissuance of ID card may be required to meet the VSI annuity payment end date. See **Table Attachment 12, Table A12.1, Note 5,** and Term, Voluntary Separation Incentive.

<p>Under Age 65, and</p> <p>Entitled to Medicare, Part A, as a result of a disability or end-stage renal (kidney) disease and,</p> <p>Enrolled in Medicare, Part B.</p>	<p>Retirees and eligible spouses of living retirees.</p> <p>Unremarried former spouses, survivors of retired, Active and Guard and Reserve deceased members.</p>	<p>1 October 1991, if enrolled in Medicare, Part B, on or before 1 October 1991 or,</p> <p>Retain original TRICARE effective date if Medicare-eligible after 1 October 1991, if beneficiary enrolled in Medicare, Part B, at the time he or she became eligible for Medicare, Part A or,</p> <p>Restore TRICARE to beneficiaries who become enrolled in Medicare, Part B after effective dates listed above, as of the date of enrollment in Medicare, Part B on or before 5 December 1991.</p>

**Table 7.2. TRICARE for Life (TFL) Eligibility.**

<b>BASIC ELIGIBILITY CRITERIA</b>	<b>SPONSOR STATUS</b>	<b>MC MEDICAL TRICARE FOR LIFE EFFECTIVE DATE</b>
Age 65 or older, and Entitled to Medicare, Part A; and, Enrolled in Medicare, Part B.	Retirees and eligible spouses. Unremarried former spouse (DB), survivors of retired, Active and Guard and Reserve deceased members	Use 1 October 2001 for beneficiaries eligible for Medicare, Part A and enrolled in Part B on or before 1 October 2001. Use date eligible for Medicare, part A and enrolled in Part B for beneficiaries who turn age 65 after 1 October 2001. This date is normally the first day of the 65 <sup>th</sup> birth month. For beneficiaries who become eligible for Medicare, Part A after age 65, use the date he or she subsequently enrolled in Medicare, Part B. <b>Note:</b> To be eligible for TRICARE for Life, Medicare eligible beneficiaries must have Medicare, Part A and Part B.

**7.2. Documentation Required.** If individual is enrolled in DEERS, require a copy of the Medicare Card provided by the SSA that reflects eligibility to Medicare, Parts A and B. If not enrolled in DEERS, see Attachment 5 for basic documentation required, in addition to documentation from the SSA.

**7.3. Date of Termination.** Termination date in DEERS is the last day of the month prior to the birthday month; however, if the birthday falls on the first day of the month, then Medicare starts on the first of the preceding month, and the termination date is the last day of the month prior to the month that Medicare started (e.g., date of birth is 1 December, expiration date is 31 October). TRICARE for Life eligible individuals have an indefinite indicator in the Civilian Health benefits tab in RAPIDS and the expiration date reflected on the ID card reflects the date of expiration of the ID card. Generally, the ID card reflects indefinite for the retired sponsor, and four years from issuance of the card for family members.

## Chapter 8

### SPONSOR RESPONSIBILITIES, AND TERMINATING OR REVOKING DEPENDENTS' ELIGIBILITY FOR ID CARDS

**8.1. Sponsor Responsibilities.** Military members are sponsors in their own right, and have the responsibility to report within 30 days any family member additions or changes to DEERS. **Note:** This responsibility also applies to Joint Service Marriage (JSM) sponsors and Same-Sex Marriage Spouses. This also includes the DEERS enrollment of a military spouse, Joint Service Marriage (JSM), including same-sex marriage spouse and their child, Active, National Guard, and Reserve members, including eligible civilian and contractor populations when qualifying for DEERS enrollment and disenrollment. See paragraph 8.1.1 on sponsor responsibilities. Table 8.1 identifies the sponsor's responsibilities concerning DEERS enrollment, issue of their family member's ID cards, requirements for DEERS termination, retrieval requirements. The specific procedures and sequence of order followed within this chapter varies based on the sponsor and family member affiliation with DoD/uniformed Services and type of ID card issued due to eligibility or revocation due to loss of eligibility.

**Table 8.1. Active, Retired, National Guard, Reserve, Civilian, Contractor, and Other Eligible Sponsors' Responsibilities.**

ITEM	RESPONSIBILITIES
1	Advise the nearest Uniformed Service issuing facility of any family member additions or changes to dependent data that affect DEERS enrollment or eligibility for a DD Form 1173 or DD Form 1173-1 within 30 days of the addition or change. Additions or changes to DEERS records, see Attachment 5 and <a href="http://www.cac.mil">www.cac.mil</a> for acceptable documents. Sponsor will sign DD Form 1172-2 (formerly DD Form 1172), application relating to DD Forms 1173 or 1173-1 to verify continued eligibility for dependents upon ID card reissuance. <b>(T-3).</b> <b>Exception:</b> When a family member is age 75 or older the DD Form 1173, reflects an "indefinite" card expiration date.
2	Provide documentation to update DEERS for family members no longer entitled to benefits and privileges within 30 days of the change, (for example, final divorce decree, child's marriage certificate.). Family members cannot be removed from DEERS upon the personal request of the sponsor or the family member without documentation to terminate the relationship. See Table 8.3 and Attachment 5 for appropriate documentation requirements. <b>Note:</b> If the sponsor fails to terminate an ineligible dependent, and the dependent presents legal documentation, a termination is accomplished.
3	Retrieve ID cards from dependents no longer eligible and surrender the cards to the nearest ID card issuing activity within 30 days of the loss of eligibility.
4	Ensure all addresses are kept current in DEERS. It is mandatory that all Active, Guard, and Reserve personnel update their residential address in DEERS within 30 days of a residential move per USD (P&R) memorandum, 10 October 1997,

	Implementing Section 363 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996). <b>Note:</b> Members in CONUS residing on military installations in dormitories will provide their building number and room number as their residential address. <b>(T-3).</b> Service members, permanently assigned OCONUS to a vessel, or to routinely deployable units, or whose residential address the Service Secretary determines should not be disclosed due to national security or safety concerns, provide a duty address.
<b>5</b>	Provide family members' eligibility documentation, not limited to SSNs, marriage and birth certificates, including identity documentation when enrolling in DEERS (see paragraphs 1.21. and 15.9). Presentation of eligibility and identity documentation is scanned via RAPIDS to DEERS (see Attachments 5 and 20).

8.1.1. Active, Retired, National Guard, Reserve, Civilian, Contractor, and Other Eligible Sponsors Responsibilities: Sponsorship incorporates the processes for confirming eligibility for an ID card. The sponsor is the person affiliated with the DoD/uniformed Services or other Federal agency who takes responsibility for verifying and authorizing the applicant's need for an ID card according DoDI 1000.13, August 31, 2013. Applicants for a CAC must be sponsored by a DoD government official or employee, refer to AFI 36-3026, Volume 2.

8.1.2. Sponsor may not deny or revoke benefits and privileges, or issuance of an ID for an eligible dependent without appropriate legal documentation as listed in Attachment 5.

8.1.2.1. Emancipation of a dependent child under age 21 has no effect on the child's entitlement to ID card benefits and privileges, if he or she is otherwise entitled. Refer to Chapter 4.

**8.2. Sponsor Unable or Unwilling to Enroll Eligible Family Members in DEERS or Sign the DD Form 1172-2 (formerly DD Form 1172).** When a sponsor is unable or unwilling to enroll eligible family members in DEERS or sign the DD Form 1172-2 (formerly DD Form 1172), follow the steps reflected in Table 8.2.

**Table 8.2. Processing Procedures when Sponsor is Unable or Unwilling to Enroll Eligible Family Members in DEERS or Sign the DD Form 1172-2 (formerly DD Form 1172).**

<b>STEP</b>	<b>ACTION</b>
<b>1</b>	VO verifies eligibility within DEERS or by provided documentation, and issues temporary ID card(s) for 30 days with appropriate benefits. Cross reference paragraphs 1.5.4, 2.4, and Attachment 5.
<b>2</b>	VO notify the sponsor by telephone, email, in person, or by letter to enroll eligible family members in DEERS or to sign the DD Form 1172-2 (formerly DD Form 1172). Provide sponsor; a DD Form 1172-2 (formerly DD Form 1172), generated from RAPIDS for the sponsor's signature and return (see Attachment 11 for communication instructions). <b>Note:</b> Record of communication, whether it is by telephone, email, in person, or letter between VO and sponsor is recommended for processing DEERS determination of eligibility, enrollment/termination, and ID card issuance (See Table 8.3).

3	VO annotates on the on DD Form 1172-2 in block 21 (formerly DD Form 1172, block 89), “The sponsor is unwilling or unable to enroll eligible family members or terminate ineligible family members in DEERS , or to sign the DD Form 1172-2.” If the sponsor does not respond in 30 days, take the appropriate action to enroll eligible family members or terminate ineligible family members in DEERS or issue ID cards with a new expiration date per Attachment 4, or confiscate ID cards for ineligible family members. Cite paragraph 8.2, including legal documentation on DD Form 1172-2, block 21 (formerly the DD form 1172, block 89) as authority for enrolling or issuing the ID card(s) for eligible family member(s), or terminating DEERS eligibility. For legal documentation, e.g., court-order of paternity (see Attachment 5 and Table 8.3).
4	Extend benefits and privileges according to Attachment 2.
5	Extend privileges according to paragraph 16.1 to family members of Guard and Reserve members who are unwilling or unable to sign. Cite paragraph 8.2 in block 21 for the DD Form 1172-2 (formerly block 89 for the DD Form 1172), legal documentation and as authority for issuing the ID cards.
6	VO annotates DD Form 1172-2, block 21 (formerly signs the DD Form 1172 in block 99). Cite paragraph 8.2 in block 21 (formerly block 89) including legal documentation on DD Form 1172-2 (formerly DD Form 1172) for issuing the ID cards.
7	Update the DD Form 1172-2 (formerly DD Form 1172) in DEERS.
8	Scan DD Form 1172-2 (formerly DD Form 1172) into RAPIDS for DEERS.

**8.3. Processing Procedures for No Contact or Restraining Orders.** A No Contact Order or Restraining Order has no effect on denying a person’s eligibility, enrollment, or ID card issuance when otherwise qualifying within this instruction. Verify eligibility within DEERS or by documentation provided, verify the DD Form 1172-2 and state in block 21, “The member is unable to sign due to court order.” Issue ID card with a new expiration date per Attachment 4. RAPIDS VOs may contact local installation legal offices to review a No Contact Order or Restraining Order. For further assistance, contact the Parent Service DEERS Project Office (see Chapter 25).

8.3.1. Processing Procedures for Family Member’s Whose Eligibility is in Question. Do not verify DD Form 1172-2 (formerly DD Form 1172). Refer family member to the installation legal office for clarification or resolution regarding eligibility for DEERS or issuance of ID card. **Exception:** Refer Marine Corps dependents to the HQMC MFP-1 or MMSR-6, as appropriate.

**8.4. Terminating or Revoking Family Member’s Eligibility for ID Cards.** Table 8.3 identifies categories of individuals who lose eligibility and when VOs should terminate eligibility in DEERS. **Note:** Refer Coast Guard sponsors and family members to the Coast Guard DEERS Project Office, see paragraph 25.1.5.

8.4.1. Do not terminate eligibility for those individuals in paragraphs 5.1, 5.3, 6.1, 6.4, and 6.6. **Note:** Do not terminate eligibility of family members when the sponsor is a Prisoner of War (POW), Missing in Action (MIA), in an Absent Without Leave (AWOL) status, or unauthorized absence status. AWOL members remain eligible for ID cards until the date the sponsor is placed in deserter status; resulting in family member loss of DEERS eligibility for benefits and privileges. See Table 8.3.

**Table 8.3. When to Terminate or Revoke a Dependents' Eligibility for ID Cards.**

CATEGORY	WHEN
<b>Spouse</b>	A final divorce, dissolution, annulment, or death occurs, terminating the marital relationship. <b>Exception:</b> Do not terminate a spouse when an interlocutory divorce or legal separation occurs. ID card is issued in one year increments until there is a final judgment of divorce. (See Attachment 1, Terms).
<b>Stepchild</b>	The member and the child's natural parent divorce, or the child marries, becomes a sponsor, is adopted, or dies.
<b>Parent-in-law</b>	The military member divorces or the parent-in-law has a change in his or her marital or financial status.
<b>Parent</b>	His or her financial or marital status changes. He or she remarries.

Is incapable of self-support because of a mental or physical incapacity that occurs while a dependent of a member or former member that occurs under a. or b. and is, or was at the time of the member or former member's death, in fact dependent on the member or former member for over one-half of the child's support.</p>	<p>The child marries, becomes an active military sponsor, or dies.</p> <p>If a child's marriage ends by final divorce decree or annulment, eligibility for benefits and privileges may be reinstated if he or she meets the eligibility requirements for a dependent child.</p> <p><b>Note:</b> Emancipation (a legal status conferring adulthood on a minor through a judicial decree) of a child under age 21 does not terminate a child's entitlement to ID card benefits and privileges, if he or she is otherwise entitled to them.</p>

<b>Family Member</b>	A sponsor is released from AD, discharged, or officially placed in desertion status.
<b>Student</b>	Child is no longer has enrolled full time in an accredited institution of higher learning or the sponsor no longer provides over 50 percent of the child's support.

<b>Incapacitated Child</b>	Child marries, becomes self-supporting, or sponsor no longer provides over 50 percent of their support.
<b>Widow or Widower</b>	He or she remarries.

8.4.2. Adopted Child. Child adopted by a non-uniformed service member may remain eligible under the uniformed service member's DEERS sponsorship for MC only. Refer to paragraph 4.1.1.

## Chapter 9

### RETRIEVING AND REPLACING ID CARDS

**9.1. General Procedures.** When an individual is no longer entitled to an ID card, follow the procedures in Table 9.1.

**Table 9.1. Procedures for Retrieving and Replacing ID Cards.**

STEP	ACTION
1	Terminate eligibility in DEERS by using RAPIDS.
2	Recover the ID card e.g., CAC.
3	If unable to retrieve voluntarily, if letters from the sponsor, member's commander/designate or issuing activity fail to retrieve the card, report the circumstances by letter or message to the appropriate installation security authority of the military installation nearest the unauthorized cardholder's address. Also, send a copy of the letter or message to all benefits and privileges facilities near the cardholder's last known address. Provide name of unauthorized card holder, date of birth, card expiration date, last known address, reason why the individual is no longer entitled to the card, the sponsor's name, grade, branch of service, organization, and last known address.
4	Scan the DD Form 1172-2 (formerly DD Form 1172) into RAPIDS for DEERS. If the DD Form 1172-2 has more than one name, note the date the DD Form 1173s were recovered and scan in RAPIDS.

## Chapter 10

### RAPIDS AND DEERS PROCEDURES

**10.1. RAPIDS.** Since 1997, RAPIDS uses rules based methodology to automate entitlement policy specified in public law, and implement regulations and directives. This methodology:

10.1.1. Takes entitlement decisions out of the hands of local RAPIDS VOs based on the rules based methodology in the DEERS database.

10.1.2. Provides a standard Graphical User Interface (GUI) environment for identity credentialing, and in 2008, began scanning of eligibility and identity documents for entitlement verification, and ID card issuance.

10.1.3. Furnishes robust Help Screens to support day-to-day customer service operations.

**10.2. Specialized Functionality and Platforms for RAPIDS.** RAPIDS consist of software and hardware components used to update DEERS and issue machine-readable ID cards and DD Form 1172-2 as prescribed by this instruction. Table 10.1 provides information concerning functionality and platforms for RAPIDS:

**Table 10.1. Specialized Functionality and Platforms for RAPIDS.**

FUNCTIONALITY AND PLATFORMS	DEFINITION
Desk Top RAPIDS	Functionality used at established issuing activities. Workstation and host server hardware communicates on-line to DEERS.
High Volume/Common Access Card Central Issuance Requesting Station (HV/CACCIRS)	Functionality used at recruit training centers and Service Academies requiring a high volume of transactions in a limited time frame. A workstation/server hardware configuration is used to communicate on-line with DEERS.
Deployable RAPIDS	Functionality used at non-established issuing activities as either a stand-alone system in austere environments with no network communications, or on-line mode to DEERS. Deployable workstation hardware configuration does not require a server to communicate with DEERS. The stand-alone mode limits ID card issuance to Active, Reserve, and emergency essential personnel, and provides a transaction download capability to update DEERS. Deployable RAPIDS is used on Navy ships, (referred to as "Shipboard RAPIDS.")

**10.3. Qualifying Requirements and Responsibilities for SSM, SVO, and VO/LRA.** RAPIDS end-users are: Site Security Manager (SSM), SVO, Verifying/Issuing Official/Local Registration Authority (VO/IO/LRA), and Service Project Officers (SPOs).

10.3.1. RAPIDS end-users must be a U.S. citizen in order to issue Public Key Infrastructure (PKI) certificates for the CAC in accordance with DoD Instruction 8500.2, Information Assurance (IA) Implementation, February 6, 2003. **(T-0)**.

10.3.2. Local commanders or their authorized designee shall assign individuals to serve as a SSM, SVO, VO/IO/LRA. Refer to Attachment 1, Terms. **(T-3)**.

**10.4. RAPIDS End-User Responsibilities.** All ID card issuing activities that have RAPIDS equipment must comply with guidance outlined in system user documentation issued by the DMDC Personnel Identity Protection Solutions listed at the DMDC web site <https://www.dmdc.osd.mil> **(T-0)**.

10.4.1. Access to RAPIDS is limited to end-users who are in compliance with the security requirements outlined in the DoD Personnel Security Regulation, DoD 5200.2R and X.509 Certificate Policy for DoD. Military members, DoD Civilian employees, and contractor personnel must all meet the security requirements as indicated below: **(T-0)**.

10.4.2. U.S citizens who serve in the U.S military or are employed as DoD civilians or contractors requires a National Agency Check with Inquiries (NACI).

10.4.3. Individual has never been relieved of Certification Authority (CA), Registration Authority (RA), Local Registration Authority (LRA), DEERS roles or Communication Security (COMSEC) custodian duties for reasons or negligence or non-performance of duties.

10.4.4. Individual never been denied a security clearance, or had a security clearance revoked.

10.4.5. Individual never been convicted of a felony offense.

**10.5. RAPIDS Training.** RAPIDS end-users must enroll in the DMDC web base Learning Management System (LMS) and obtain certification before RAPIDS logon access is granted as VO, SSM, or both. **(T-3)**. See paragraphs 10.10 – 10.10.2.

10.5.1. RAPIDS Skip Verification of Fingerprint. Skip verification of the Primary and Secondary fingerprint may be necessary if the RAPIDS VO cannot successfully match an individual's fingerprint or when the beneficiary is not present. The Site Security Manager (SSM) may only skip fingerprint verification when a person's identity can be verified through another means or already positively identified. Skipping verification in RAPIDS requires both a VO and SSM to be present to complete this transaction. Both users must have all training courses completed and have a current certification. **(T-3)**. See Chapter 1, paragraph 1.28.1.

10.5.2. RAPIDS Equipment Relocation Policy. The DMDC Personnel Identity Protection Solutions (formerly Access Card Office) located in Arlington VA is the DoD Executive Agent for RAPIDS. DMDC provides specific guidelines in the RAPIDS User Guide for moving RAPIDS equipment, including associated hardware and software:

10.5.3. A self-help relocation of equipment may be approved by DMDC. Follow the procedures in Table 10.2 when requesting relocation of RAPIDS equipment:

**Table 10.2. RAPIDS Equipment Relocation Policy.**

TYPE OF RELOCATION	PROCEDURE
Contractor Relocation Authorized by DMDC	<p>Submit a request 120 days in advance with a DD Form 448, <i>Military Interdepartmental Purchase Request</i>, (contained in the RAPIDS Users Guide or User Manual for RAPIDS, to the Uniformed Service DEERS Project Office (active, Guard, Reserve, or appropriate).</p> <p>Upon approval, the Uniformed Service DEERS Project Office will forward the request to DMDC for review and action. <b>(T-3)</b>.</p>
Self-Help Relocation by RAPIDS Site	<p>Submit a request for a self-help relocation move to the Uniformed Service DEERS Project Office (active, Guard, or Reserve, as appropriate). A DD Form 448 is not required.</p> <p>The Uniformed Service DEERS Project Office will forward the request to DMDC for review and action. <b>(T-3)</b>.</p>

**10.6. Reimbursement for Unauthorized Relocation.** RAPIDS sites will reimburse DMDC for any equipment damage, repairs, and labor costs incurred by an unauthorized move. **(T-0)**. See paragraph 10.4.

**10.7. Off-line Processing to DEERS.** Off-line communication processing on a RAPIDS terminal is not authorized. **Note:** RAPIDS cannot allow off-line processing if DEERS access is unavailable. The VO receives the RAPIDS application option for on-line communication connection to DEERS. Refer to RAPIDS User Guide for off-line processing capabilities, limitations, and restrictions.

10.7.1. Shipboard RAPIDS off-line processing may be authorized when communication with DEERS is unavailable; however, this action requires SPO and DMDC approval. When off-line transactions are processed, transactions are transmitted to DEERS as soon as communication is reestablished.

10.7.2. Deployable RAPIDS off-line processing may be authorized when communication with DEERS is unavailable; however this action requires SPO and DMDC approval. When off-line transactions are processed, transactions are transmitted to DEERS as soon as communication is established.

**10.8. Continuity of Operations Plan (COOP).** RAPIDS sites will establish written procedures to identify RAPIDS responsibilities to provide uninterrupted service for the local customer base and provide a quick return to operation after a system failure. **(T-3)**. See Table 10.3 for site responsibilities and RAPIDS COOP template, including RAPIDS Security Standard Operating Procedures (SSOP) at <https://www.dmdc.osd.mil>

**Table 10.3. Site Responsibilities.**

SITE	RESPONSIBILITIES
Sites will:	<p>For a short-term failure (3 days or less), the site provides customers with a list of other local sites, or</p> <p>For a long-term failure (3 days or more), leadership contacts the Uniformed Service DEERS Project Office with production requirements.</p>

**10.9. RAPIDS Hardware and Software Support Centers.** The DMDC Support Center (DSC) provides CONUS and OCONUS users a single point of contact for hardware or software problems. Location and hours of operation for RAPIDS support centers are listed in Table 10.4. **Note:** Contact the Uniformed Service DEERS Project Office if the problem is not resolved after 24 hours. **(T-3).**

**Table 10.4. DMDC Support Center (DSC).**

LOCATION	HOURS OF OPERATION
Worldwide	Call the DSC for assistance by dialing 1-800-3-RAPIDS (1-800-372-7437 or DSN 698-5000). The DSC is open 24x7x365.

**10.10. Adding, Changing, or Deleting SSMs, SVOs, and VOs/LRAs in RAPIDS.**

10.10.1. Requests for SSM privileges are forwarded from the requesting RAPIDS site location to the appropriate Uniformed Service DEERS Project Office for approval. The Uniformed Service DEERS Project Office processes requests for SSM privileges upon verification of a completed NACI, including completion of DMDC web base training (Learning Management System certification) before DEERS/RAPIDS access is granted. SSM privileges are not approved unless a NACI has been completed with no adverse results. **(T-0).**

10.10.2. SSMs are responsible for verifying with their appropriate command security office the appropriate vetting has been initiated on behalf of a VO/LRA. **Note:** New RAPIDS end-users have a NACI initiated prior to receiving VO privileges. **(T-0).**

10.10.3. Signing the DD Form 2841, *Department of Defense (DoD) Public Key Infrastructure (PKI) Certificate of Acceptance and Acknowledgement of Responsibilities*. SSMs and VOs sign the DD Form 2841 to full-fill their Local Registration Authority (LRA) responsibilities for issuing an identity or network credential, reflecting PKI certificates to the card receipt. The DD Form 2841 is maintained locally by the SSM. For CAC and VoLAC credentials, refer to AFI 36-3026, Volume 2, *Common Access Card (CAC)*. **(T-0).**

**10.11. RAPIDS Security.** RAPIDS users will comply with the security requirements identified in the Information Security Policy for RAPIDS, dated 16 December 1999. **(T-0).**

10.11.1. Personnel Security. Foreign National access to Automated Information Systems requires approval. Specific guidance may be provided in Service-specific regulations such as Army Regulation (AR) 380-19 or by DoD Directive 5200.28.

10.11.2. Granting LRA privileges requires an Automated Data Processing (ADP) II clearance. DoDD 5200.2 specifies IT II requirement for issuing DoD certificates. **(T-0)**.

10.11.3. Appropriate security practices are adhered to and implemented at all levels of RAPIDS administration and operation. Failure to do so compromise both physical and logical access to all DoD assets; resulting in loss of RAPIDS ID card issuing privileges and termination of operations by DMDC.

10.11.4. Possession of CAC establishes an individual's identity and affiliation with the DoD and allows access to both physical and logical assets. DoDD 8500.2, paragraph 5.7.1.1, "Head of DoD Components shall ensure that access to all DoD information systems and to specified types of information (e.g., intelligence, proprietary) under their purview is granted only on a need to know basis according to DoDD 8500.1, and that all personnel having access are appropriately cleared or qualified under the provisions of DoD 5200.2.

10.11.5. In accordance with USC Title 18, Section 499, "whoever falsely makes, forges, counterfeits, alters or tampers with any navel, military or official pass or permit, issued by or under the authority of the United States, or with intent to defraud uses or possesses any such pass or permit, or personates or falsely represents himself to be or not to be a person to whom such pass or permit has been duly issued, or willfully allows any other person to have or use any such pass or permit, issued for his use alone, is fined under this title or imprisoned not more than five years or both."

10.11.6. Sharing of CAC, Personal Identification Number (PIN), or biometric information is prohibited. This includes sharing access to RAPIDS via logon or password, and is punishable according to USC Title 18, Section 499.

10.11.7. Physical Security. Access to RAPIDS equipment shall be restricted to authorized users and the equipment is protected in accordance with standard procedures for protecting expensive, pilferable consumer electronic products. Use of RAPIDS for other than official business, particularly access and downloading software programs from the internet containing malicious code or surfing inappropriate web sites is a serious security risk to networks and network devices. Use of RAPIDS as with any DoD system, constitutes consent to monitoring. **Note:** Evidence of misuse collected during monitoring may be used for administrative, criminal, or adverse actions. Unauthorized or fraudulent use of this system may result in fines or imprisonment, or both as prescribed by 18 U.S.C. 499, 506, 509, 701, and 1001. **(T-0)**.

**10.12. Disposition of RAPIDS Equipment Due to a Natural Disaster.** Protect the equipment as well as possible without moving it (time permitting) when a natural disaster occurs. DMDC will replace the equipment if damage occurs. If it is necessary to move the equipment and time permits, notify the Service Project Office (see paragraph 25.1). **Note:** Ensure RAPIDS is included in the installation's disaster recovery plan. This requirement is explained in paragraph 4.5 of the RAPIDS Appendix S, Security Standing Operating Procedures.

**10.13. Review and Deletion of Report Data.** The SSM is responsible for retrieving RAPIDS reports. RAPIDS reports are electronic and maintaining a hard copy or electronic copy are not required. The one year storage of records cannot be maintained on the RAPIDS platform. The former SVO role for RAPIDS reports is no longer in use, replaced by the COGNOS role. **Note:** Destroy or delete report data information after usage.

10.13.1. RAPIDS Audit Trail Reports. There are five reports within COGNOS:

10.13.2. RAPIDS ID Card Failure Report (Error) Report.

10.13.3. RAPIDS ID Card Periodic Summary Report.

10.13.4. RAPIDS ID Card Report.

10.13.5. RAPIDS Over-ride Report.

10.13.6. RAPIDS Transaction Report.

**10.14. RAPIDS Hardware Custody and Accountability.** DMDC maintains custody and accountability of RAPIDS hardware and supporting software. The SSM keeps the DD Form 1149 Requisition and Invoice/Shipping Document on file for equipment inventory, including taking measures for accountability of equipment during staff turnover. **Note:** RAPIDS facilities are custodians of DMDC hardware/software assets by controlling, supervising, and managing the property in their care as listed in DoDI 5000.64, Accountability and Management of DoD-Owned Equipment and Other Accountable Property. RAPIDS equipment life-cycle requires replacement due to use, new and emerging technologies. When the RAPIDS equipment is no longer in use (life-cycle is complete), and DMDC does not require the return of equipment as an asset, the local issuing facility is responsible for turning in the excess equipment through local supply channels, e.g., Defense Reutilization and Marketing Service or Office (DRMS/O). **(T-0).**

10.14.1. When returning CAC stock to DMDC, boxes and envelopes must be double-packaged and shipped FedEx to comply with the Privacy Act of 1974. See "Returning CAC Cardstock" section in Chapter 12 of the RAPIDS User Guide, located on the VOIS under Training and Reference Guides. **(T-0).**

10.14.2. RAPIDS facilities are responsible for physical security and must maintain the RAPIDS platform as provided. DMDC prohibits altering of RAIDS hardware configurations and software modifications, including, placing alternative boot/reboot media or connecting non-approved external storage media devices, and unauthorized moving of equipment. **Note:** RAPIDS facilities who fail to follow published guidance and inventory is lost, stolen, damaged, or misplaced are responsible for replacement costs to DMDC. **(T-0).**

**10.15. Privacy Act Statement (PAS).** Each RAPIDS workstation is to prominently display the PAS, and the VO/SVO/SSM must refer customers to review this statement prior to electronically or wet signing of the DD Forms 1172-2, 2841, and 2842. **(T-0).**

## Chapter 11

### ISSUING, REISSUING, AND RENEWING ID CARDS

**11.1. Issuing Activity.** The issuing activity will designate verifying and issuing officials in Attachment 1, Terms, Issuing/VO.

**11.2. Forms Supply.** The issuing activity or a designated alternate is the authorized Customer Account Representative (CAR) for requesting forms through the uniformed Services publications and forms distribution channels, which includes Service unique card stock and laminate not supported by the DMDC Inventory Logistics Portal (ILP). **Note:** Machine-readable USID cardstock and laminate is ordered through the uniformed Services publications and forms distribution channels.

11.2.1. RAPIDS Inventory Logistics Portal (ILP). The RAPIDS SSM is responsible for CAC administration (integrated circuit chip and non-chip card stock and consumables) and inventory management within the ILP. **Note:** Uniformed Services publications and forms distribution channels are a separate function; the uniformed Services publications and forms distribution agencies do not interface or support the DMDC ILP program for providing smart card stock, printer ribbons, laminates, and printer cleansing supplies specifically to the integrated circuit chip and non-chip card stock and consumables.

**11.3. Storage and Destruction.** Maintain machine-readable USID card stock and laminate, and CAC stock and related consumables not in use under lock when office is closed. Destroy all recovered USID cards, error-in RAPIDS processing cards, and non-authorized ID cards by shredding or cutting. **Note:** Do not destroy, shred, or cut CACs. **(T-0).** Refer to paragraph 11.3.1.

11.3.1. There is 100 percent accountability at RAPIDS sites for CACs. All recovered CACs are accounted for by the DMDC. RAPIDS sites must return recovered CACs by FedEx using the DEERS/RAPIDS account number listed in the CAC return instructions listed on the VOIS web site: <https://www.dmdc.osd.mil/appj/vois/index.jsp> under the Consumables Tab. **(T-0).** **Note:** RAPIDS sites do not incur FedEx shipping costs for recovered CACs as this is paid for by the DMDC.

11.3.2. The Trusted Associate Sponsorship System (TASS) (formerly Contractor Verification System [CVS]) or Trusted Agent Security Managers or Trusted Agents (TASMs or TAs) will collect returned CACs and send to the nearest RAPIDS SSM for FedEx shipment to the DMDC. **(T-0).**

**11.4. Logs.** Issuing activities for machine-readable cards or CAC (includes non-chip cards) are not required to maintain manual or electronic logs to account for blank cards or ID cards that are destroyed, surrendered, or confiscated. Security is maintained through DEERS and RAPIDS by linking the SSN and DoD ID or Benefit number of the individual to the type of card issued. Although it is not visible to the individual or a RAPIDS VO, a 4-digit alpha-numeric security code is maintained in the DEERS database. **Note:** See paragraph 19.25 for forms accountability for manually prepared card for the Army, paragraph 22.11 for Marine Corps and Navy. See

paragraph 21.10, Air Force Security Forces (Pass and Registration Offices) no longer issue manually prepared ID cards for Air Force members and their family members.

**11.5. Identification of Applicants and Review of DD Form 1172-2 (formerly DD Form 1172).** Table 11.1 provides procedures to ensure only valid applicants receive ID cards.

**Table 11.1. Identification of Applicants and Review of DD Form 1172-2 (formerly DD Form 1172).**

STEP	ACTION
1	The applicant, upon presentation of completed and signed DD Form 1172-2 (formerly DD Form 1172), the verifying office will request personal ID from the applicant with a photograph. <b>(T-0)</b> . Refer to FIPS 201-2 (formerly I-9), at <a href="http://www.cac.mil">www.cac.mil</a> , Department of Defense List Of Acceptable Identity Documents in reference to identity proofing for DEERS enrollment, eligibility, and ID card issuance purposes. (See paragraphs 1.5.4, 2.4, Table 2.4, paragraph 8.2, Table 8.2 and Attachment 5, Note 8). If the applicant is enrolled in DEERS, have applicant provide information such as names of dependents and their dates of birth, their own date of birth, address, and cross-check information in DEERS. <b>Note:</b> RAPIDS biometric SSM verification over-ride function may be used for lost or stolen ID as proof of identity if a previous photograph is available in DEERS.
2	If the applicant does not appear in person, he/she contacts the ID card issuing activity on questions regarding the status of DD Form 1172-2 (formerly DD Form 1172) application.
3	If the applicant does not appear in person, he/she will return any DD Form 1172-2 (formerly DD Form 1172) to the issuing activity. <b>(T-0)</b> . The DD Form 1172-2 is valid for only 90 days from the date the VO signed the document. If the 90-day period has passed, a new DD Form 1172-2 is accomplished by the VO.
4	The applicant corrects obvious errors on DD Form 1172-2 (formerly DD Form 1172), and provides the corrected DD Form 1172-2 to the VO.
5	Questionable information on the DD Form 1172-2 is resolved between the applicant and the VO.
6	The VO will scan DD Form 1172-2 (formerly DD Form 1172) in RAPIDS for DEERS. <b>(T-0)</b> .

**11.6. Issuing Procedures for Applicants Who Report in Person (Machine-readable prepared Cards).** The procedures in Table 11.2 apply when issuing ID cards to applicants who report in person:

**Table 11.2. Issuing Procedures for Applicants Who Report in Person (Machine-readable Cards).**

STEP	PROCEDURES
1	Retrieve any superseded ID card before issuing a new one. Document destruction of all ID cards with the exception of CACs.
2	Complete all entries on ID cards by using the RAPIDS software or computerized applications supported by the DEERS program.

11.6.1. Do not over-stamp or overtype information on ID cards issued from RAPIDS except for the conditions in paragraph 1.9. **Note:** No exceptions or waivers are authorized.

11.6.2. Do not alter benefits or include unauthorized comments on ID cards issued from RAPIDS to restrict driving privileges or access to installations, commissaries, exchanges, or other facilities.

11.6.3. Do not obliterate any identifying information on any ID card issued from RAPIDS by over-stamping or over-typing.

11.6.4. No materials or markings are to be placed between or inserted within the laminate and the card stock.

11.6.5. ID cards cannot have holes punched in them. **Exception:** Next of Kin (NOK) are provided the deceased member's ID card with a hole punched through the card or CAC chip.

11.6.6. No stickers, or other adhesive materials are to be placed on either side of the ID card.

**11.7. Photographs - General Guidance.** All DoD ID cards contain a photograph with the exception of the VoLAC. See AFI 36-3026, Volume 2. The following provides general guidance concerning photographs for both the machine-readable CAC and USID cards, and manually prepared cards. **(T-1).** **Note:** See paragraph 1.2 manual card cancellation:

11.7.1. Individual poses with a frontal, full-face (passport-type) photo shot without body piercing accrements, etc. Individual's composure reflects similar to guidelines posted by the U.S. Department of State for passport issuance listed at [www.travel.state.gov/passport](http://www.travel.state.gov/passport). Head covering is acceptable for medical and religious reasons provided that the face is in full view.

11.7.2.. Military personnel may be photographed while wearing uniform or civilian clothes and must adhere to uniformed Services grooming standards (reference paragraphs 11.7.3 and 11.7.4).

11.7.3. Active, Selected Reserve, and Participating Individual Ready Reserve (IRR) members are also within uniformed Service grooming standards, dress and appearance, while in uniform and civilian attire. The uniformed Service grooming standards, dress and appearance also applies to members who are on appellate leave and not discharged or separated from the uniformed Service. Refer to paragraph 9.4 within this instruction and AFI 36-3026, Volume 2, paragraph 5.10.

11.7.4. Nonparticipating Reserve members (IRR, Standby, and Retired Reserve awaiting pay at age 60) do not have to be within uniformed Service grooming standards or dress and appearance for issuance of the DD Form 2 (Reserve) ID card.

1.7.5. Photographs will have no title board or sign visible, if clothing is visible, it will have no discernible words, effects, or designs voiding a person's identity or affecting the legibility of the information displayed on the member's ID card.

11.7.5.1. Photographs will have a plain background without unit designations, motifs, or flag displays; white is highly recommended, light shades of neutral colors may be used in lieu of white. **Note:** Any other background for taking the picture of a member renders the card invalid, and requires reissuance.

**11.8. Photographs for Machine-readable CAC and USID Cards.** The following provides specific guidance concerning photographs for the machine-readable cards, CAC and USID. RAPIDS applies a digitized, full-face passport-type photograph. No title board is required or used during the picture taking process. Refer to paragraph 11.7.1.

11.8.1. Uniformed Service personnel may be photographed in uniform or civilian clothes. Individuals will pose with a frontal, full-face (passport-type) photo shot. Refer to paragraphs 11.7 – 11.7.5.1.

11.8.2. VO should position the applicant between 3 and 5 feet from the camera (optimal distance is 4 feet).

11.8.3. VO should fill the entire white area on the card stock with the applicant's face.

11.8.4. VO should take a snapshot photo of individual just below shoulders when in military clothing so insignia, badges, and emblems are not visible.

11.8.5. Individuals requesting a machine-readable ID card by mail must submit an 8"x10" or 5"x7" portrait type photograph, a separate notarized signature, confirming the person's identity. See table 11.4.

**11.9. Photographs for Manually Prepared ID Cards.** Manual ID cards are no longer issued. See paragraph 1.2. **Exception:** DD Form 1934 remains as a manually prepared ID card (non-machine readable), pending future migration to the DEERS/RAPIDS platform.

**11.10. Completion of Manually Prepared ID Cards.** To complete and issue the manually prepared DD Form 1934, follow the procedures in Table 11.3.

**Table 11.3. Completion of Manually Prepared ID Cards.**

STEP	ACTION
1	The issuing official signs the ID card when the card shows all required data. A stamped signature element may be used.
2	Laminate the card between two sheets of plastic. Do not double laminate the ID card. When a card is returned because it is frayed or the sheets of lamination are beginning to separate, reissue a new card unless the laminating equipment can fix it without adding new sheets of plastic.
3	Complete the DD Form 1172-2 (formerly DD Form 1172) authorizing issue of the card.

**11.11. Issuing Procedures for Applicants Who Cannot Report In Person, Machine-readable ID Card.** Verification of DEERS eligibility may be required by the RAPIDS VO or further assistance from the uniformed Services DEERS Project Office if no record of DEERS enrollment exists, including subsequent ID card issuance to a qualifying individual. When an individual DEERS enrollment and eligibility are not in question, RAPIDS VO follows the

procedures in Table 11.4. The following are examples of persons who may be unable to report to the place of issue to obtain a machine-readable ID card:

11.11.1. Individuals who live far from a military facility, and:

11.11.1.1. Are physically handicapped or incapacitated.

11.11.1.2. Have no means of transportation.

11.11.1.3. Are hospitalized or ill.

**Table 11.4. Issuing Machine-readable ID Cards for Mail-in Requests.**

STEP	ACTION
1	Applicant provides an 8"x10" or 5"x7" portrait type photograph. A notary must verify the applicant's signature on a written statement concerning his or her identity. In instances of medical impairment, a statement from an attending physician is acceptable.
2	Use the RAPIDS camera to capture proper size photograph upon receipt.
3	Complete all entries on the ID card, except applicant's signature.
4	Send ID card to applicant using U.S. certified or registered mail, FedEx, DHL, UPS, or locally supported mail carrier services for tracking signature receipt.
5	Applicant signs the proper block on the ID card and return to the issuing office. <b>Note:</b> the VO enters "INCAP" when the individual cannot sign because of a mental or physical incapacity.
6	Applicant must return the card to the issuing activity. <b>(T-3)</b> . The issuing activity will laminate the card and return to the applicant by certified mail. <b>(T-3)</b> .
7	Establish local procedures to ensure applicant has received the ID card.

11.11.2. The next higher authority reviews each disapproved mail-in request.

**11.12. Mail-In Addresses for Sponsors and Dependents.** Requests are processed to the nearest ID card issuing facility. Applicants should contact the issuing facility by letter or telephone or web RAPIDS locator at <http://www2.dmdc.osd.mil/rsl/>.

**Table 11.5. Uniformed Services Addresses for Mail-in Requests.**

UNIFORMED SERVICE	MAIL-IN ADDRESS
NAVY	Nearest ID Card Facility.
MARINE CORPS	Nearest ID Card Facility.
AIR FORCE	Nearest ID Card Facility, or contact Total Force Service Center 1-800-525-0102, DSN 665-5000.
ARMY	Nearest ID Card Facility.
COAST GUARD	Nearest ID Card Facility.
PUBLIC HEALTH SERVICES (PHS)	Nearest ID Card Facility.
NATIONAL OCEANIC ATMOSPHERIC ADMINISTRATION (NOAA)	Nearest ID Card Facility.

**Note:** Residents of OCONUS should go to the RAPIDS locator web site at: <http://www2.dmdc.osd.mil/rsi/> to find the closest location of uniformed Service, and contact the RAPIDS site for local mail-in procedures.

**11.13. Fingerprints for Mail-in Processing.** All Uniformed Services are required to gather fingerprints from eligible individuals in a pay or annuity status (see paragraph 1.28). Since there is no method to collect fingerprints when processing a mail-in request, the VO should request the applicant to visit a RAPIDS facility to have their fingerprint captured, and ID card issued if necessary.

## Chapter 12

### COMMON ACCESS CARD (CAC) AND DD FORM 2 ARMED FORCES OF THE UNITED STATES GENEVA CONVENTIONS IDENTIFICATION CARD (ACTIVE) (MACHINE-READABLE CARD)

**12.1. General Information.** The DoD provides members of the DoD Components and the Uniformed Services with a distinct identity card, the CAC. It is the ID card for Uniformed Services personnel, to include the Active Component, the National Guard, Selected Reserve, and Participating IRR, and DoD civilian employees, eligible non-DoD civilian employees of other Federal Agencies, State Employees of the National Guard, eligible contractor personnel, and other eligible recipients as approved by USD (P&R). **Note:** The CAC replaces the former DD Form 2 (Active), referenced in this chapter as the green card, to members of the Uniformed Services on AD for 31 or more consecutive days, to United States (US) Service Academies cadets, midshipmen, and Coast Guard cadets, to contracted ROTC cadets and midshipmen.

12.1.1. CAC identifies recipients' applicable Uniformed Services' benefits and privileges; are used for physical access to buildings, facilities, installations and controlled spaces; serves as the primary platform for logical access by Public Key Infrastructure (PKI) authentication token in the unclassified environment used to access the Department's computer networks and systems.

12.1.2. The CAC is generated by the RAPIDS, based on the information within the DEERS.

**12.2. Individual Responsibility.** The card is the property of the U.S. Government, and is in the personal custody of the member at all times. The CAC surface may not be amended, modified, or overprinted by any means. No stickers or other adhesive materials are placed on either side of the CAC. No holes are punched into the CAC. The chip or laminate may not be removed or insertion of materials between the card stock and the laminate is prohibited; doing so would be considered defacing the CAC. Defacing the CAC affects the validity of the CAC and its applications. **Note:** Individuals are issued a separate CAC or ID card in each category for which they qualify. Possession of a duplicate CAC or ID card in the same category is prohibited.

12.2.1. The CAC is worn on the front of a body, displayed above the waist and below the neck in accordance with DoD 5200.1 and Service specific instructions.

12.2.2. It serves as the Geneva Conventions Card under Article 17 and/or an ID and privilege card, as appropriate, for eligible categories. Relative to the Treatment of Prisoners of War of August 12, 1949. The member shall have the CAC card in their personal custody at all times because it is the property of the U.S. Government. **(T-0). Exception:** See paragraph 12.5. The VO provides and explain to the CAC recipient that their electronic signature on the DD Form 2842, *Subscriber Certificate Acceptance and Acknowledgement of Responsibilities* acknowledges reading and accepting their responsibilities and obligations as stated.

12.2.3. The green DD Form 2 (Active) (manually prepared card) is no longer issued.

**12.3. How to Apply for the Machine-readable ID Card.** The applicant contacts the nearest issuing activity for verification and issuance of the ID card and follows Service dress and grooming requirements. Completion of a DD Form 1172-2 (formerly the DD Form 1172) is not

required since there is no requirement to file the application; however, the DD Form 2842 is required. **Exception:** See paragraph 21.14.

**12.4. When to Issue, Reissue or Renew the CAC or DD Form 2 (Active):** Issue the CAC (or when network communications are off-line to DEERS, the DD Form 2 [Active]) to members of the Uniformed Services on AD for 31 consecutive days or more to US Service Academies' cadets, midshipmen and Coast Guard cadets. **Note:** Issue the CAC to Reserve members coming on AD for 31 consecutive days or more, no earlier than 14 days in advance. Reissue or renew as required by Table 12.1.

12.4.1. Temporary CAC Issue. When there are no communications with the issuance portal, or the DoD Certificate Authority (CA), a temporary CAC can be issued with an abbreviated expiration date for a maximum of 280 days. The temporary card does not have a chip, nor does it have PKI certificates.

**Table 12.1. Conditions for Issue, Reissue or Renewal of the CAC or DD Form 2 (Active).**

ITEM	CONDITION
1	To show a change in expiration date. Do not issue new ID cards to show a change in expiration dates to members who sign an extension to their current enlistments until their terms of service expire and they enter the extension. <b>Exception:</b> The issuing authority may issue a new ID card to a member whose extensions would take effect while on TDY involving contingency operations or when a member enters the extension over a holiday, a weekend or other non-duty days that conflict with normal reenlistment schedule.
2	To replace an ID card for a separating person going on terminal leave and possessing an ID card valid beyond the DOS.
3	To show a change in grade on promotion or demotion to or from any grade above E-3 for Army, Navy, Marine Corps, Coast Guard only, and promotion from E-4 to E-5 for Air Force members. Air Force grades E-1 thru E-4, the ID card prints Airman "AMN."
4	To replace a lost, stolen, mutilated or destroyed ID card. <b>Note:</b> RAPIDS biometric SSM verification over-ride function may be used for lost or stolen ID as proof of identity if a previous photograph is available in DEERS.
5	To correct an error.
6	To show a change relating to the card's information, e.g., member name change, turning age 65 or enrollment with Medicare Parts A & B and TRICARE For Life (TFL) eligibility. See paragraph 1.5.2.1 for name change requests.
7	To show a significant change in facial features.

**12.5. When to Surrender the CAC or DD Form 2 (Active).** An individual surrenders the CAC or DD Form 2 (Green) USID card when one of the conditions described in Table 12.2 occurs:

**Table 12.2. Conditions for Surrendering the CAC or DD Form 2 (Active).**

ITEM	CONDITION
1	It is replaced (except when lost or stolen).
2	It expires.
3	The uniformed service member is in confinement as sentenced by a judicial body (courts-martial).
4	The sponsor dies, retires (refer to paragraph 14.3), is discharged, is released to inactive duty, or Service/Agency affiliation changes, or CAC is expired. <b>Note:</b> All recoverable CACs are returned to the DMDC for accountability. Due to security assurance for physical or logical access, the CAC cannot be released to a non-eligible bearer as the Public Key Infrastructure (PKI) credentials may be used for unauthorized access to Federally controlled government facilities or electronic access to government information systems. <b>Exception:</b> Upon request, next of kin may obtain the CAC for an individual who has perished in the line of duty. All CACs provided to next of kin are terminated, have the certificates revoked, and have a hole punched through the integrate circuit chip (ICC) prior to release.
5	When the uniformed service member is no longer entitled to it.
6	A military authority requires it for ID or investigation.

**12.6. How to Prepare the CAC or DD Form 2 (Active).** Automated sites use RAPIDS to prepare CAC since it is not a manual card. **Note:** Automation of the DD Form 2 (Active) is no longer available through RAPIDS.

## Chapter 13

### COMMON ACCESS CARD (CAC) AND DD FORM 2, ARMED FORCES OF THE UNITED STATES GENEVA CONVENTIONS IDENTIFICATION CARD (RESERVE) AND DD FORM 2 (RESERVE RETIRED)

**13.1. General Information.** This chapter describes the issue of the DD Form 2 (Reserve) (Green) after June 1998, and DD Form 2 (Reserve Retired) (Red). The DD Form 2 Reserve does not authorize medical benefits. Both cards do authorize commissary, exchange and certain MWR privileges as described in DoDI 1015.10, *Program for Military Morale, Welfare, and Recreation (MWR), November 3, 1995, with Change 1*. **Note:** The CAC replaces the former DD Form 2 (Reserve) for members on AD for 31 consecutive days or more or assigned to the SelRes or PIRR, participating in Armed Forces Health Professionals FAP, or contracted as an ROTC cadet. Other members who are not on AD for 31 consecutive days or more are not eligible for the CAC. See Terms on Dual Status.

**13.2. DD Form 2 (Reserve).** Issue the DD Form 2 Reserve to members of the Individual Ready Reserve and the Standby Reserve not on AD for 31 consecutive days or more. **Note:** The member shall have the card in their personal custody at all times because it is the property of the U.S. Government. **(T-0)**. Members being released from AD with a MSO are part of the IRR and are issued the green Reserve ID cards. Members who resign from the uniformed Services are not authorized issuance of the DD Form 2. See Resignation Term. The manually prepared DD Form 2 (Reserve) (Red) card is valid until the expiration date and was not issued after May 1998. See paragraph 1.2.

13.2.1. VSI Eligible Members. Members with a reserve obligation incurred as a result of a VSI separation remain eligible for a DD Form 2 USID card. Eligibility for VSI is based on separation as reflected on the DD Form 214 and the time period of receipt for the pay annuity.

13.2.2. A child who is an eligible dependent of an AD or retired member and is a member of a Reserve Component is entitled to both a DD Form 1173 and a DD Form 2 (Reserve) provided they are not on AD for 31 days or more (Reference Chapter 15, paragraph 15.1.2).

**13.3. DD Form 2 (Reserve Retired).** Issue the DD Form 2 (Reserve Retired) to members of the Retired Reserve and former members who have qualified for retired pay at age 60, but have not yet turned 60. See Attachment 1, Terms for gray area and former member.

13.3.1. Reserve Retirees who have served as part of a contingency activation for a period of 90 continuous days or more may retire with pay prior to age 60. This allows the retiree to receive their blue retiree ID, (DD Form 2 (Retired)), 90 days prior to their 60<sup>th</sup> birth date. **Note:** Although the sponsor qualifies to receive retired pay prior to age 60, they are not eligible for medical benefits until age 60. As such, RAPIDS issues a DD Form 2 (Retired) with a future Medical start date equal to the sponsor's 60<sup>th</sup> birthday.

**13.4. Honorary Retirees.** Do not issue the DD Form 2 (Retired) Blue, DD Form 2 (Reserve) Green, or DD Form 2 (Reserve Retired) Red ID card to honorary retirees (see Attachment 1).

**13.5. Delayed Enlistment Program (DEP).** Members under the DEP are not entitled to the DD Form 2 Reserve ID card. A copy of the enlistment contract and a picture ID are used to gain access to MWR revenue-generating facilities.

**13.6. Individual Responsibility.** The CAC and DD Form 2 (Reserve) also serves as ID for purposes of Article 17 of the Geneva Convention Relative to the Treatment of Prisoners of War of August 12, 1949.

13.6.1. The CAC surface may not be amended, modified, or overprinted by any means. No stickers or other adhesive materials are placed on either side of the CAC. No holes are punched into the CAC. The chip or laminate may not be removed or insertion of materials between the card stock and the laminate is prohibited; doing so would be considered defacing the CAC. Defacing the CAC affects the validity of the CAC and its applications.

13.6.2. Individuals are issued a separate CAC or ID card in each category for which they qualify. Possession of a duplicate CAC or ID card in the same category is prohibited.

13.6.3. Both the DD Forms 2 (Reserve) and (Reserve Retired) are property of the U.S. Government and shall be in the personal custody of the member at all times. **Exception:** See paragraph 13.8.

13.6.4. Completion of a DD Form 1172-2 (formerly 1172) is not required since there is no requirement to file the application; however, the DD Form 2842 is required. **Note:** Explain to the CAC recipient that their electronic signature on the DD Form 2842, *Subscriber Certificate Acceptance and Acknowledgement of Responsibilities* acknowledges reading and accepting their responsibilities and obligations as stated.

**13.7. When to Issue, Reissue or Renew the CAC or DD Form 2 (Reserve).** Issue, reissue or renew the DD Form 2 (Reserve) according to Table 13.1. The DD Form 2 (Reserve) Green ID card became available June 1998 and was phased in. The CAC is issued upon expiration of the DD Form 2 (Reserve) Green ID card, promotion, theft or loss, or upon release from AD. **Note:** When a child continues to meet the qualifications as a sponsor's dependent and is in a military Reserve Component and not on AD for 31 days or more issue the DD Form 1173. Refer to Table 15.1.

**Table 13.1. Conditions for Issue, Reissue or Renewal of the CAC or DD Form 2 (Reserve).**

Do not issue new ID cards to show a change in expiration date to members who sign an extension to their current enlistment until their term of service expires and they enter the extension. <b>Exception:</b> The issuing authority may issue new ID cards to members whose extensions would take effect while on TDY involving contingency operations or member enters the extension over a holiday or a weekend.
2	To members being discharged or released from AD and transferred to a Reserve status. <b>Note:</b> Members may keep their AD credential until day of departure and obtain a DD Form 2 (Reserve) before finishing processing.

ITEM	CONDITION
3	To show a change in grade on promotion to or demotion from any grade. <b>Exception:</b> Do not reissue ID cards to Army, Navy, Marine Corps, Air Force, Coast Guard, or NOAA members unless change in grade is to a grade above E-3 for enlisted or above O-1 for officers. For Marine Corps enter exact grade for officers.

6	To show a change relating to the card's information, e.g., member name change, turning age 65 or enrollment with Medicare Parts A & B and TRICARE For Life (TFL) eligibility. See Chapter 14 and <b>Table 14.1</b> . See paragraph 1.5.2.1 for name change requests.

**13.8. When to Surrender the CAC or DD Form 2 (Reserve) Card.** An individual surrenders the CAC or DD Form 2 (Reserve) card when one of the conditions described in Table 13.2 occurs.

**Table 13.2. Conditions for Surrendering CAC or the DD Form 2 (Reserve).**

5	The sponsor dies, retires, discharged with no further reserve obligation, or changes with the Service/Agency affiliation, or CAC is expired. <b>Note:</b> All recoverable CACs are returned to the DMDC for accountability. Due to security assurance for physical or logical access, the CAC cannot be released to a non-eligible bearer as the Public Key Infrastructure (PKI) credentials may be used for unauthorized access to Federally controlled government facilities or electronic access to government information systems. <b>Exception:</b> Upon request, next of kin may obtain the CAC for an individual who has perished in the line of duty. All CACs provided to next of kin are terminated, have the certificates revoked, and have a hole punched through the integrate circuit chip (ICC) prior to release.
6	When the uniformed service member is no longer entitled to it.
7	A military authority requires it for ID or investigation.

13.8.1. Exception to Surrendering ID Card. Guard or Reserve member entering AD 31 days or more, may retain their DD Form 2 (Reserve).

**13.9. How to Prepare the CAC or DD Form 2 (Reserve), and DD Form 2 (Reserve Retired) ID Cards.** Automated sites use RAPIDS to prepare the CAC and the DD Form 2 (Reserve Retired).

**14.1. General Information.** The chapter describes the issuance of the DD Form 2 (Retired) (Blue) to all eligible military personnel entitled to retired pay, including those on the TDRL and the PDRL.

14.1.3. A retired member entitled to retired pay, married to another retired member entitled to retired pay or an AD member, may also be enrolled as a dependent in DEERS and be issued a DD Form 1173. This allows all family members to be enrolled under a single sponsorship for medical eligibility and a single TRICARE deductible.

**14.2. Individual Responsibility.** The member shall have the card in their personal custody at all times because it is the property of the U.S. Government. **(T-0). **14.3. When to Issue, Reissue or Renew the DD Form 2 (Retired).** Issue, reissue or renew the DD Form 2 (Retired) according to Table 14.1. DD Form 2 (Retired) may be issued up to 120 days prior to established retirement date. The 120 days accommodates the combination of the maximum 90 days leave that may be granted and the 20 days permissive TDY for house hunting. **Note:** The AD ID is surrendered to receive the DD Form 2 (Retired).

These requests will be signed by the commanding officer. If authorization is granted, it does not authorize expenditure of funds for the purchase or maintenance of equipment incident to the issuance of ID cards.

**20.3. Designation of Agent for Commissary and Exchange Purchases.** Authorized commissary or exchange patrons may designate an individual to make purchases on their behalf or to accompany them when shopping in certain situations. The designations apply to facilities under the cognizance of the local base commander who issues the designation letter. ## Chapter 21

### AIR FORCE SERVICE UNIQUE REQUIREMENTS

**21.1. General Information.** The chapter provides ID card issuance procedures and requirements unique to Air Force members and their eligible dependents when authorized.

21.1.1. Pass and Registration no longer issues the manual AF Form 354 (non-DEERS/RAPIDS issued identity credential), and is transitioning to an identity card from the DoD Biometric Identification (ID) System (DBIDS). **Note:** Refer to the Defense Human Resources Activity (DHRA) Memorandum, October 29, 2010, "Cancellation of Manually Produced Identification (ID) Cards. The following manually produced ID cards are cancelled, DD Form 1173, DD Form 1173-1, DD Form 2764, DD Form 2765, and DD Form 489.

21.1.2. Individuals Who are Non-DEERS Eligible. Individuals requesting installation access and or services provided by installation facilities are based on jurisdiction, property rights, and geographic location as determined by local commander or his/her designate. **Note:** Refer to Service specific instructions for Physical Access Control Systems (PACS). If installation access or services are authorized, granted by the local commander or his/her designate, this action does not necessarily equate to qualifying for DEERS enrollment (leading to ID card issuance from RAPIDS).

21.1.3. Local command or agency unique protocol procedure may apply for installation access or services. For example, when no Reciprocal Health Care Agreement (RHCA) exists for the purposes of extending medical benefits or shopping privileges for DEERS, or eligibility to an ID card is no longer in effect (due to expiration and the individual no longer qualifies for DEERS), a Letter of Authorization is provided; or the authorization for enrollment within PACS such as DBIDS is determined by the local commander or his/her designate. **Note:** Refer to AR 12-15/SECNAVISNT 4950.4B/AFI 16-105 for medical eligibility and RHCA.

**21.2. CAC Issuance to Air Force Civilian Members:** The CAC replaces the former AF Form 354 for qualifying Air Force civilian employees as listed in Table 21.1, Item 1-5.

21.2.1. Retired Air Force civilian employees are not eligible for a CAC; they are eligible for the DoD/Uniformed Services Civilian Retiree ID Card, issued by RAPIDS. **Note:** Cards issued on or after 12 September 2015 will expire every 8-years; previous cards issued expired every 4-years to retired DoD/Uniformed Services civilian employees only.

21.2.2. Individuals are issued a separate CAC or identity (ID) card in each category for which they qualify. Possession of a duplicate CAC or ID card in the same category is prohibited. The member shall have the card that was issued to them in their personal custody at all times because it is the property of the U.S. Government. **(T-0).**

21.2.3. Display or provide information to the CAC recipient that their electronic signature on the DD Form 2842, Subscriber Certificate Acceptance and Acknowledgement of Responsibilities acknowledges reading and accepting their responsibilities and obligations as stated.

The MTF will refer sponsor to the local FSO or DFAS-IN to initiate a financial dependency determination (over 50 percent support) if medical sufficiency is established. <b>(T-3).</b> When civilian medical services are provided, resulting in an approved civilian medical sufficiency, the sponsor will need to contact the local FSO or DFAS-IN to initiate a financial dependency determination. <b>(T-3).</b> If the medical sufficiency statement is not approved by the MTF provider, the sponsor is directed to return to the FSS or Military Personnel Section (MPS) (formerly the Military Personnel Flight (MPF) to stop the dependency determination application process.
5	FSO or member self-initiates a financial dependency determination (over 50 percent support) by applying on DD Form 137-7, <i>Dependency Statement-Ward of a Court</i> . Effective 01 December 2016 Dependency Determination packages must be submitted through the ASK DFAS web site only.

**21.10. ID Card Processing Procedures for Issue of the DD Form 1934.** Eligible military and civilian members do not require a DD Form 1172-2 (formerly DD Form 1172) for issuance of the DD Form 1934.

21.10.1. The member brings the appropriate letter from the medical facility or chaplain's office and presents his or her CAC to Pass and Registration issuing officials. **21.12. Verifying Official Responsibility and Site Security Manager.** AF VOs review for new information at VOIS at <https://www.dmdc.osd.mil/appj/vois/index.jsp>, and AFPC myPers at <https://mypers.af.mil/app/>, and Defense Human Resource Activity (DHRA) at [www.cac.mil](http://www.cac.mil).

**21.13. Dependency Determination Processing Procedures for Illegitimate Children of Male Sponsors when there is no Court Order and the Parents have not Married.** When a male member receives approval for Basic Allowance for Housing solely for child support (BAH-diff), this does not automatically qualify the child for DEERS enrollment or issuance of an ID card. The sponsor must provide a court order establishing paternity or a Voluntary Acknowledgement of Paternity (VAP) for the purposes of DEERS enrollment and ID card issuance, if necessary. **(T-3)**. See Chapter 4, paragraph 4.9.

**21.16. Air Force Former Spouse Determination Program.** Beginning in late September 2011, the Air Force centralized eligibility determinations for divorced spouses of military members. The Air Force Former Spouse Determination Program provides one-source for DEERS eligibility and ID card issuance information in the event of divorce. See Attachment 7 for initial and redetermination eligibility applications.

21.16.1. Air Force ex-spouses receive individualized guidance through the complex process of determining their eligibility to qualify for ID card benefits and privileges. There are specific eligibility requirements that are met to qualify as a DoD Beneficiary after a divorce as outlined in Chapter 3.

21.16.2. Initial former spouse determination request is submitted by E-mail [afpc.dp1ssb.formerspouse@us.af.mil](mailto:afpc.dp1ssb.formerspouse@us.af.mil) and processed at the Total Force Service Center (TFSC), Air Force Personnel Center (AFPC), Randolph, Joint Base San Antonio (JBSA) for Active and Retired sponsors. ANG and Reserve sponsors are also processed by the TFSC Denver, Air Reserve Personnel Center (ARPC), Buckley AFB CO, and determination request is submitted by E-mail [arpc.contactcenter@arpc.denver.af.mil](mailto:arpc.contactcenter@arpc.denver.af.mil). For assistance, all DEERS beneficiaries call the TFSC 1-800-525-0102 or DSN 665-0102 (country code 312 overseas DSN locations). **Note:** Sponsor may apply on behalf of his or her ex-spouse for initial determination of DEERS eligibility to qualify as a former spouse:

21.16.5. Upon presentation of eligibility letter by the ex-spouse, cross-servicing is authorized for issuing the DD Form 2765 to the former spouse. **Note:** Qualifying ANG and Reserve former spouses receive the DD Form 2765 as a DoD Beneficiary, reflecting eligibility to MC, when the military member reaches age 60. Shopping privileges are extended when qualification is met and ID card is issued. See Chapter 3 and Attachments 2 and 6 for eligibility and qualifying criterion.

**21.17. Request For DEERS Record Correction.** Requests for corrections are made to a person's DEERS record, relating to:

Once the correction action is completed by the ARMS Branch, an Air Force Form 281, Notification of Change in Service Member's Official Records is filed in the retired member's military record. The original or certified copy document recording the correction action and a copy of the Air Force Form 281 are provided to the member for their records. A copy of the Air Force Form 281 is forwarded to the DFAS as well for their record update. DFAS sends the change confirmation to the DMDC for update to the retiree's record in the DEERS.

21.18.1. Retired members may also send a copy of their legal document supporting the correction in advance to the DMDC Beneficiary Helpdesk by calling 1-800-538-9552 (Fax number is 831-655-8137), pending confirmation from DFAS. DEERS corrections also include Air Force Board for Correction of Military Records (AFBCMR). See Term Board for Correction of Military Records.

**21.19. DEERS Record Correction – Discharged/Separated Member.** Former Air Force members who are separated must be able to provide evidence that an error was made when their name was recorded in their official records during their period of service. **(T-3)**. If a review of the member's records does not substantiate the evidence of an error being made, the correction/change is not granted. For example, if the name change took place after the member was separated, the correction is not granted. The official personnel record is a historical document of the time period the member served in the Air Force and cannot be altered or changed after the fact. DEERS corrections also include Air Force Board for Correction of Military Records (AFBCMR). See Term Board for Correction of Military Records.

**21.20. DEERS Record Correction – Federal Civilian Member.** Federal civilian members may submit their record request to their local Civilian Personnel Office (CPO). For a civilian member, the record correction action is accomplished by updating the member's civilian record through the Defense Civilian Personnel Data System (DCPDS) to the DEERS database.

**21.21. DEERS Record Correction – DoD/uniformed Service Contractor Member, Other Federal Agency Employee, or Volunteer/Intern.** Record corrections are accomplished through the TASS, formerly, Contractor Verification System (CVS) Program. Members will need to provide an original or certified copy document to their respective TASS Trusted Agent (TA) for processing directly to the DMDC for DEERS database update. **(T-3)**.

**21.22. DEERS Record Correction – Active, National Guard, and Reserve Member.** For a military member affiliated with the Active, National Guard, and Reserve Components, the record correction or modifying action for DEERS is initiated at the member's servicing personnel office by updating MilPDS; however, depending on type of action requested, may result involvement with other agencies who are the Office of Primary Responsibility (OPR) for updating MilPDS. Example: Enlisted member's DOS or officer continuation of service. In this instance, the OPR responsible for updating MilPDS may or may not be co-located with the member's servicing personnel office. Furthermore, the FSS, Military Personnel Section (MPS), or Total Force Service Centers San Antonio & Denver A1 Service Desk at <https://gum-crm.csd.disa.mil/> may take further action by documenting the request for correction or modification by opening a Case Management System (CMS), requesting correction to the member's military record within the Military Personnel Data System (MilPDS). DEERS corrections also include Air Force Board for Correction of Military Records (AFBCMR). See Term Board for Correction of Military Records. The following unique personnel data elements for modifying a member's DEERS record occur first within MilPDS directly or by CMS for MilPDS correction, before the DEERS database reflects the correction event:

21.22.1. Modification to a previously verified AD Personnel Begin and End dates in DEERS.

21.22.2. Modification to a previously verified AD Personnel Termination date during a termination from an earlier Projected End Date.

21.22.3. Un-terminate/reinstate a previously verified terminated AD Personnel End date.

21.22.4. Creation of certain Personnel Entitlement Conditions in DEERS. This type of transaction is the result of separations actions taking place with a member in the Selective

Reserve or on AD, qualifying for an AD Transitional Compensation Discharge Due to Misconduct (involving family member abuse). Another type of Personnel Entitlement Conditions in DEERS, includes members who are eligible for retirement; however, are discharged due to misconduct involving family member abuse, known as Retirement Transitional Compensation Discharge Due to Misconduct.

**21.23. Contracted/Enlisted Air Force Reserve Officer Training Cadet (ROTC).** Members assigned to the Obligated Reserve Section (ORS) are eligible for shopping privileges at commissaries, exchanges, and MWR facilities. The ROTC Web Intensive New Gain System (WINGS) record creation and submission to AFPC, then to DMDC creates a cadet's DEERS enrollment. Refer to Chapter 13. Refer to AFI 36-3026, Volume 2. Cadets under age 23, who have not graduated and are an eligible dependent of a sponsor, remain eligible for the DD Form 1173 or DD Form 1173-1. See Chapters 15 and 16.

Coast Guard issuing facilities ensure that unused CAC, non-Integrated Circuit Chip (ICC), and USID card stock is stored in a locked area. All card stock (used, unused, or discarded) is accounted for. Report any discrepancies to the Command Security Officer via the chain of command.

**23.15. USPHS Temporary Promotions.** The PHS Commissioned Corps has two types of grades and therefore two types of promotions: permanent and temporary. An officer's permanent grade is mandated by law and is initially based on creditable training and experience. Promotions in the permanent grade are subsequently based on years of service. An officer's temporary grade is also initially based on creditable training and experience, time in service and time in grade; however promotions in temporary grade may at times occur without respect to years of service in order to meet the needs of the mission of the agency to which the officer is assigned. By law, an officer is required to hold a temporary grade for at least 1 year before he/she is eligible for promotion to the equivalent permanent grade; consequently an officer's temporary grade is always equal to or higher than his permanent grade. The temporary grade determines an officer's rank and pay. When presented with a PHS Promotion Order, the issuing or VO may update DEERS based on the temporary grade or highest rank reflected on the order. Questions should be directed to the Service Project Officer at (240) 453-6131 or [phsdeersgibill@hhs.gov](mailto:phsdeersgibill@hhs.gov).

**23.16. USPHS. Incapacitated Children Over Age 21 (All Applications):**

23.16.1. The USPHS service project office shall assist sponsors and other applicants when processing initial applications for incapacitated children. 10 U.S.C. § 1072 indicates the incapacitation had occurred while a dependent of a member or former member. USPHS will follow the guidance listed in Chapter 4.6 of this instruction. Also refer to paragraph 4.6.3 for redetermination of permanent incapacitation application.

23.16.2. **24.1. Members Entitled to Retired Pay Versus Honorably Discharged Veterans Rated 100-Percent Disabled by the Department of Veterans Affairs (DVA).** The following information explains the difference between members entitled to retired pay and honorably discharged veterans rated 100-percent disabled by the DVA.

24.1.1. Members Entitled To Retired Pay. There is a lot of confusion concerning the status of members who are entitled to retired pay but also rated 100-percent disabled by the DVA for compensation purposes. The key to the member's status is the fact that the member is entitled to retired pay:

24.1.2. Some individuals may choose to waive their retired pay to receive "tax-exempt" disability compensation from the DVA as it is more advantageous for monetary reasons; however, this has no effect on their entitlement to a DD Form 2, Retired (Blue) ID card:

24.1.3. The member should be reflected in retired status in DEERS and issued the DD Form 2 Retired.

24.1.4. Their eligible dependents are issued the DD Form 1173 reflecting eligibility to TRICARE, MC in Uniformed Services MTFs, including commissary, exchange, and MWR privileges. **Note:** The DVA will determine eligibility for a dependent parent, parent-in-law, stepparent, or parent-by-adoption of a DAV. No dependency determination application is submitted to the uniformed Services personnel or finance offices for approval (see paragraph 24.2.5).

24.1.5. Some dependents may erroneously be in receipt of medical benefits through the Civilian Health and Medical Program of the Department of Veterans Affairs (CHAMPVA); however, when the member is in a retired status (entitled to retired pay), entitlement to TRICARE prevails over CHAMPVA.

**24.2. Honorably "Discharged" Veterans Rated 100-percent Disabled by the DVA.** Honorably discharged veterans who are not entitled to retired pay, and rated 100-percent disabled from a Uniformed Service-connected injury or disease. The DVA Regional Offices generate a veteran's eligibility letter. The eligibility letter content is often dependent upon the information entered by the Regional Office case worker. As a result, variations occur among the DVA Regional Office letters provided to an eligible veteran and presented to RAPIDS SSMs/VOs; these eligibility letters may not necessarily conform to the guidance within this instruction, including the sample template letter in Attachment 20. **Note:** See paragraphs 24.4 and 24.7 for members who received less than other honorable discharge.

24.2.1. In order for an eligible veteran to receive an ID card from the DoD/uniformed Services issuing facilities, a letter from the DVA certifies that the veteran is entitled to commissary and exchange privileges, and indicates whether a medical reevaluation is necessary.

24.2.2. Presentation of posthumous determinations, indicating the 100 percent disability award to the deceased veteran is made available to surviving spouses, same-sex marriage spouses, and dependents. See paragraph 24.2.2.

24.2.3. One specific area of confusion occurs when a Disabled Veteran (DAV) seeks to obtain 100% DAV status and the associated DD Form 2765, Department of Defense/Uniformed Services Identification and Privilege Card. An eligible veteran may present a total disability rating less than 100%, but is determined to be unemployable (compensation based on unemployability, see paragraph 24.2.4). This situation applies to veterans who are on the PDRL as well as those who are on the TDRL.

24.2.4. Veterans who are determined to be unemployable by the DVA, shall be enrolled in DEERS as 100% DAV (DAVTMP or DAVPRM), even if the DVA eligibility letter shows a total disability rating less than 100%. **(T-0)**. Terminology and letter format used by the DVA that RAPIDS SSMs/VO's may see in the eligibility letter, qualifying a veteran for 100% DAV status for DEERS are:

24.2.5. 100-percent disabled from a service-connected injury or disease, or

24.2.6. 100% disabled, or

24.2.7. Unemployable, or

24.2.8. Individually unemployable. **Note:** Commissary, Exchange and MWR benefits are authorized for all former members enrolled as 100% disabled, even if not specifically stated in the VA letter.

**24.3. USD P&R Memorandum, May 7, 2008, Commissary and Exchange Access by Surviving Spouses and Dependents of Honorable Discharged Veterans Posthumously Determined 100 Percent Disabled.** Memorandum authorizes access to military commissary and exchange shopping privileges for surviving spouses and dependents of honorably discharged veterans who are posthumously determined to have possessed service-connected disabilities rated as 100 percent.

24.3.1. A General Discharge Under Honorable Conditions. A Honorable discharge is required in order for veteran (who is rated 100 percent disabled) to qualify for DEERS enrollment and for ID card issuance. A General discharge (under honorable conditions) is not considered an Honorable discharge. Therefore, veterans who are rated 100 percent disabled with a General discharge under honorable conditions do not qualify for DEERS enrollment, including their family members, or an ID card issued from RAPIDS; reference DoDI 1332.14, Enlisted Administrative Separation, (Enclosure 4), paragraph 3, Characterization of Service or Description of Separation, subparagraph b Characterization of Service, (2) Types of Characterization.

24.3.2. Additionally, veterans (both enlisted and officer) who receive less than other honorable discharge for any period of service, e.g., dishonorable, other than honorable, or uncharacterized (unknown), they and their family members are not eligible for DEERS enrollment or ID card issuance. Furthermore, members who received an honorable discharge from one branch of service, and subsequently, served with another branch of service, and receive a discharge less than honorable, they and their family members are not eligible for DEERS enrollment or ID card issuance.

24.3.3. Letters from the DVA that indicate the veteran has been awarded 100 percent disability compensation based on unemployability is acceptable. Eligible family members are entitled to the DD Form 1173 reflecting shopping privileges only. See paragraph 24.2.5.

24.3.4. These individuals and their family members are not entitled to TRICARE or MC through the Uniformed Services MTFs and receive their medical benefits through the Civilian Health and Medical Program, Department of Veteran Affairs (DVA). See Attachment 2, Tables A2.11 and A2.12.

24.3.5. A copy of a DD Form 214 reflecting an honorable discharge is also required.

**24.4. General Information about TRICARE and Medicare, Part A.** Both TRICARE and the SSA Medicare Part A Hospital Insurance are government-sponsored health benefits programs prescribed by federal law. An individual may not receive both benefits unless they are disabled, under age 65, or are eligible for Medicare at or over age 65 and enrolled in Part A and Part B of Medicare or are an AD dependent over age 65. **Note:** Information and eligibility concerning Social Security benefits may be obtained by contacting the SSA (See paragraph 25.5).

**24.5. TRICARE.** TRICARE Eligibility for AD Dependents. Title 10, United States Code, Section 1079, authorizes an insurance plan through which care could be obtained through civilian sources. This section of law permits continuation of TRICARE when an AD spouse or child are entitled to benefits under Medicare, Part A Hospital insurance, regardless of age:

24.5.1. TRICARE is the secondary payer. Medicare is the primary payer. This means that after Medicare pays, TRICARE could cover any allowable portion that is not covered by Medicare. It does not mean that both programs may pay the same benefits.

24.5.2. TRICARE for Life (TFL) is TRICARE'S version of a Medicare supplemental plan. TFL beneficiaries, Medicare becomes the primary insurance carrier, and TFL is secondary. DoD/uniformed Services and TFL programs do not issue a separate insurance card, with the exception of ID cards authorized within this instruction. (See Table 1.1 for types of ID cards). Eligibility for TFL is extended to retired members (at or over age 65), their qualifying dependents and surviving dependents. Title 10, United States Code, Section 1086, provides comparable civilian health care for retired Uniformed Service members and their eligible dependents as well as surviving dependents of deceased members. Public Law 106-398 amended Title 10, United States Code, Section 1086 to authorize TRICARE benefits to those who are Medicare Part A eligible, and enrolled in Medicare Part B, when they turn age 65. If not eligible at age 65, they may qualify for TFL if they later become eligible for Medicare, Part A and enroll in Medicare, Part B.

24.5.3. Not Eligible for Medicare at Age 65. Individuals who are not eligible for Medicare at age 65 can be reinstated for continued TRICARE coverage by presenting a Notice of Disapproved Claim or statement from the SSA indicating they are not eligible for Part A of Medicare under either the sponsor's, their own, or their spouse's SSN.

24.5.4. Disabled Retired Members Under Age 65 and Eligible Disabled Dependents. Title 10, United States Code, Chapter 55 was amended by Public Law 102-190 and Public Law 102-272 to allow all beneficiaries, under age 65, who would otherwise have lost eligibility for TRICARE due to eligibility for Medicare as a result of disability to retain TRICARE as a secondary payer if they are enrolled in Medicare Part A and Part B. Medicare Part B is required to be purchased when they become eligible for Part A. If not, TRICARE can be restored if Medicare Part B is purchased. See paragraph 7.1.

24.5.5. Fraud, Waste, and Abuse. DoD, Uniformed Services and other federal agencies are committed to preventing, identifying, and assisting in the prosecution of identity and health

card fraud. To report instances of fraud, contact DMDC 1-800-538-9552 or [www.cac.mil](http://www.cac.mil) or the Defense Health Activity (DHA, Attention Program Integrity, 16401 East Centretch Parkway, Aurora, CO 80011-9066).

24.5.6. MilConnect eCorrespondence. eCorrespondence is available online for TRICARE Enrollment cards, Children Age 21/23 Eligibility Change Letters, and Medicare Letters at <https://www.dmdc.osd.mil/milconnect>.

24.5.6.1. Active, National Guard, Reserve members on AD or Early Alert status automatically receives an E-mail notification to their personnel E-mail address in place of a mailed letter.

24.5.6.2. Family members and non-AD populations preferring E-mail correspondence also receive an E-mail notification when available.

24.5.6.3. Sponsors are able to view enrollment cards for their eligible family members, if otherwise qualifying for DEERS. Family members over age 18 are also able to obtain a DS Logon and access their information themselves under their own account.

**24.6. General Information About Medicare.** Title 42, U.S.C., Chapter 7, subchapter XVIII, Health Insurance for Aged and Disabled, of the Social Security Act, is the basic authority for the Medicare Program. Medicare is administered by the Centers for Medicare and Medicaid Services (CMS) of the US Department of Health and Human Services. There are two parts to Medicare. They are Medicare Part A, Hospital Insurance and Medicare Part B, Medical Insurance. Table 24.1 addresses Medicare, Part A eligibility:

**Table 24.1. Medicare, Part A Eligibility.**

ITEM	MEDICARE, PART A ELIGIBILITY
1	When TRICARE eligible beneficiaries, including spouses, and children of AD members, qualify for Medicare Part A Hospital Insurance Benefits, they must apply for those benefits – they are not automatically provided. <b>(T-2)</b> . It is important for VOs to inform beneficiaries of the need to file for Medicare Part A Hospital Insurance Benefits because Medicare becomes the primary insurance payer.
2	<p>TRICARE beneficiaries should file for a formal determination of entitlement for Medicare Part A Hospital Insurance benefits through the SSA when they attain age 65 or they are disabled, regardless of age.</p> <p>Individuals attain age 65 for Medicare purposes on the first day of the month of their 65th birthday, unless the birthday falls on the first day of the month. If the birthday falls on the first day of the month, age 65 is attained on the first day of the preceding month.</p> <p>Ensure the sponsor is aware that TRICARE is available as the secondary payer--only if they are enrolled in Medicare Part B. <b>Note:</b> Beneficiaries do not have an option to choose between TRICARE and Medicare.</p>
3	Most Medicare eligible individuals meet the criteria for “premium-free” Medicare Part A Hospital Insurance Benefits. Individuals who do not meet the criteria for “premium-free” benefits may purchase Medicare Part A Hospital Insurance Benefits.
4	<i>Purchased</i> Medicare Part A Hospital Insurance Benefits <i>does not</i> disqualify an individual for TRICARE; however, TRICARE becomes the secondary payer.

24.6.1. Social Security Disability Insurance. Table 24.2 provides information for members and eligible dependents receiving Social Security Disability Insurance:

**Table 24.2. Social Security Disability Insurance Information.**

ITEM	SOCIAL SECURITY DISABILITY INSURANCE
1	Individuals drawing Social Security Disability Insurance benefits for 24 consecutive months automatically become eligible for Medicare Part A Hospital Insurance benefits in the 25th month:
2	Members placed on the TDRL, Medicare Part A and Part B eligibility impact TRICARE entitlement. Refer to Beneficiary Counseling Assistance Coordinator (BCAC), MTF for information.
3	Members being placed on the PDRL after having been on TDRL (for at least 24 months), apply for a formal determination of eligibility for Medicare Part A Hospital Insurance benefits from the SSA. Refer to BCAC, MTF for information.

24.6.2. Medicare Part A and Part B Insurance Coverage. The following provides information concerning Medicare, Parts A and B Coverage:

**Table 24.3. Medicare, Parts A and B Coverage.**

ITEM	COVERAGE
1	<p>Medicare Part A:</p> <p>Medicare, Part A Hospital Insurance helps pay for inpatient hospital care, some inpatient care in a skilled nursing facility, home health care, and hospice care. Having Medicare Part A Hospital Insurance, alone, does not equal coverage under TRICARE.</p>
2	<p>Medicare, Part B:</p> <p>Medicare, Part B Medical Insurance helps pay for medically necessary doctors' services and supplies that are not covered by the hospital insurance part of Medicare. Part B is not premium free. If this portion of Medicare is not elected, TRICARE does not cover those items. If Part A of Medicare is authorized, Part B is automatic and may not be declined in order to have secondary coverage under TRICARE. Beneficiaries should contact their local Social Security Office for complete information on Medicare Parts A and B.</p>

24.6.3. An individual who has not contributed toward Social Security may qualify for Medicare Part A because a relative (spouse or parent) has made sufficient contributions. An eligible TRICARE beneficiary qualifying for this reason would no longer be eligible for TRICARE unless they are under age 65 and are receiving benefits under Part A and Part B due to a disability. In this case, TRICARE would become the secondary payer.

24.6.4. The laws that govern TRICARE and Medicare are very complex. Whenever there is any question about Medicare entitlement, beneficiaries should be advised to consult their local Social Security Office or 1-800-772-1213 for enrollment and eligibility questions (see paragraph 25.5).

**24.7. Medicare Penalties and Equitable Relief.** A beneficiary who does not elect Medicare Part B at the time he or she becomes eligible for Part A will pay a penalty for a late election. The enrollment period is 1 January through 31 March each year. Coverage does not begin until 1 July of the year of enrollment. The monthly premium for Part B is 10 percent higher for each 12-month period the beneficiary could have had medical insurance, but was not enrolled.

**24.8. What is Equitable Relief?** Equitable relief is a process of undoing harm caused to an individual when a beneficiary's enrollment for Medicare Part A or Medicare Part B, termination, or coverage rights are prejudiced because of an error, misrepresentation, or inaction of an employee or agent of the government. Although Equitable Relief is available, it is important to ensure that only correct actions are taken and proper information given to an individual about Medicare.

**24.9. Applying for Equitable Relief.** Refer the beneficiary to the DEERS Support Office (DSO) when you believe that an agent of DoD has misrepresented a beneficiary's entitlement to Medicare Part A or Medicare Part B:

24.9.1. DSO is the authorized agency within the DoD to verify misrepresentation by DoD government agents, which may have prejudiced a beneficiary's proper election of Medicare Part A and or Medicare Part B.

24.9.2. The DSO does not attempt to assign blame, only to assist the beneficiary in receiving the proper entitlement:

24.9.3. Beneficiaries are asked to write the circumstances regarding their non-election during their original entitlement period to the DSO:

24.9.4. DSO in coordination with Centers for Medicare and Medicaid Services (CMS) will provide verification to the beneficiary to file with the SSA for Equitable Relief. Equitable Relief allows the beneficiary to receive Medicare Part A as of their original entitlement date, and to receive Medicare Part B as of either:

24.9.4.1. Their original entitlement date upon payment of back premiums, or;

24.9.4.2. The 1st day of the month in which the beneficiary applies for Equitable Relief.

24.9.4.3. If beneficiaries are interested in Equitable Relief, they may contact the DEERS Beneficiary Telephone Center, Monday-Friday, from 0600-1530 (Pacific Time) at 1-800-538-9552.

### *Terms*

**Ab Initio Annulment** - An annulment granted by a court of competent jurisdiction which holds that a marriage had never existed.

**Abused Dependent** - A dependent of a member or former member of the Armed Forces, whose eligibility to retired pay was terminated, and who was separated due to misconduct involving dependent abuse (see Title 10 U.S.C., Section 1408 [(h)(2)(9)(A)]), paragraph 5.1; or a dependent of a member of the armed forces on AD for a period of more than 30 days who was convicted of a dependent-abuse offense and whose conviction results in the member being separated from AD pursuant to a sentence of a court-martial; or forfeiting all pay and allowances pursuant to a sentence of a court martial; or who was administratively separated from AD in accordance with applicable regulations if the basis for the separation includes a dependent-abuse offense (see Title 10, U.S.C., Section 1059, paragraph 5.2).

**AD** - Full-time duty in the active military service of the United States. Such term includes full-time training duty, annual training duty, and attendance, while in the active military service, at a school designated as a Service school by law or by the Secretary of the military department concerned. Such term does not include full-time National Guard duty (Title 10, U.S.C. 101 [d] [1]).

**AD for a Period of 31 days or more** - AD under a call or order that does not specify a period of 30 days or less. When the “AD for a Period of More than 30 Day” is established by consecutive set of orders, their eligible dependents become entitled to TRICARE medical benefits on the first day of the set of orders that brings the period of AD over 30 days.

**AD for Training** - A tour of AD which is used for training members of the Reserve Components to provide trained units and qualified persons to fill the needs of the Armed Forces in time of war or national emergency and such other times as the national security requires. It includes annual training, special tours of AD for training, school tours, and the initial duty for training performed by non-prior service enlistees.

**Adopted Child** - A child adopted before the age of 21 or if enrolled in a full-time course of study at an institution of higher learning before the age of 23. Except for entitlement to MC, a child with an incapacitating condition that existed before the age of 21 or that occurred while the child was a full-time student prior to the age of 23 may be adopted at any age provided it is determined that there is a BONA FIDE parent child relationship. A child of an AD member or retiree who is adopted by a nonmilitary member after the death of the sponsor remains eligible for MC only as there would be no termination of the legal relationship between the child and the deceased sponsor.

**Adoptive Parent** - A person who adopted the sponsor before the sponsor's emancipation or before the sponsor's 21st birthday. A bona fide parent-child relationship existed before the adoption.

**Air Force Employee** - An individual employed by the Air Force and appointed in the Civil Service as defined in Title 5, U.S.C., Section 2105(a), or required by Air Force regulation to take the oath of office.

**Annulled** - The status of an individual, whose marriage has been declared a nullity by a court of competent jurisdiction that restores unremarried status to a widow, widower, or former spouse for reinstatement of benefits and privileges. seal or markings of the issuer; (2) Has a means to validate the authenticity of the document by a reference or source number; (3) Is a notarized legal document or other document approved by a Judge Advocate, member of any of the armed forces, or other eligible person in accordance with section 1044a of Title 10, United States Code; or (4) Has the appropriate certificate of authentication by a U.S. Consular Officer in the foreign country of issuance which attests to the authenticity of the signature and seal.

**Child** - An unmarried natural child, stepchild, adopted child, or child of the sponsor's same-sex married spouse; includes legitimate child (born of marriage), legitimate stepchild, or child born out-of-wedlock (illegitimate child). See terms of Ward or Foster Child, also known as a ward of the court, including placement by welfare services.

**Contract Employee** - A non-government employee under contract or working for a firm under contract with the DoD, or Uniformed Services. For purposes of ID card entitlement, the contract or other document that the verifier may refer to the SJA for legal determination of sufficiency specifically establishes the contract employee relationship. In overseas bases, documentation also establishes the contract's assignment to the particular installation. Legal documents (marriage certificate, birth certificate) establish dependent relationship.

**Cross-Servicing Agreement** - For the purpose of this Air Force inter-service instruction (AFI), a cross-servicing agreement (established by the seven Uniformed Services) allows verification and issuance of ID cards by a Service to certain categories of beneficiaries, even if they belong to another parent Service.

**Note:** For certified documents, this includes official copies of documents (whether called certified copies or not), as long as they qualify under the laws of the state where made, to be introduced into evidence in court. Usually such copies are accompanied by a statement (either attached or on the copy itself) of the records custodian attesting to the copy's authenticity and is signed by the custodian. Foreign documents are accompanied by an English translation. Foreign divorce decrees are reviewed by the local installation legal staff (see chapter 22 for the Marine Corps).

**DoD Beneficiary** - A person who receives benefits from the DoD based on a prior association, condition, or authorization (see unremarried widow and unremarried former spouse). **Early Retirement (ER) (AD)** - Authorized by Public Law 105-261, Section 4403, (codified in Title 10, United States Code, Section 638a), from 23 October 1992 through 30 September 2001, for members of the active component and members of the Reserve component who complete at least 15, but less than 20 years of AD (includes Full-Time National Guard) as of October 23, 1992. These members receive the same benefits as those members who have completed 20 AD years for retirement and are issued the DD Form 2 (Retired). Their eligible dependents are issued the DD Form 1173 as dependents of AD retired members. Assistant Secretary of Defense for Force Management and Personnel guidance memorandum, dated 12 March 1993, implemented the ER program. Former spouses are not considered eligible dependents.

**Financial Services Office** - Local installation finance office.

**Former Member** - An individual who is eligible to receive retired pay for non-Regular service under Chapter 1223 of Title 10, U.S.C., but who has been discharged from the Service and maintains no military affiliation. These former members are issued the DD Form 2765 and their eligible dependents the DD Form 1173 when the member reaches age 60. These former members and their eligible dependents are entitled to MC, commissary, exchange, and morale, welfare, and recreation privileges at age 60 when entitled to retired pay. Prior to age 60 the member is entitled to the DD Form 2 (Reserve Retired) and eligible dependents the DD Form 1173-1. These cards grant unlimited exchange and MWR privileges and limited commissary access.

**Former Spouses** - DoD Beneficiaries, divorced individuals who were married to a Uniformed Service member for at least 20 years, and the member had at least 20 years of service creditable in determining eligibility to retired pay, and the marriage overlapped by: 20 or more years

(20/20/20); or 15 years, but less than 20 years (20/20/15); or, an abused spouse whose marriage overlapped by 10 or more years (10/20/10).

**Foster Child** - A child without parental support and protection, placed with a person or family, usually by local welfare services or by court order. The foster parents(s) do not have custody, nor is there an adoption, but they are expected to treat the foster child as they would their own in regard to food, housing, clothing, and education. (See Title 10, Section 101 [(d)][(5)][(reference (d))]. FTNGD is active service IAW Section 101[(d)][(3)] of referenced [(d)]).

**Graduate Student** - Children who have graduated from an undergraduate program and have a letter of acceptance in a graduate degree program signed by an authorized officer of the college or university for a student over the age of 21 who is dependent upon the sponsor for over one-half of the child's support. The letter of acceptance documents student status. A temporary ID card may be issued for a period not to exceed the 30th day of the month of enrollment as an expiration date for the student to complete enrollment procedures at the college or university in the graduate study program. After registration is complete, an ID card is issued for the entire period of the graduate work program as determined by the college or university, not to exceed the 23d birthday of a child.

**Gray Area** - The period between retirement under official orders from the selected Guard or Reserve component after satisfactorily completing 20 or more years of service and eligible for retired pay at age 60.

**Guard and Reserve DEERS Enrollment Program** - The program by which Guard and Reserve members and their eligible dependents are enrolled into the DEERS. Those sponsors and their dependents are maintained in a pre-eligibility status for future entitlement to unlimited benefits, until such time as the sponsor is called to AD by Presidential call-up or congressional decree. On sponsor activation, as reflected in the Uniformed Service personnel tapes submitted to the DMDC, the DEERS reflects activation of preeligible dependents as eligible for full benefits for a period not to exceed 270 days. Preeligible dependents are not required to prove their relationship to the sponsor a second time to receive benefits. To receive benefits during the 270-day period, dependents are required to possess the DD Form 1173-1 and a copy of the sponsor's orders to AD. Retention of eligibility after 270 days requires revalidation of the dependent's relationship to the sponsor in DEERS and issue of a DD Form 1173. At any time during the 270 day period, dependents can request issuance of the DD Form 1173.

**Honorary Retiree** - A member of the Retired Reserve not entitled to retired pay at age 60; therefore, is no longer entitled to an ID card (Public Law 101-510).

**Identification Card Work Center** - An Army ID card verification and issuing activity.

**ID Card Office Online (formerly RAPIDS Self-Service [RSS]) Portal** - ID Card Office Online Portal provides DoD sponsors the ability to update DEERS contact or complete an ID

card application (DD Form 1172-2) for ID card issuance. Although not required, the sponsor can also print a digitally signed copy of the DD Form 1172-2 application for the family member for submission to the RAPIDS ID card issuance facility.

**InAD Training** - A period of training on inAD which includes not only that time between muster and dismissal, but also includes travel to or from such drills.

Upon mobilization, they mobilize with their units. In order for these personnel to remain members of the Inactive National Guard, they must muster once a year with their assigned unit. Like the Individual Ready Reserve, all members of the Inactive National Guard have legal, contractual obligations. Members of the Inactive National Guard may not train for retirement credit or pay and are not eligible for promotion. Also, called ING. For the purpose of this instruction, issuance of DD Form 1173-1 to ING dependents is mandatory. The ING participates in the Guard or Reserve DEERS Enrollment Program.

**Individual Ready Reserve (IRR)** - A manpower pool consisting of individuals who have had some training and who have served previously in the Active Component or in the Selected Reserve and have some period of their military service obligation remaining. Members may voluntarily participate in training for retirement points and promotion with or without pay. Also, called IRR. For the purpose of this instruction, it also includes volunteers, who do not have time remaining on their MSO, but are under contractual agreement to be a member of the IRR. These individuals are mobilization assets and may be called to AD under the provisions of Title 10, U.S.C, Chapters 15 and 1209. Issuance of DD Form 1173-1 to IRR dependents is mandatory. The IRR participates in the Guard and Reserve DEERS Enrollment Program.

**In Loco Parentis** - Acting as a parent by assuming parental duties and responsibilities. (People in this status do not receive ID card entitlements.)

The TAMP was instituted in section 502 of Public Law 101-510 (1990) effective October 1, 1990. Inclusive in this legislation was the expansion of pre-separation and separation services to include the Continued Health Care Benefit Program (CHCBP) a voluntary COBRA-like insurance program for military members (including their family members), separating from active service.; an expanded pre-separation counseling service for separating Service members; and the various "Project Transition" initiatives which includes the Operation Transition Employer Database, the Operation Transition Site Database, and the Transition Bulletin Board providing potential employer and potential employee contact and information. These initiatives were established to support the Reduction in Force (RIF) directed by Congress in response to the Peace Initiative.

(1991) - A separate Persian Gulf Supplemental Authorization and Personnel Benefits Act of 1991 (Public Law 102-25 [1991] (Reference [x]) was implemented effective April 6, 1991 to extend 30 days of transitional MC to Guard and Reserve Service members who were activated in support of Operation DESERT STORM or DESERT SHIELD. This provision was later amended to include all named contingencies as determined by Federal authority.

(1995 and 1998) - The TAMP program was extended in 1995 and again in 1998 with an expiration date of December 31, 2001. The NDAA FY 2002 (Public Law 107-107 (2002) (Reference [y]) extended TAMP medical benefits for Service members effective January 1, 2002. The significance of this extension was the removal of the expiration date for the program, December 31, 2001. However, this program is currently in effect for Service members indefinitely, unless otherwise terminated by legislation. In addition Guard and Reserve Service members were extended the same period of transition medical benefits as AD Service members (60 or 120 days based on time in Service). The authority for family members was not extended and subsequently expired on December 31, 2001.

(2002) - The Undersecretary of Defense, Personnel and Readiness (P&R) on March 1, 2002 authorized a Nationwide Demonstration Project on May 2, 2002 to determine the cost-effectiveness of providing health care to the eligible family members of Transitional Health Care eligible Service members. The demonstration program was instituted for two years.

(2004) - Section 706 of Public Law 108-375 (2004) (Reference [n]) made the Transitional Health Care program permanent, and made the medical eligibility 180 days for all eligible Service members and family members for access to the MTF and TRICARE medical programs and does not include TRICARE dental programs.

(2008) - Section 651 of Public Law 110-181 (2008) (Reference [j]) added back the two year commissary and exchange privilege for involuntarily separated Service members. The DoD added MWR to the benefit set and extended the same benefits to the eligible family members.

(2008 continued) Section 734 took effect on October 14, 2008 extended THC benefits to a uniformed service member who is separated from AD who agrees to become a member of the SelRes of the Ready Reserve of a Reserve Component.

To qualify for benefits under this program, individuals are separated with service characterized as honorable or general under honorable conditions meeting the separation reasons identified under Title 10, Section 1145. DD Form 2765 ID card is issued to these individuals and the DD Form 1173 to their family members.

Enlisted members not eligible are those discharged for reasons of misconduct, discharge in-lieu of court-martial or other reasons for which service normally is characterized as under other than honorable conditions. Officers not eligible for transition assistance are those discharged as a result of resignation in-lieu of trial by court-martial, or misconduct or moral or professional dereliction if the discharge could be characterized as under other than honorable conditions.

**Tier 2 (T-2)** - Non-compliance may degrade mission or program effectiveness or efficiency and has potential to create moderate risk of mission or program failure, injury, legal jeopardy or unacceptable fraud, waste or abuse. The waiver authority is the MAJCOM/CC (delegable no lower than MAJCOM Director).

**Tier 3 (T-3)** - Non-compliance may limit mission or program effectiveness or efficiency and has a relatively remote potential to create risk of mission or program failure, injury, legal jeopardy or unacceptable fraud, waste, or abuse. The waiver authority is the Wing/DRU/FOA/CC (delegable no lower than Group/CC or equivalent).

**TRICARE** - The DoD healthcare benefit program for eligible beneficiaries and their family members. **Unremarried** - A DoD beneficiary who is a widow or widower, who has never remarried; a former spouse whose only remarriage was to the same military sponsor is treated as if he or she never remarried and the periods of marriage may be combined to document eligibility leading to qualifying for former spouse benefits.

**Unremarried Former Spouse** - A DoD beneficiary who has not remarried and at the time of divorce was married to the military member for at least 20 years; the military member performed at least 20 years creditable service in determining eligibility to retired pay; and the marriage and the member's creditable service overlapped at least 15 years. **Exception:** See Tables 3.5 and 3.6. This term includes foster children and children for whom a managing conservator has been designated. Wards are dependent on the sponsor for over half of their support. An ID card issued to a ward may not reflect entitlement to MC benefits with respect to determinations of dependency made on or after July 1, 1994 unless the child is placed in the legal custody of the member or former member as a result of an order of a court of competent jurisdiction in the United States (or a Territory or possession of the United States) for a period of at least 12 consecutive months and the child is: (1) Younger than 21 years of age; (2) Between the ages of 21 and 23 and enrolled in a full-time course of study at an institution of higher learning approved by the administering Secretary; and is, dependent on the member or former member for over one-half of the student's support or was at the time of the member's or former member's death; (3) Incapable of self-support because of a mental or physical incapacity that occurred while the person was considered a dependent of the member or former member; and is, dependent on the member or former member for over one-half of the person's support or was at the time of the member's or former member's death; and, resides with the member or former member unless separated by the necessity of military service or to receive institutional care as a result of disability or incapacitation; and is, (4) Not an eligible dependent of any other member or a former member. **Note:** When documents do not appear to establish a ward relationship, refer the applicant to the base legal office. (See chapter 22 for Marine Corps members.)

**Widow or Widower** – See Unremarried and Unmarried for definitions, eligibility, and non-eligibility to DEERS entitlements. This surviving spouse category in DEERS is associated to an eligible sponsor who is deceased. The surviving spouse category in DEERS/RAPIDS reflects “widow” or “widower,” if they have not remarried; however, the widow or widower ID card designation reflects the letters “DB” as a DoD Beneficiary.

### ENTITLEMENT TABLES

**A2.1.** The entitlement tables provides information relating to ID card benefits and privileges using a rules based methodology within the DEERS database, thereby, automating DoD policy as specified by public law, and implements directives and regulations for receiving the following: Civilian Health Care (CHC), Direct Care (DC) at a MTF, Commissary, MWR, and Exchange shopping privileges. A person’s affiliation, such as an AD member (referred to as a “sponsor”) with DoD/ Uniformed Services, or those individuals that have an association to someone (a “sponsor”), such as a spouse of an AD member, leads to benefits and privileges as recorded in DEERS when meeting certain eligibility criteria within this instruction and DoDM 1000.13, Volume 2.

A2.1.1. Tables A2.2 through A2.54 reflects the eligibility of persons who may qualify for benefits and privileges.

A2.1.2. A sponsor’s begin date for benefit eligibility is based on the date the sponsor begins their affiliation with the DoD/Uniformed Services.

A2.1.3. A dependent’s begin date for benefit eligibility is based on the date the dependent becomes associated as an eligible dependent to an eligible sponsor.

A2.1.4. Guidance on benefit eligibility begin dates and ID card expiration dates on benefits is maintained within this instruction and at [www.cac.mil](http://www.cac.mil). Refer to Table A2.1 for benefit, privilege and card type abbreviations for tables within this instruction and DoDM 1000.13, Volume 2.

A2.1.5. Commissary Privileges for Children in Cases of Divorce. DoD continues to improve existing programs involving divorce situations and children. Children shopping privileges are now automatically extended for commissary access when a divorce occurs and it is recorded within the RAPIDS software. In the past, commissary privileges were not afforded to children, unless they resided in the sponsor’s home, or the sponsor maintained a home for the children. According to DoD Manual 1000.13, Volume 2, access for shopping privileges is authorized based on the sponsor providing over 50 percent support to his/her child or at the time of the sponsor's death.

A3.2.3. Block 3. SSN or DoD ID Number.

A3.2.4. Enter the sponsor/employees' SSN or DoD ID Number. In cases where an employee has not been issued an SSN or DoD ID Number, an ITIN can be provided. If neither number is available, a Foreign Identification Number (FIN) is generated by the system. A FIN (assigned as 900-00-0000F and up) is assigned and automatically generated for eligible foreign military and foreign nationals who do not have an SSN. An SSN or ITIN is the preferred identifier for initial enrollment. Only in cases where neither is available should an alternate be used.

A3.2.5. For VOs: If a SSN or DoD ID Number is already registered in DEERS for another individual, stop processing and verify the number. If verification confirms duplication of the SSN by the SSA, continue processing and the system automatically generates a duplicate control number for the additional sponsor

### DD FORMS 1173 AND 2765 EXPIRATION DATE AND TRICARE (MC) EFFECTIVE DATE GUIDELINES

#### A4.1. DD Form 1173 and DD Form 2765 Expiration Date:

A4.1.1. When the member and his or her spouse are living apart because of a legal separation or interlocutory decree of divorce, set the expiration date at 1 year from the date of issue or the date on which the divorce becomes final. When a dependent child is going to be residing apart from the sponsor due to enrollment in a full-time course of study in an institution of higher learning, the DD Form 1173 may be reissued at any time, regardless of whether or not the current card has expired. The expiration date of the reissued card is as indicated below (when there appears to be a choice of two or more expiration dates, always choose the earliest date):

#### A4.2. MC (TRICARE) Effective Date:

A4.2.1. The MC effective date is the date that the beneficiary first becomes eligible for TRICARE coverage. Once assigned, an MC effective date is permanent for as long as TRICARE continually covers the beneficiary.

A4.2.2. The MC effective date does not change for dependents on the sponsor's retirement or death unless the retirement or death occurred before 1 January 1967 (the initial date retirees and their dependents became eligible for TRICARE). In this case and in other instances not covered above, whenever there appears to be a choice of two or more eligibility dates, always choose the latest date.

A4.2.3. If there is a break in eligibility, the date TRICARE eligibility resumes (according to these guidelines) is the MC effective date.

#### Notes: (To Table A4.1, MC Effective Date)

- A. Date of sponsor's entry on AD or 1 October 1966 (the initial date AD dependents became eligible for TRICARE), if entry was on or before that date. (If there is a break in service of more than 24 hours, use the most recent date of entry on AD.)
- B. 1 January 1967, if the sponsor retired or died on or before that date.
- C. Date of marriage.
- D. Date of birth.
- E. Date of final adoption.
- F. 31 August 1972 (date that an illegitimate child of a male member whose paternity has been judicially determined, voluntary acknowledgement of paternity, or an illegitimate child of a female member became eligible for the TRICARE).

- L. 1 January 1985, if meeting 20-20-20 criteria and divorced before 1 February 1983, or if meeting 20-20-15 criteria and divorced before 1 April 1985. If former spouse had an employer-sponsored health plan, use date the plan was canceled.
- M. If Reserve member's death occurred after 30 September 1985, date Reserve member died.

- O. Day after member was involuntarily separated (TAMP) (or TAP for Air Force members) or voluntarily separated under the SSB program or the voluntary separation incentive (VSI) program. Do not change MC effective dates for dependents.
- P. If unmarried former spouse's, widow's, or widower's remarriage was legally annulled, reinstatement of benefits is the day following the annulment.
- Q. Retirees and the eligible spouse or children of living retirees who are Medicare eligible under age 65 have their TRICARE entitlement restored effective 1 October 1991 as long as they are enrolled in Medicare, Part B, on or before 1 October 1991. Eligible retirees and the spouse or children of living retirees who become Medicare-eligible after 1 October 1991 retain their original MC effective date as long as they enroll in Medicare, Part B, at the time they become eligible for Medicare, Part A. Beneficiaries who became enrolled in Medicare, Part B, after effective dates listed above are entitled to TRICARE as of the date of enrollment in Medicare, Part B. Retirees and the eligible spouse or children of living retirees who are age 65 or over and Medicare eligible, have their TRICARE entitlement restored effective 1 October 2001 as long as they were enrolled in Medicare Part B on or before 1 October 2001.

**A5.1. Basic Documentation Required Determining DEERS Eligibility.** Photo ID is also required for all DoD sponsors and their eligible dependents over the age of 18 in addition to the eligibility documentation listed below in all instances (except for children under age 18). Children under the age of 18 applying for a dependent ID card are only required to provide documentation for the initial verification of eligibility or proof of relationship to the sponsor. FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents should not be confused with Title 10 benefits eligibility age limits. See Table A5.1 below for DoD sponsors and dependent eligibility documents. See **Note 8** in Table A5.1 for lost or stolen ID card and scanning of documentation to DEERS.

A5.1.1. A Social Security Card, an unexpired passport and driver's license are acceptable identity documents per FIPS 201-2 (with the exception for children under age 18, they do not need to provide an identity document); other official eligibility documents as listed in Attachment 5 are required for enrolling a member or dependent in DEERS. **Note:** Refer to FIPS 201-2 in reference to identity proofing for DEERS enrollment, eligibility, and ID card issuance purposes. Other category of identity documentation not accepted for DEERS enrollment or initial ID card issuance or renewal are: State issued ID cards displaying the phrase "Not For Federal Identification Use," "Not Acceptable for Federal Purposes," or other similar language, including local military, civilian, or contractor identity/security access badges issued from an agency, installation, or employment credential other than RAPIDS issued cards.

A5.1.2. Effective 11 May 2008, a Federal agency may not accept, for any purpose, a driver's license or ID card issue by a State to any person unless the State is meeting the requirements established within Public Law 109-13, 11 May 2005, Title II – Improved Security for Driver's Licenses and Personal Identification Cards, Section 202, paragraph (2)(b) Minimum Document Requirements, subparagraphs (1) thru (9). **Example:** The person's full legal name as listed on the State Driver's License or State Personal Identification Card is used for DEERS enrollment. Individuals who portray themselves under an alias name (assumed name, false name, also known as "a.k.a.") from that of the State Driver's License or State Personal Identification Card are not enrolled in DEERS or issued any type of identity (ID) credential from RAPIDS, unless, two forms of acceptable identity are provided as prescribed from the FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents.

A5.1.3. Non U.S. citizen in the United States (undocumented illegal alien spouse or child). Form I-551, *Alien Registration Card* and birth certificate is used for enrolling spouse and child in DEERS only, no identity credential is issued from RAPIDS, unless two forms of acceptable identity are provided as prescribed from the FIPS 201-2 (formerly I-9), at [www.cac.mil](http://www.cac.mil), Department of Defense List Of Acceptable Identity Documents.

2. Student name (may also include student ID number)

Further information is provided in Attachment 9 concerning sample letter for students over age 21 and under age 23. The sample letter in Attachment 9 is not associated with the National Student Clearinghouse and may be used directly by the school registrar's office in verifying a student's enrollment status as full-time, or the school's verification for full-time enrollment (letter) is acceptable.

(Date)

FROM: RAPIDS Site Location

TO: Sponsor Name &amp; Mailing Address (or digitally signed E-mail notification to sponsor)

Dear Sponsor Name

We were recently contacted regarding issue of a (select DD Form 1173, *Uniformed Services Identification and Privilege Card* or the DD Form 1173-1 *Department of Defense Guard and Reserve Dependent Identification Card*), and updating of the Defense Enrollment Eligibility Reporting System (DEERS) record for your (list family member relationship and name).

It is the sponsor's responsibility to enroll family members in DEERS and provide them with an unexpired ID if eligible. Sponsor inaction to enroll or update changes to family members' eligibility in DEERS, results in denial of MC at MTFs, or rejections of claim submissions to TRICARE for payment of services. Likewise, inaction to update changes to end ineligible family members enrollment in DEERS due to divorce, marriage, loss of dependency, etc., may result in the government billing you for any unauthorized MC. According to DoD guidelines on fraud and abuse, you can be held financially responsible for any unpaid medical expenses incurred by unauthorized family members.

If (name of beneficiary) is still your lawful family member, please date and sign the attached ID card application, DD Form 1172-2, blocks 22 and 23 (formerly DD Form 1172, blocks 90-91). If the DD 1172-2 is not signed in the presence of a uniformed Services ID card issuing facility (Verifying Official [VO]), have your signature notarized by an authorized official. If you do not object to (family member name) knowing your address, complete the form, blocks 11 through 20 (formerly DD Form 1172, blocks 13-17).

Please return the completed DD Form 1172-2 in the attached self-addressed envelope. If (name of beneficiary) is no longer an eligible family member, forward legal documentation (i.e., divorce decree, marriage certificate, disapproval of financial/medical dependency determination, etc.), ending (name of beneficiary) eligibility in DEERS, and return the incomplete form. If we do not receive a reply from you by (enter 30 days from date of notification), we assume you are unwilling or unable, and we will verify (name of beneficiary) eligibility on the DD Form 1172-2, identifying you as the sponsor according to inter-service Air Force Instruction 36-3026.

Sincerely
